Vale Fiona Lyon

The passing of Club Treasurer Fiona Lyon on the 22nd of February 2013 came as a huge shock to us all.

We lost a sister, a clubman (or clubwoman as Fiona would have liked) and a happy face. But more than anything, we lost a friend.

Fiona came to the club in 2006/07 through her brother Simon, and took on the Canteen role at Manly Oval with relish. Then in the face of some tough financial issues she took on the Honorary Treasurer role in 08/09, and played a huge hand in turning around our finances.

Fi was well known for her frugality as treasurer, something she was proud to hold onto. She was diligent, hard-working, and extremely detailed. She kept the books like they were her own,

spending hours getting the details right and making sure everyone had the right information.

But what we will miss most about Fiona is her smiling face at Manly Oval each Saturday, always looking after the boys as much as she could. Because ultimately they were her boys, and she took more pride in that than anything.

Her trips out to watch first grade play away on a Sunday were always well planned... she didn't want to miss anything that her boys would be doing.

Fiona had terminal cancer and struggled for the last 6 months of her life, but we are comforted in the knowledge that she is now free from pain.

Rest in Peace Fiona Lyon

Presidents Report

This season was a huge challenge, both on & off the field. The Club had to deal with a lot of adversity & it was pretty tough time for everyone. But what I love about this great Club is how we respond to adversity & it is exactly why we refer to it as the **“Manly Cricket Family.”**

The attendance at our Annual Presentation Night was testimony to that. Two years ago, when won 3rd grade & 5th grade Premierships & we had 120 people in attendance at our Annual Presentation Night.

Last year we won the Club Championship & had 120 people attend

This year we won nothing, yet we had 170 people attend. Why is that you might say? The answer is simple.....

Our Club has built its impressive culture around a **“WE not ME”** philosophy – there is no “I” in WE. Those that don’t adhere to that philosophy, generally don’t last very long at Manly!

It is a testimony to our Club culture that we had so many people at our Presentation Night in April, despite our tough season.... & what a night it was!

Whilst we didn’t get to celebrate any premierships - Manly is not just about that – it is about creating friendships & developing life skills as well. Manly continue to lead the way on these fronts. They are far more important assets in all our lives than a trophy. We have a culture that most Clubs envy. But we all need to keep working harder & implementing new initiatives to further improve ourselves.

We did celebrate our friendships that night, but important that we acknowledge them again.

Firstly Timmy Cruickshank who broke the Club run scoring record that has stood since 1966 – what a remarkable achievement from a great bloke & a great Clubman, who just bleeds

Manly. He is bound to set a new record that will take some catching!

Secondly a huge congratulations to one of my great mates David Gainsford who joined the MWDCC Life Membership Club, What a fitting honour for a tireless worker & what a very proud moment it was for his parents Brian & Jill, his wife Gina & his family. He deserved this prestigious honour & also deserved the standing ovation afforded to him on the night which said it all. Great stuff mate!

The night was also a celebration for Fiona Lyon. It is still surreal even now writing about her passing.

We have spoken about Simon “Cliffy” Lyon’s role in dealing with his sister Fiona’s passing, but for those that were not at the funeral, I cannot tell you how brilliant Cliffy was in dealing with a very, very difficult situation on behalf of his family – he was simply outstanding & we all have a newfound level of respect for you Cliffy!

But Fiona..... how wonderful it was to see the splashes of pink & purple in the crowd as a tribute to Fi at the Preso night. The images reminded us all of Fiona’s contribution to our Club. The huge turnout at her Funeral was just wonderful.

She really did make a mark on our Club / fittingly winning the Clubman of the Year in 2011 – she described it as *“The biggest honour I have received in my life.”*

Our close-knit cricket community is still hurting, as we have lost a friend. Fi loved the Club which she considered as her family - but perhaps the person that best summed it up was her sister Melissa who flew out from the UK for the funeral & attended the wake – after meeting everyone from our Club, she sent me a beautiful

letter when she arrived back in the UK, that I would like to share with everyone:

Dear Andrew,

I just wanted to personally thank, Aidan Baker, Adam Crosthwaite & yourself for your amazing heartfelt words you said about my dear sister Fi. She would have been so touched & proud to have seen how much of an impact she had made to so many people's lives.

Seeing all the players at the funeral turn up in their Club shirts & seeing how emotional they all were, was so moving for me. She really made Manly her home & the people at Manly Warringah District Cricket Club were her life & family & what she lived for – so thank you to you & all the Club for making her so happy.

I really felt I was part of the Manly family too on the day, so thank you for all the kindness shown to me & all the wonderful hugs I was given!

Thank you to one & all at Manly & I wish you all the very best for the future!

Love

Melissa Lyon x

I think that says it all – the funeral & wake was a very sad day, but also a proud one for our Club & one that Fi would have been proud of too.

Finally, to commemorate Fi, we have a new perpetual trophy for the winner of our annual “**Past v Present**” match which is now named the Fiona Lyon Cup.

RIP Fi. We will miss you.

As we all know running a grade cricket Club is not easy & we could not possibly do it without the support of our loyal group of sponsors, and we would like to acknowledge them all:

Mounties Group/Manly Bowling Club/Harbord Diggers – this was our 15th consecutive year of our great partnership.

Ann Wilson Funerals – Their support over the last 3 years has been fantastic. A huge thanks to Ann & her team in managing Fiona's funeral with such professionalism & sensitivity.

Travelsim - Thanks to Jamien & the team as we are about to enter our 5th year together.

Bray's IGA Collaroy & Allambie - AB, you are a champion mate! Thanks for all your support.

Ultra Tune Manly - Big thanks to Keith Tucker

The Manly Daily – Thanks to Prento & Rebecca for your great support.

BOQ Manly – Drew & Jodie Johnson. To Jodie, your commitment to our accounts following Fiona's passing went beyond the normal role of a bank manager. To this, we are greatly indebted to you!

Quest Manly – Mark & the crew at Quest have been a great supporter of our club for a number of years now... we thank them for their great support once again.

Isaacs Cole Chartered Accountants – the boys love this sponsorship, so thanks to Slugger & Coley.

The Butchers Café Fairlight – one of the world's great blokes Andrew Dawes!

Ian Bird Photography – and one of the best photographers!

A big thank you to our great Patrons namely Mike Baird MP, Mayor Jean Hay, Mayor Michael Regan & Gary Flowers.

Nor could we do it without our dedicated volunteers – so a huge thank you to all the Committee, volunteers, scorers, managers, parents & friends for your respective contributions this season.

Special congratulations to Alan Wright who very deservedly won the Keith marks Clubman of the year award. Wrighty has been an institution at the club for many years now, and his work does not go unnoticed. Thankyou Alan for your contribution, and congratulations once again.

All of the Committee Members are listed in the front of this book – I encourage you to look at the list, as they are the terrific group of people who manage the workings of YOUR Club.

Two names that will not be there next year are Donny Waller & Brucey Wickham – both are

stepping down from the Committee, so we would like to thank you both for your enormous contributions to the administration of our Club this season. Much appreciated guys!

Also, I generally don't like singling out any one person, but it would be remiss of me if I didn't do so. Joel "Pezza" Mason, take a bow mate. You are just a machine! Honestly, there are not enough superlatives to describe this guy. His commitment to our Club is just extraordinary & the work he continues to devote to our Club, all on a voluntary basis, just defies belief.

I would however like to see a few players step up & help lessen Joel's load, so as we don't burn him out & lose one of our great administrative assets!

To Jackson Bird we send a big congrats from all your friends at Manly, in becoming Manly's first local junior since Graeme Beard in 1980 to play Test Cricket for Australia – what a Boxing Day Debut it was too. Well done champ & go get 'em in the Ashes!

I don't want to make any reference to the playing side of our season, as our great Captains will cover that & we need to look forward.

Cricket is cyclical & we will turn our performances around.

I am really confident that the Club is now in a terrific position to take on the 2013/14 season & beyond, with a brilliant Committee & Coaching staff now all in place – the return of one of our favourite sons, Shawn "Wingy" Bradstreet as Club Coach & the acquisition of Phil Marks who returns to the Club as Director, Cricket Development, the continuing involvement of our Manly Warringah Junior Pathway Program, aptly led by Greg "Butch" Boyer, will ensure every player in the Manly Warringah Cricket family receives the best possible structure in which to develop both as players & persons.

Finally, it is hard to believe that we are approaching 10 ten years since I was afforded the honour of being President of this great Club - a Club that I love dearly. I could not possibly have lasted this long without the support of my beautiful wife of 26 years Mandie, whom I also love dearly!

I can't wait for the 2013/14 season – bring it on.

Andrew Fraser
Honorary President 2012/13

Secretary's Report

To members and friends of Manly Warringah District Cricket Club Inc

The Committee of the MWDCC has pleasure in submitting for your consideration the 135th Annual Report, including the Financial Statements, covering the 2012/13 cricket season.

The Club entered teams in the five Sydney Cricket Association Grade competitions along with the First Grade Limited Overs and T20 competitions, the Poidevin-Gray and AW Green Shield competitions.

It is fair to say that, following the great season in 2011/12 in which the club was the SCA Club Champion, the results for 2012/13 season were disappointing. Unfortunately, the season did not get off to a good start with 18 players from the previous year not turning out again in 2012/13. Pre-season training and preparation was severely hampered by the lack of turf wicket practice facilities. Further, injuries later in the second half of the season to several 1st grade players also adversely impacted the performance of 1st grade. However, as the saying goes – “out of adversity comes opportunity” – so it was that these injuries provided opportunities for younger players to be promoted and to gain valuable experience.

The 2012/13 season results were as follows:

Club Championship	15 th
1 st Grade – 2 day	17 th
1 st Grade – Lmtd Overs	11 th
1 st Grade – T20	3 rd
2 nd Grade – 16 th	16 th
3 rd Grade – 10 th	10 th
4 th Grade – 9 th	9 th
5 th Grade 16 th	16 th
Poidevin-Gray	10 th
AW Green Shield	13 th

The 1st grade T20 team was undefeated in their three qualifying games and were placed third going into the quarter finals. In a run chase in

the quarter final, the team fell just short of the Campbelltown-Camden score of 188.

Nevertheless, the season did prove to be valuable in the development of a number of promising younger players, who the Committee believes will provide the foundation for a promising future for the Club.

Overshadowing anything else at the Club this past year has been the very sad passing of the Club Treasurer, Fiona Lyon. As we all know, Fiona was a stalwart of the club, an extremely diligent and professional Treasurer and a very passionate Manly Warringah District Cricket Club supporter. Although I was only new to the Manly Warringah District Cricket Club this season, Fiona was one of the first to make me feel very welcome and I quickly came to respect her for her substantial voluntary contribution (including long hours spent organising and manning the Manly Oval canteen) to the Club. It is very fitting that a perpetual trophy (for the annual Past vs Present players match) now carries her name. Rest in peace, Fiona

Other significant milestones in the Club this year were:

- David Gainsford being made a life member of the Club
- Tim Cruickshank becoming the all-time highest run scorer in the Club

I would like to thank everyone involved in the Club this season, starting with the Committee led capably by President Andrew Fraser. What has impressed me about the Manly Warringah Cricket Club Committee has been the involvement of all members on the Committee. I have been involved in other Committees in the past and it is a rarity to find a Club where there

are no “freeloaders”. No doubt the workload shared by all Committee members has contributed to Manly Warringah being one of the leading cricket Clubs in the SCA – not only on the field, but also in the competency of its management and administration.

Although it may not be fair to others to single out individual Committee members, I would like to especially acknowledge the contribution of the following:

- David Gainsford and Greg Boyer on fostering the close relationship with Warringah Shires and the continued development of the Pathway Program. Congratulations to Butch on receiving the President’s Award
- Joel Mason for his passionate involvement in just about anything that moves, or needs being done, at the Club
- Bruce Wickham on ground allocations and all matters relating to the grounds
- Steve Beatty on organising and facilitating social activities and a willing contributor on numerous Club matters
- Simon Lyon on Council liaison, all matters memorabilia and stepping in as Acting Club Treasurer

Congratulations to Alan Wright – the Keith Marks Clubman of the Year. This is a well-deserved recognition to Alan for his tireless contribution over a number of years to training, being the 3rd grade manager and the numerous other tasks he undertakes.

Of course there is the army of volunteers and backroom team who contribute to the seamless running of the Club, but are too numerous to mention. However special recognition must be made of the scorers - Geoff Rogers, Gordon Currie and Don Sellin. A big thank you to all of our volunteers – without you the efficient day to day running of the Club would not be possible.

Congratulations to all award recipients. Special mention is made of Ross Trewartha – the Captain of the Year and the Player’s Player of the Year. These are very fitting tributes to Ross.

In addition to his on-field performances, Ross provides a fantastic role model and mentor for the younger players in our Club.

Thanks also to the coaching staff – Dean Gilchrist and Brett Penprase for pre-season and the first part of the season and subsequently to Shawn Bradstreet and Adam Crosthwaite, who stepped in a short notice to take over the coaching reins. Both Shawn and Adam have been confirmed as the Club coaches for the 2013/14 season.

The Club is, as always, very appreciative of the wonderful support we receive from the local Mayors, Jean Hay (Manly) and Michael Regan (Warringah), as well as from the local State Member of Parliament - NSW Treasurer Mike Baird. We are indeed fortunate for them to be Club Patrons and great friends of Manly Cricket.

Our Club would not exist without the wonderful backing of our major sponsors, and we remain hugely indebted to: Manly Bowling Club/Harbord Diggers/Mounties Group, Ann Wilson Funerals, Travel SIM, BOQ Manly, Bray’s IGA, Device Technologies, Quest Grande Esplanade, The Manly Daily and Ultra Tune Manly.

Personally, I am very grateful of the support I have received from Roy Formica at CNSW - in particular, for his tutorship in navigating and using the MyCricket website, and his patience in answering my many enquiries.

Finally, I have enjoyed participating in the management of the Club during the year and the camaraderie of the Committee and members.

All the best for the 2013/14 season.

Don Waller
Honorary Secretary 2012/13

What you want when you travel™

Club Coach Report

Season 2012/13 was a very difficult one for the Manly Club, finishing in 15th position on the ladder in the Club Championship. This is a big drop from our club championship victory the previous season, and something that we obviously need to address very quickly.

I came into the head coaching role half way through the season after the resignation of Dean Gilchrist from the role. I hadn't been involved with the club for 18 months, so it was a difficult position to take up, especially as the club was in a fair bit of turmoil. Going from having no involvement in the club to being the head coach within 48 hours was not something I was expecting. Not knowing many of the players, and the ones I did know, not sure where they were placed or how they were going..... It was all quite challenging. But I must say I do love a challenge.

Firstly, thankyou to Dean Gilchrist and Brett Penprase for their efforts for the first part of the season. Thankyou also to the skippers and committee for helping me through the second half of the season. I would also like to thank the players for trusting me to come back into the club in uncertain times.

But the biggest thankyou need to go to our volunteers. To Alan Wright, training and net captain, third grade manager and deserved recipient of the Keith Marks Clubman of the Year, thankyou for your tireless work as per usual. To David Gardner, 1st grade manager and fielding coach throughout the season, your work does not go unnoticed so thankyou. To Michael Sheapherd, who I managed to convince to join me on my return to the club, thankyou as well for your help, guidance and passion. And of course to our fantastic scorer's Geoff Rogers, Gordon Currie and Don Sellin, your hard work and love for this club is seen in spades by everyone.

Also a huge thank you to Joel Mason as there is no way I could have jumped into the role as club coach and got through the post-Christmas period without your help. Your hours put into helping me will never be forgotten mate and you played a huge role into

convincing me to stay involved for the season 2013/14 and beyond.

I can't speak for the first half of the year, but by our own admission, the results in the second half of the season were not up to scratch with what we expect as a club. Training didn't have the intensity and toughness that was needed and expected, and we didn't have the commitment among the entire playing group.

As a head coach that is my responsibility and something that we are well underway to fixing with our off season planning.

Which brings me to next season. I am pleased to be head coach again for the 2013/14 season and feel that with a full off-season of planning, and the last 3 months of the 2012/13 season under my belt, I will be able to give everyone the focus that they deserve come the start of pre-season.

During a lot of the last half of last season, because the planning from myself wasn't there after being thrust into the role, I felt like I was being torn between 20-30 people at each training session, running around a bit like a headless chook. As a result I don't think I was able to perform the role to the utmost of my ability, as well as being able to perform the role to the level that it I would like to give it

That won't happen in the 2013/14 season. Pre-season plans are well underway, we have an Army of people helping in all capacities from David Gainsford to Joel Mason to David Gardiner, and we have a great coaching staff in place.

As you all would have heard by now, Phil Marks is joining our coaching team and he will make a huge difference to our club. Phil is an extremely experienced cricket coach who played first class cricket for NSW as well as having scored over 5,000 runs for Manly. Welcome back Skid.

With myself, Phil and Adam Crosthwaite at the helm, we are in for a big season.

The coaching and training staff I thanked above, namely Alan Wright, David Gardner and Michael Sheapher are all returning next year, as is the ever loved Bob Rollins, who returns from a stint at Warringah with his throwing arm ready to go. Any batsman looking for throw downs and some simple technical advice, Bobby is your man.

As a result, we have much to look forward to in 2013/14 and beyond. With a long list of young talented cricketers available to us, from the Sam

Holes to the Mickey Edwards to the Jarrod Rawlings, we are not far from getting back to those lofty heights of 2011/12. A bit more experience in the playing group is all that is needed, and with everyone else a year older and a year wiser, it should be a great 2013/14.

I'm pumped. Go Manly!!

Shawn Bradstreet
Club Coach 2012/13

Congratulations to St George on winning the 2012/13 Belvidere Cup.

Unfortunately 2012-13 was not the year of triumph that may have been anticipated for 1st grade. With Injuries creating an exodus from the core of our bowling attack it was always going to make it difficult to reach the goals we set ourselves at the start of the season. In saying that, it opened the door to breed some of our most promising young fast bowlers.

For me the highlight of the season was seeing Nick McLachlan establish himself as a genuine first grade fast bowler and also seeing Mickey Edwards show us a glimpse of the heights he is capable of (no pun intended). It was also great to see Ahillen Beadle fit in so well at the club and show just how good an asset he is going to be for us over coming seasons.

There is no doubt we have the nucleus of players to create a successful path over the next few seasons. We have a group of players that are all great mates and want to succeed together as a group. With dedication and a natural progression of maturity from our younger players I am confident there will be a lot of success in the next couple of seasons.

There are a couple of people I cannot show enough gratitude towards for the support over the season and also the years:-

Geoff Rogers

Geoff has been amazing support to both me and first grade for as long as I can remember. He is as generous a man as you will come across and if you can find me a better bloke than Geoff then I would like to meet him. Geoff I sincerely thank you for all you support over the years. There are rumours that this could potentially be Geoff's last season 'on the book' but I hope this is not the case as Manly Oval

just won't be the same on a Saturday without you around.

Davey Gardener

Davey has been a great get for the club over the past few seasons. His effort and generosity to helping everyone throughout the whole club is a resemblance of the genuine guy Davey is. He's become an invaluable member of the 1st grade group and all the boys love having you around. Your hard work is genuinely appreciated by everyone and we can't thank you enough.

Now to share a brief rundown of the player's contributions throughout the season:

Jack Ritchie

Jack continued to grow as both a player and a person this season. He is verging on a big breakthrough season which will see him play higher honours. If he just continues to focus on improving his game then this is inevitable. He has become a good leader in the 1st grade group and a popular member of the side.

Adam Crosthwaite

The quality of Crossy as a player speaks for itself. But for me the true quality of Adam as a cricketer comes from his competitiveness and desire to win. This creates a great example for the younger players to learn and certainly makes my job as captain so much easier. It's great to have a genuine Manly boy back home.

Cameron Merchant

It's been a tough year for 'Nappa' but one that he will be better for. The class of Cameron as cricketer when his game is in order is up there with the highest quality in the world. A brilliant clubman that is loved by everybody for who he is. I can't wait to share many more beers and good times with you over the coming years.

Ahillen Beadle

What a player!! A gifted stroke player that destroys attacks with ease, and as good a spinner as anyone going around. I find it hard to believe AB is not playing 1st class cricket. It now becomes the case of AB presenting results that demand selection. With commitment to his game I believe this will happen over the next couple of years.

Stephen O'Keefe:

We are very lucky to have 'SOK' as a Manly boy. The quality he brings to the club as both a player and a person is invaluable. He is a mate to everyone and always wants to give something to the club which is a testament to his down to earth attitude.

Mitch Cleary

Mitch had a tough year with the stick which everyone goes through at some stage in their career. I hope he realises that a year like this is generally followed by a year of triumph as you become hungrier and have less to lose. When he comes out the other side the taste of success will be much sweeter. He's a sensational team man, always giving his best and helping others. Clubs like Manly wouldn't be the same without blokes like 'Beaver'.

Luke Edgell

Luke had a great season especially in the shorter formats. He really understood his role with the ball and bowled pivotal spells for us when we needed him. He struck the ball beautifully all season and showed that he has big first grade runs in him. With the momentum of his success this year I sense bigger and better things to come over the next couple of seasons.

Andrew Lowe

Lowe was a great addition to the club this season. A very good player that fitted into the club well. As a cricketer he has a maturity beyond his age which impresses me most. I hope he continues to improve

his game to reach his goals.

Corrie Boss

It was a shattering year for Bossy due to injury. Just when he thought he was in the clear and coming back to his best he was struck down with another ankle injury. Unfortunately this is part and parcel of being a fast bowler. He has put a lot of hard work into getting back on the park bigger and stronger and he will soon see results. A great club and team man.

Ben Martin

Benny showed glimpses of his best this season although unfortunately had some trouble with Injury. Such a naturally gifted bowler that is capable of anything. When he learns to take some pressure off himself and back his natural ability I think his true colours will shine. I predict Benny will be the leading quick in 1st grade at some stage over the next couple of seasons.

Nick McLachlan

Nick did an outstanding job leading our attack this season. His skill and deceptive pace got the better of a lot of good player throughout the year. Nick will only continue to improve as he develops both physically and mentally. I think he will have learnt a lot this season and will be a big part of our attack in years to come.

Dylan Marshall

Dyl is an extremely talented spinner. Bowling finger spin is hard work and needs a lot of patients. He has all the skills for success and his control is exceptional. I don't think he quite realises his potential but when he does he will be a very successful bowler.

Logan Weston

Logan came into the side late in the year. What impressed me most about Logan was his attitude

and respect for the game. He went about his business in the best way possible for the side and showed glimpses of some very talented stroke play. A player I think we will see a lot of success from over the next few years.

Mickey Edwards

I haven't seen as much talent in a young fast bowler since Jackson Bird. Bowls from 6'6", has pace and bowls natural outswing. What more could you want. For Mickey, it is now all about learning the trade of fast bowling and taking wickets. A great character in the side that everyone enjoys playing cricket with.

Ben Smith

What I love about Smithy is his love for his team mates and equally his hate for other clubs. A fighting attitude that is contagious with his team mates. Unfortunately timing was a bit out for Smithy with him coming into first grade. I think if there was more opportunity for him when he was in form we would

have seen big runs from him. A great guy to have around the club.

It was also great to see Aidan Baker, who did well before going back to captain 2nd Grade, Mitchell Pugh, Matt Alexander and Taylor Beatty throughout the season.

If you read through these players on by one you can see the quality of players we have. With Shawn Bradstreet now in charge I think we will see a lot of success for individuals and the team. The work Shawn has been putting into the club over since he has taken charge has been unbelievable and I know the players will respond to his dedication and love for the club.

I can't wait for next season boys!!

Tim Cruickshank

Congratulations to Sydney University on winning the 2012/13 Albert Cup for the 2nd year in a row.

Second Grade had a season which really typified the club's season. A Young inexperienced side, not having the experience or toughness to produce more when the going got tough. When the big moments came, unfortunately an individual or individuals did not take it upon themselves to win the game. Despite this everyone who played second grade throughout the year will be far better off for these experiences & I hope they indeed learnt something from each & every game.

A big thank you & gratitude must go to Greg Marks, the efforts & leadership he showed throughout the season & in particular his captaincy before the Christmas break proves the stature of the man. Ben Smith's two hundreds further proved how a mentally tough cricketer will always outweigh talent, generally if he spoke of scoring a hundred, he backed up his words with his bat on every occasion.

Congratulations to the two prize winners in Dylan Marshall for bowling & Andrew Lowe for batting. You were both rewarded with games in first grade later in the year.

Mitchell Pugh

A fluent cricketer, with so much time & elegance. Great cricket brain. The will needs to align with the skill on a more regular basis, I felt you lost your way a bit after Christmas & struggled to get up for

games.

Logan Weston

The ability to rotate the strike which has been developed gives you a chance to score big runs, which over time will come.

Andrew Lowe

Solid in everything he does on the field, deserved far more opportunity with both bat & with the gloves. Good luck in the future mate, you will be a great loss.

Mitchell Cleary

Showed glimpses of what he can do in the final game. Leadership, attitude & his willingness to help others out & set standards for others to follow is insurmountable in Manly Cricket club.

Javed Badyari

Don't let the game change you, change the game. Talent is unquestionable, will is unquestionable, however your mind would always find a way to bring self-doubt. "If you want to find yourself, go to somewhere where nobody knows you", then I hope you can find your love for cricket again.

Greg Marks

Willingness to play with glandular fever, shows how much of a team & clubmen you are. Best wicket-keeper I have seen for a long time.

Tom Kaye

Couldn't convert his starts & opportunities. Getting more out of practice needs to be a priority. An ability to continue to play the shots that get you to 30, rather than every shot in the book, needs to be learnt.

Jordan Daly

Brilliant year, which could have been exceptional. Ability to get lazy or lose concentration at pivotal moments, resulting in a false shot & ultimately his loss of wicket stopped this. This trait will be lost over time, as long as his willingness to learn continues.

Taylor Beatty

Ability to understand game situations is paramount to his growth. One bad ball an over unfortunately let himself down, however not bowling for a long period of time throughout the season in ones was a telling point, as his hard work was bought un-done. Ability with the bat has not been recognised as yet.

Dylan Marshall

Unrewarded for his bowling efforts continually, through dropped chances or misfields. Despite this a great year with great results both batting & bowling. The way in which you carry yourself when chips are down will come over time & indeed make you a far better player.

Luke Mannell

You always know what you are going to get with 'Mez', which is testament to his experience in knowing his role & his strengths. Brilliant club man who drove an hour & half to just get to training. What a guy to have in your side. A great mate to everyone.

Matt Alexander

Was hampered by injury throughout the season after a season in England. Unfortunately could not get what he wanted out of his body & what his talent deserves. Hope you can come back a better

player & more importantly, smarter in your training habits & work load.

Dave Poskitt

Was great to have you back mate. So good to play with you after 18 months out with a knee injury, 4 wickets in your first game back in twos is testament to your ability to continually produce results when called upon. 3rd best pommy import (behind Prowler & Pipey).

Sam Gainsford

Was put in seconds far too early, but didn't disappoint. Needs to recognise his abilities with the bat & not look to score in boundaries like he does in junior cricket. If you can rotate the strike & understand how to bat long periods I can see you becoming a batsmen. Despite this your spinners were a great asset for us this year, your competitiveness will be a major telling point in your career. Your belief will soon catch up with your talent.

Lance Stewart

A great team man, who will do whatever his captain asks of him. Not the best season with the bat but some useful innings. A great guy to have around the group. You seemed to have lost a lot of enjoyment this year mate. I think it's a case of Controlling the controllables with you, don't worry about what is out of your hands, back yourself and your abilities and be somewhat selfish to achieve your personal goals..

Sam Webber

Produced some solid performances. His hard work at training never goes unnoticed & when you call on him, you know what you will get which is a positive for a captain. Stick at it & keep working hard.

Overall it was a disappointing season, considering we were finalists last season. However, pushing the eventual winners Sydney University in the final round, to only lose by 4 wickets after being sent in

on a wet one & scoring 83, shows what we could have achieved if we had solidarity & a core group of players throughout the season.

To Gordon Currie, words can't explain or put justification as to the tiresome hours you put in through scoring & the input of data every week. Without you my job would've been far more difficult & your efforts do not go unnoticed amongst the boys. We cannot thank you enough, nor will the club ever be able to repay your services. For a volunteer (I know not the only one) to produce the effort & workload you do week in week out is incomparable to anyone that I have worked with previously.

To Gilly, the effect you had on every second grade player & ability to communicate effectively in a simple, clear & logical manner, proves your effectiveness & how much of a loss you were to the club. Second grades results post-Christmas shows how disorientated the boys had become in achieving our goals as a group, as we lost that steeliness & willingness to work hard towards a common purpose for both the group & as a club. The respect you

earned over your period at the club was testament to getting the best out of every player & I hope the young players call on what they learnt from you for years to come.

To Winga & Crossy thanks for your efforts & all the best moving forward in what is a great bunch of boys to work with.

To the other committee members & administrators/helpers our gratitude is extended to you all & our appreciation I hope was shown throughout the season. Particularly to Fiona Lyon, RIP.

Thanks again to all the boys & let's strive to get rid of the somewhat soft mentality & get back to an us vs them mentality in which any backward step is not only frowned upon but not in our nature.

Cheers

Aidan 'Flat' Baker
2nd Grade Captain 2012/13

Congratulations to Gordon for winning the 2012/13 Mitchell Cup

Season 2012/13 can only be summed up in one word.....frustrating. At the end of the regular season we managed to finish 10th. 3 losses and 5 draws. We had some nail-biting wins which came from a fighting spirit that we discovered in round 1 against UNSW and continued to show that fight in other games like a last ball win against Easts and never say die win against Sydney Uni in the last round of the season. Our 5 draws, 1 thanks to the rain and another thanks to possibly the worst display of sportsmanship and captaincy in recent Grade Cricket memory against Campbelltown. The other 3 draws, we just couldn't get over the line. Falling short in 2 of them by 1 run. These 2 games in particular cost us at the end of the season, another 4 runs, semi final cricket we would have played. Our 3 losses, one against eventual premiers Gordon, was the second lowest total of losses by any team. Only the Premiers had less with 2 losses.

So, we should have learnt a lot and it will be interesting to see the progress on many of the 28 players who played 3rd Grade this season. Some of whom grabbed their opportunity with both hands and showed the talent they have, moving up to 2nd Grade and performing admirably. Others will look back and hopefully

see what it takes to play at this level and above.

A massive thankyou to our coaches. Shawn Bradstreet and Adam Crosthwaite for their passion and commitment after Christmas. I'm sure I speak for all the players when I say I'm looking forward to working with you next season. Also a big thankyou to Dean Gilchrist and Brett Penprase for their effort during the pre-season and regular season until Christmas.

The biggest thankyou of all though must go to Alan Wright. This man gives his heart and soul to not only 3rd Grade but the entire club. Runs training sessions, helps PG's and 1st Grade in the games that he can attend. Never says no to any request of the players and we love having him around and appreciate the work he does for us. I couldn't imagine running my side without him now. A very deserving winner of the Clubman of the year. Well and truly overdue for this award in my opinion. Thanks mate.

So now to the players. I'll write about all 10 who played in the final round and a couple of others who were integral to 3rd Grade this season. Unfortunately I cannot write about all of you but, as I mentioned, there were 28 players in Threes this season. I would like to congratulate and thank every one of them for their performances and efforts.

Jarrold Rawlings

The only player who played every game in Threes this season. Learnt alot about his game and how to build scores by playing HIS game. Has the ability to be a big run scoring opener of the future but needs to get through the 20's and 30's and kick on a bit more often. A good second slipper too who's sense of humour in the sheds and banter with Jordan were always a highlight. A real step up by Jarrod this season and it was great to see.

Max Burgess

My right hand man who happily stepped into the captain's role twice this season and excelled. Thankyou mate. A natural leader. Technically and mentally good enough as an opener to play in the top grade. Sets high standards for himself and for others both with the bat and in the field but I'm sure he would have liked a few more runs this season. They will come Max, your work ethic will ensure that they do.

Tom Kaye

Spent most of the season in 2nd Grade but the big runs eluded him. Gave his all to 3rd Grade in the few games he played with us and you could see the effect the 2nd grade experience had on Tom. More confident in his own ability and technique. But Tom if there is one thing, you need the BIG scores. Not 30, 40 or 50 but let's make some hundreds. Not only will you then stay in the current grade but you will push for higher selection.

Javed Badyari

Not really sure why Javed played the final round with us but I think it's a season that Javed needs to put behind him and move forward. We all have them mate, it's how you respond in your next season that matters. Enjoy the off season!

Sam Webber

Sam showed this season what hard work and dedication will do. He showed his ability with bat

and gloves and won a couple of games and nearly won a couple more. Got a few games in 2nd Grade but deserved more. Keep working Sammy, it will come. Just enjoy playing the game while you persevere. To put it simply, Sam is too good for 3rd Grade.

Luke Grant

LG stood up as a leader this year. Taking control of the 4th Grade side he led well and showed along the way that he is way too good for 4th Grade. His performances in 3rd Grade were excellent. A genuine all-round cricketer. Bats, bowls and fields well in any situation and is tailor made for the number 7 spot, a position that he seems to always make runs in. I'm looking forward to seeing Luke push for higher grades next season.

Arshdeep Virdi

Ash had a fantastic season. Playing pretty much every game after Christmas and absolutely killing it. Man of the Match on several occasions he took the new ball and moved it both ways and in the air. He is a real talent with the bat but unfortunately he was limited in opportunity when it came to making big scores as we only batted first twice in the games he played. Still though, make the most of any opportunity mate. A natural talent. Well done Ash.

Michael Visser

Another season punctuated by injury. The second in succession, although this one was out of his control. If Vis can limit these injuries and time away from the game he can push for 1st grade. I was so happy to have him in my side when possible as he rarely bowls bad balls and is a genuine wicket taker. The batting came a long way too this season mate... good to see!

Ronnie Davis

Ronaldo was as they say in Footy... "The signing of the Season". So valuable to have him around

as his experience, competitiveness and 'Fairfield Liverpool Mongrel' all showed the way on and off the field. He may be 44 but his body and desire to compete and help out the younger players will always keep him going. Took a special liking to a left arm bowler and Parramatta fan who shall remain nameless... not sure how this bromance will go when Ronnie departs for the UK though.

Sam Alexander

Another big wicket taking season for Sammoes. A real wicket taker who flights and turns the ball beautifully. If the hard work continues and the bad balls are limited, first grade in the future beckons. A humorous character and "selfie" addict that is so enjoyable to play cricket with. A great clubman. The batting has improved but keep working on it Sam, and the fielding too. Love your work mate.

Jordan Daly

What a season for "paddles". Last minute pick in Threes round one and smashes 150no. From there he never looked back and so many of our totals, chasing or setting were built around him. A clean striker of the ball who rarely throws his wicket away. Was fantastic to see him get a few games in 2nd Grade, not sure he would have set his sights on that at the start of the season. Congratulations on a fine season Jordan.

Sam Gainsford

Batsman? Bowler? I don't know. Do you know Sam? Technically good enough to play as a top 5 bat in threes but the scores are not there yet, you need to grab the opportunity and run with it no matter where you bat in the order. Steady season with the ball after finishing strongly in 2nd Grade. Would like to see more turn on the ball though, more wickets will come if you can

develop this part of your bowling. Still so young and with so much to learn and I hope this season you learnt something Sammy.

Jacob Graham

A big learning experience for Jacob this season, I hope. Started well but breaking his finger early in the season really set him back. I feel Jacob is a batting all-rounder at this stage but needs to keep his wicket for longer without throwing it away on 20 or 30. The big scores are needed mate, I know you have the hunger for them. The bowling opportunities were limited but the ability is there. So is the work ethic to improve and succeed.

After last season's high of winning the Club Championship there is no doubt that this season as a whole was disappointing. However we have had so many players this year playing higher grades than even they would have predicted, that it makes the future look extremely bright. From what I saw in 3rd Grade there is a fighting spirit and a will to win no matter what the situation of the game. So, to all the players who graced the 3rd grade sheds this season, as skipper I am proud of every one of you and you should be proud of yourselves.

Finally a special mention to Fiona Lyon. This club will never be the same without you Fi. We will all miss your smiley face and your passion towards our great club, its players and the Manly Cricket Community. It was such an honour to call you a friend and share with you the love of this game that brings so many people together.

Wishing everyone a happy off season,

Craig Little.

3rd Grade Captain 2012/13

Congratulations to St George on winning the 2012/13 Reid Cup.

4th Grade had an up and down season, with an inexperienced side looking to make their mark on grade cricket and attempting to emulate our Grand Final appearance from last year. Unfortunately it wasn't to be in 2012/13.

Our season began in disappointing fashion as we struggled to compete in the important and decisive moments in games. We ended up losing our first 3 games including an outright loss to ND's and all looked lost. It appeared that 4th Grade had fallen back into the habit of being the forgotten grade. However, we put this disappointment behind us and I was extremely proud of the character that was shown throughout the remainder of the season.

The turning point for us was our first win of the season against Parramatta in Round 4. Warren 'Wazza' Evans took over as skipper for the match as we grinded out a gritty win on the back of an impressive lower order partnership between Sam Alexander and Brad Wilson. However, the biggest story from this game was the emergence of club colt figure and local legend, Ronnie Davis. I watched from the sidelines as Ronnie destroyed Parra with 6 wickets, sparking our season. Even though Ronnie only played one game with 4th Grade, his contribution was enormous and he is one of the best blokes running around in grade cricket.

From that point up until Christmas, we scratched our way to two more victories over Sutherland (in a Grand final rematch) and Easts finding ourselves 3-6 at the break. There were two games in particular that eluded us, the first being against Gordon where an unbeaten 130 8th wicket partnership cost us 6 points. The second was against Randy Pete's and being rolled for 78 after being in a seemingly unassailable position; bowling them out for under 100.

However, there were still plenty of positives. Some of the other pre-Christmas highlights included:

- A classy 94 from Logan Weston, fresh off the plane from the UK in his first game back in Manly colours against his former club.
- The consistency at the top of the order from Tommy Sky including a well constructed 69.
- The emergence of Sam Alexander as the spear-head of our attack. In his games for 4th Grade before Christmas he took 12 wickets and was superb.

For me it was the second game after Christmas, coming off a loss that emphasises the improvement of the team and was our greatest highlight for 2013. We managed a respectable 226 against Bankstown feeling confident we could defend it. The game also marked the birth of Matt Cole as an opening batsman in 4th Grade who had an amazing run of form during the last 5 rounds. He made a fantastic

50, the highlight being back to back straight drives off the opening bowler for 4.

It was in week 2 of that game however that was most memorable. We welcomed Dave 'Nelly' Poskitt back to the club and he made an immediate impact taking 5 wickets and placing us in a fantastic position at 6-130 at tea. However, when the game resumed after the break it was game on as Bankstown grinded away and required just 20 runs to win with 3 wickets in hand. It was a moment of déjà vu from earlier in the season. The game was on the line; would we lie down and let 6 points slip or could we snatch victory at the crucial moment? Together, the bowling group, led by Nelly, showed that it was "No time for a lie down" taking the final 3 wickets for 11 runs. The 9 run victory was capped off by a superb run out from Brad Wilson who saluted the crowd with the "Hayne Plane", which did sour the win and I'm surprised that he wasn't charged with bringing the game into disrepute after the way the Eels went in 2012!! It was a win that I will always remember and is one that can always be drawn on from the memory bank in close matches for years to come.

From that point on, under the wise eye of Wazza, who took over as full time captain, we were faultless. In the next 4 games we were undefeated picking up 19 points with a draw against Campbelltown being the only game we didn't win. Therefore post-Christmas, we had just one loss, the lowest of all 20 teams in the competition. A fantastic effort!! In addition to this, our 25 points in the second half of the season was the second most collected by any team.

I'd like to make a special mention of Warren Evans who did an amazing job leading the side for the final part of the season. Not only that, but the assistance and calming influence you provided throughout the entire year. Thanks Wazza! Also to former coach Dean Gilchrist who presented me with the opportunity to captain and was influential in the development of our squad. Even though he isn't with us at the club any more the platform he created last year will continue to grow. Also to Loz, Wrighty and Juice, without guys like you the club could never run so well. Thank you all for your support. Finally to Shawn Bradstreet, juggling all your commitments to help out the club to return as club coach was admirable, and I look forward to continuing to work with you next year in conjunction with Crossy.

A big thank you to all of the boys who played with 4th Grade this year and made it an enjoyable experience.

Warren Evans

Wazza was my right hand man this year, highlighted when he took over as captain in the latter half of the season. As always he contributed again with the ball with 16 wickets (no surprises there), and at important times with the bat as well. He continues to be 'Mr Consistent' and I enjoy every time I play with the rock dog. Thanks for a fantastic year and everything that you brought to the table.

James Boyer

Butch had a mixed season with the bat, not helped by some really bad luck early on in the season. However, his keeping continued to grow in leaps and bounds and was especially noticeable when up to the stumps. James is a future leader in the club, and proved exactly that in our young side this year. I'm sure the runs will flow in 2013/14.

Tom Sky

Tom was the standout performer in the top order in the first half of the season for us. He made a silky 69 and a couple of other good 30's and 40's which proved vital. He always looks in command at the crease and has almost every shot in the book. It must have been difficult for Tommy this year, not keeping as much as he would have liked, but he never showed it. He is the ultimate team man and will be sorely missed next year.

Matt Cole

Matt emerged as a force to be reckoned with at the top of the order in the second half of the season. He finished with an impressive average of 46 and was vital in our late success. He showed his aggressive nature but really improved his shot selection and temperament. Well done on your breakout year Matty.

Sam Hole

Bouncing between 3rd and 4th Grade this year, Sam became a leading run scorer during our run of victories towards the end of the season. He found really consistency, scoring a couple of 50's and 40's always looking composed at the crease, as well as taking a bag of wickets. He showed his talent throughout the season and isn't far away from a 500 run season.

Chris Gardiner

Dingo joined us from Parramatta, via a season in shires after a shoulder reconstruction. He was a leader in the team playing as a batsman until his shoulder was strong again. When he was able to bowl, Chris terrified Gordon in a memorable performance taking 4 poles. Thanks for your experience and effort prior to Christmas Dingo.

Liam Tully

Liam had a very consistent season, scoring plenty of 30's and 40's batting at 4 for the majority of the year. He was called on to open the batting at times throughout the season and never complained. His fielding was first class; I don't remember him misfielding a ball all season. An impressive season and the big score is only just around the corner.

Brad Wilson

What an entertainer! Whether he's flicking balls off his pads for 4, throwing down the stumps or taking wickets, Brad is always good to watch. He was an integral part of our first win of the season with his 43 not out and was a consistent wicket taker throughout his games in 4th grade. He was always the guy to give us a lift when we needed it.

Sam Alexander

Sammy was one of our most important players this year without a doubt. His bowling has become a real force, his flight and spin is up there with anyone. His batting also improved dramatically from last year, averaging 20 odd this season. His enthusiasm and character is just as valuable in a team environment and made the season especially enjoyable. If I even needed a wicket I threw the ball to Sam and time after time he delivered. It was a pleasure playing with you mate.

Ryan Farrell

This year Ryan took another step toward showing that he is a true all-rounder. In a couple of games he took big bags of wickets and showed great accuracy for a leggie. Towards the end of the season he was

an important part of our top three batsmen and set the platform well time after time. He was an integral part of our winning finish to the season.

Will Jonkers

Although will was in between 4th and 5th Grade this year, he was a strong contributor in the latter part of the season for us. When he took the new ball, he was always in and around a good length. His bowling continues to improve and his aggression and competitiveness at the crease is a quality that will make him a very successful bowler.

Ben Falconer

Falcs was the most versatile guy that we had in our team this year. He opened the batting, batted in the middle order and bowled very valuable overs. It seemed like every time he bowled he picked up a wicket or two and continually contributed. Was always team oriented and never complained about the different roles he was asked to play for the team.

James Trickey

I wasn't around for many of James games in 4th Grade but he has the potential to be a really damaging middle order batsman. The highlight of his season with us would definitely be his 4 wicket haul. Look forward to seeing more of James up the grades next year.

Josh Sheedy

First year in grade cricket and he was fantastic. He was the most accurate bowler for us early in the season before injury struck. Sheeds definitely deserved more wickets than he took throughout the season. Despite how well he bowled, that still wasn't his greatest contribution to the team... The self dubbed 'Tea Captain' lifted tea standards around the world with the assistance of Sam Hole and Liam Tully his apprentices.

Also to all the other players who spent time in 4th Grade throughout the season including: Mickey

Visser, Corrie Boss, Adam Gummer, Joel Mason, Ronnie Davis, Dave Poskitt, Jacob Graham, James McClintock, Taylor Beatty, Arshdeep Viridi and Louis Anderson.

The 2012/13 season was a tumultuous one for the club however; I think it will improve the culture of the club and the character of the playing group. Between losing 15-20 players through injury and unavailability and then having a change in head coach it was always going to be difficult. For 4th Grade it was disappointing to start the season how we did, but to finish the year in such a spectacular style was awesome. Finishing 9th is something to

take away, as we were the best positioned team in the club. I was grateful for the opportunity to captain and to play with all of the guys mentioned above.

As significant as this club and the sport is to all of us, the importance of cricket was put into perspective this year with the tragic passing of a much loved member of our Manly family in club treasurer Fiona Lyon. You will be missed Fi.

Luke Grant
4th Grade Captain 2012/13

Congratulations to Gordon on winning the 2012-13 Dave Sherwood Cup for the second year in a row.

This season was very much a learning one for 5th grade, with most players either new to grade cricket, or with only a handful of grade games to their name. In all we used 29 players, ten of those, Under 16. Only five players were over 19, and four of those only played one game each.

We finished 16th, with four wins, and while this is a long way from the semis, in most games we were never a long way off the pace.

Thanks to our bowlers, we were competitive in most matches, and certainly our attack always looked capable of bowling us to victory. On most occasions however, we just didn't have enough runs on the board to give our bowlers a decent target. On those occasions when we passed 200, we won all games, as that was enough runs for our bowlers to finish the job.

Our bowling was always high quality, consistent and aggressive. There weren't too many occasions when bowlers had to be taken off because the opposition were well on top.

Our batting, on the other hand, was not so good. We had only six scores over 50 in the entire season. We have the talent; we just need to bring it each week. An indication as of what we were capable..... We beat St George in a 50 over match, their only loss in the main season. We made 231, as our batting clicked, with most of the top 7 contributing. This was more than enough for our bowlers, who shared the wickets to roll them for 125. St George's only other loss came in the final, to Gordon.

Gordon snuck home against us by two wickets on a green deck. Our quicks were outstanding, and at times the batsmen played and missed at everything. But we only had 140 on the board. Not quite enough.

We made 300 against Parramatta and won easily, rolling them for 150. They made the semis. So despite our lowly finish on the ladder, we produced enough positives to suggest that many players are destined for higher grade.

Benny Wickham

Played all 15 games this season, keeping, and opening the batting in most. Add to this his Green Shield and Junior Rep games and he proved what a durable player he is. Ben is a tough competitor and both his keeping and batting are reliable and continue to improve. To go the next level as a keeper, he just needs to take the half chances. Benny had a few good scores without getting past 50, but as he matures (grows?) over time, he is a future higher grade batsman and keeper. He has safe hands as a fielder too, with a couple of sharp snares in close against Gordon.

Joe Graham

Ben's opening partner in the second half of the season and is still available for Green Shield this coming season. Joe hits the ball cleanly through the off-side and is not afraid to go down town to the spinners, using this to perfection in his hard hitting half century against St George.

Toby Poole

Alternated between 4s and 5s and impressed towards the back end of the season with his dedication to training, resulting in increased results. 'Pooley' scored a match-winning 62no against Bankstown.

Harry Rogers

Started the season as an opening batsman, bowling a few offies, and ended as the number one off-spinner, batting in the middle order. Harry has a good technique and can strike the ball with power as he did against St George, but unfortunately his batting was inconsistent. His off-spinners improved

noticeably as his confidence grew. He took the season's only 5 wicket haul, against Sutherland.

Jack Garay

Despite immense natural ability, couldn't convert this into big scores. His major contribution was a valuable 43 against Parramatta, when we were in trouble, changing the momentum to allow us to build a big total. Probably the safest hands in the team, his slip and gully fielding were missed in the second half of the season. His bowling is surprising.

James McClintock

In his first season in grade, James started with some promising batting, and played a few games in 4s. However by season's end, James was more a bowling option, with a happy knack of making breakthroughs. While rarely the most economical bowler, 'Jimmy' would often follow some wayward deliveries with some absolute jaffas! James is a good listener, and has the ability to progress through the grades as an all-rounder.

Will Jonkers

Spearheaded the bowling attack for much of the season, before having a few games in 4s. 'Jonkers' bowled with great accuracy and pace for much of the season, troubled all batsmen and was rarely carted. A late order hitter, Jonkers played one of the season's finest innings, making 58 as an opener, impressing Dollars and other good judges with his crisp striking and sound technique. An asset in the field, and a good man for team spirit, Jonkers always keep the vibe interesting, talking incessantly at anyone who will bother to listen!

Zach Trewartha

Our other opening bowler. A genuine swing bowler, Zach topped the aggregate and average by picking up regular top order wickets, nicking off the opener on many occasions. Only sloppy slips catching stopped Zach from recording better numbers, (in

one game 4 chances went down). A clean striker of the ball, with a good technique, Zach has the ability to progress up the grades as a new ball all-rounder.

Justin Knight

Justin bowled the most overs for us this season, and bowled great lines in virtually every match. 'Knighity' is one of the best trainers in the club, a great listener and a great team player. Despite a long season with Green Shield, and a mid-season tendency to get a little wide, Knighity rarely went down leg side and was a constant worry when in and around off-stump. As he grows into his frame, he will get quicker and his height will be of great benefit. Knighity should be a great asset to the club in coming seasons.

Andrew Glassock

Another new boy to the team who made the trip from the central coast each week. At times the quickest of the bowlers, 'Sac' (do all Glassocks get this nickname?) always gave a 100% and always looked likely to take wickets. Sometimes bowled a little short, when he was tired, or tried too hard, but this season will stand him in good stead going forward. A solid lower order batsman who may be capable up the order.

Tom Nickoll

Played a few games at the back end and instantly became part of the team. He bowled with great control and bagged 4 wickets in his second match against Blacktown. A perfect build for a fast bowler, he's great team man, and may develop into something special for the club in years to come.

James Trickey

One of the cleanest hitters I've ever seen, he demolished Parramatta with a 35 ball half century. Combine this with his wobbly (very) slow mediums and he is a likely cricketer.

Ben Falconer

Took valuable wickets & troubled all batsmen in his 3 appearances. A talented batsmen, Ben knows he needs to make runs to progress up the grades.

Matt Cole

“Virat” averaged 30 in 4 games and looked the goods. A sweet driver, Matt cemented a spot on 4th grade by season’s end. Useful left arm bowler.

Jake Fraser

Unfortunately Jake didn’t make enough runs to stay in the team, but on his day he can hit the ball a long way. A great team man and popular around the club, we hope he finds some form in coming seasons.

Andy Mahn

Played 2 games making solid contributions with bat and ball.

Braden King

Still finding his way, but had some outstanding results in junior cricket.

Despite a lowly position on the table, the team spirit never suffered. The team were always upbeat always good fun, always noisy. It was a pleasure to be captain and be part of it.

The boys will have learnt something from the season and I know many are hungry for success next year, and keen to improve their own games.

Thanks to all the coaching staff during the season, to Wrighty for coordinating training, and a special thanks to Joel Mason for his all-round club work, but also the selection process each match. Thanks also to David Gainsford, Greg Boyer and Micky Day at Warringah Shires, for co-ordinating the Pathway, and accommodating the last minute selections. Indeed thanks to the Shires club for the great environment at Weldon Stadium.

My huge thanks to the parents who delivered, cooked and usually served afternoon tea at Mick Pawley Oval. I can safely say our afternoon teas were the best in the comp.

Special big thanks to Donny Dollars. Despite a couple of falls, a trip to hospital, searing heat, cold, rain, dodgy umpiring, and a few other “catastrophe’s “ Dollars made it through the season. (I did think Jonkers incessant noise was going to kill Donny...but he survived). Donny was a big help reminding me of the things I would forget, and all the things off the field that needed to be done, as well as occasionally (often) making suggestions for what needed to be done on the field ! Donny has a great passion for the game, and in particular for Manly, and we appreciate your work Donny.

Just like to finish by congratulating all the players in other grades. Despite a lean year I think we are well placed to climb up the ladders next season.

Ross Trewartha

Congratulations to Parramatta on winning the 2012/13 Poidevin Gray Shield

Going in to the 2012-2013 Poidevin-Gray season there was a quiet confidence amongst the group that we would be contenders for some silverware. The majority of the squad consisted of players from the previous season with the addition of wicket-keeper Andrew Lowe, opening bowler Mickey Edwards, batsman Jordan Daly and the return of Logan Weston.

The season didn't get off to the start we wanted with us losing our first two T20 games; one of them we lost with 2 balls to spare, and the other in a super-over. We then carried this form into the 50 over game and lost our first two; one of which we lost chasing 166 runs on a road. At this point we were out of finals contention, and with nothing to lose we started to play our best cricket winning the remaining three games and finishing 10th on the ladder.

Looking back on the season it was a frustrating one because out of those first four defeats we could of easily won three of them, the only convincing loss was to Parramatta who ended up winning the comp. With these extra wins we would have made the finals and I believe given it a good shake with the talent we had in the side.

Andrew Lowe

Lowe was a new addition to the team and club this season and had a season to remember. He won the PG's batting award scoring 233 runs @ 38.83, and was the most consistent batsman in our side getting us out of some tough spots and enabling us to post some decent scores. He also took the gloves this year and was brilliant, making one of the best stumping's I've seen. Well done this season Lowe you should be proud of your performance.

Matthew Alexander

Mattos struggled this year pretty much bowling on one leg however you wouldn't have known it with him still managing to win the PG's bowling award, taking 10 wickets @ 13.00. This shows the class of the man and it's scary to think how good he can be when he is fit. Well done this season Mattos, you had a great season and showed what a team man you are.

Javed Badyari

Javed was a big part of the PG's team this year and is a real team player. He didn't have the season he would have wanted however still managed to lift and encourage everyone in the field and motivate people when times were tough. He showed his class with a brilliant 68 against Hawkesbury to put us in a winning position. It was a pleasure having you in the team this year Jav you made my job a lot easier with your motivation in the field.

Tom Kaye

It was a tough PG's season for Tom this year. He was hitting the ball well but was finding ways of getting out and found himself in and out of the team. However when he got recalled into the side he made a terrific 40 when the team was struggling which enabled us to post a decent score and ultimately win the game. This just shows the type of guy Tom is. He is a true team man and it's always a joy to have him around the team. You held yourself well this season Tom and I look forward to seeing you score plenty of runs in seasons to come.

Jordan Daly

It was Jordan's first year of PG's this season and he held his own well, making several contributions throughout the year. He often came to the crease in the final overs and had the tough task of scoring quickly from the start of his innings. Well done this year Jordan I think you learnt a lot about playing PG's and look forward to seeing you improve in the next couple of years.

Taylor Beatty

Taylor had a great all round PG's season contributing with both bat and ball in most games this season. His highlight with the bat was his majestic 73 against Sydney which went a long way too our first victory for the season. Well done this year Taylor you were a big part of the team and should be proud of your performances.

Luke Grant

This season Luke showed everyone how talented he is. In a bowling attack that had several first graders Luke ended up being our most consistent bowler and top wicket taker with 14 wickets. I could really rely on Luke this year with the ball and he ended up being my go to man when the opposition started to get on top. He also contributed with the bat this year making some handy runs when we really needed it. You had a great season this year Luke, you

showed everyone what you can do and you should be very proud.

Sam Webber

Sam came into the PG's side for the 50 over games and was put straight into opening and did well. I enjoyed opening the batting with Sam and it was evident that he had grown in confidence with the bat from previous seasons. Well done this season Sam it's not easy being in and out of a team but you held yourself well and should be proud.

Nick McLachlan

Nick was probably our most unlucky bowler this year, he should have got more wickets than he did but on most occasions was too good for the batsman. His tight bowling was a key aspect to our side, enabling the bowler at the other end to get the wickets. Well done in your final year of PG's you really showed your leadership qualities around the group and made my job a lot easier.

Mickey Edwards

Mickey was in the same boat as Nick this year, he was extremely unlucky and most of the time too good for the opposition. He showed a lot of promise taking the new ball and worked well with whoever was bowling at the other end. Well done on your first year of PG's you contributed well throughout the season and I look forward to seeing you progress next year.

Dylan Marshall

Once again Dylan had a solid season this year with the ball, being our 2nd top wicket taker with 11 wickets. He consistently took wickets throughout the year at crucial times and was a big part of the team. Well done on another good season.

Logan Weston

Logan only played the last 2 PG games this season because he was in UK for the start of the season. However in these 2 games he showed his class and was a leader in the group. Thanks for finishing the

PG's season with us; it was enjoyable and great to have you back at the club.

Finally I would just like to thank everyone that helped the team out and supported us this year. I'd like to thank Sam Alexander and Jarrod Rawlings for doing the 12th man duties throughout the season. 'In particular I would like to thank Dean Gilchrist for his efforts in the season and a half he was with the club, David Gardiner and Alan Wright for all their hard

work on game day organising everything so us players can just rock up and play and Geoff Rodgers for scoring throughout the year.

It was a season of ups and downs for the PG's boys but we all stuck together and it was really enjoyable playing with a great bunch of blokes.

Mitchell Pugh
Poidevin-Gray Captain 2012/13

13 th	Manly-Warringah	7	0	3	1	3	0	64	654	61	840	18

Congratulations to Fairfield for winning the 2012-13 AW Green Shield.

We had high hopes this year, like most other years. But in the end, this year mirrored last year, we lost the first 3 games, which effectively put us out of the competition.

But we came home strongly, played some tough cricket in the last 3 games to win. Even though we were out of the competition, the boys played with great pride, enjoyed themselves, and were a credit to themselves and also the club.

Batting was our problem. We knew we could bowl sides out, and basically that's what happened. Despite a washout, only 2 teams took more wickets than us. We bowled out every opponent. All bowlers contributed, and we showed great resilience at various times to bring the opposition batting back from strong positions.

Our fielding was always high quality, and we produced a large number of run-outs (8) during the competition.

The highlights of our season were the 3 wins, where we defended totals with some controlled bowling and outstanding fielding. The fact the boys improved with each game was also a good indication of the spirit within the team and the desire to finish strongly despite the poor start.

Sam Gainsford

The team was captained by Sam, who was also our leading performer with bat and ball. Sam's batting is always aggressive, although he adapted well at various times, showing patience to build an innings and get us to competitive totals in many games. His left arm spinners are always dangerous and rarely expensive, while his fielding and catching is outstanding.

Zach Trewartha

Always dangerous with the new ball, Zach picked up consistent top order wickets. A clean striker of the ball, Zach's extravagant 52no in 40 balls against Sydney was a match winning performance. Combined with athletic fielding, safe hands and a strong arm, Zach has always been an outstanding performer for this team.

Ben Wickham

Our keeper who has proved as durable as any player over the years. Benny's keeping continues to improve and he made some wonderful stumpings during this tournament. Reliable standing back, he just needs to take the screamers to move to the next level. Benny's batting was probably disappointing for him, but he was part of the match-winning partnership against Sydney, making a run a ball 22no.

Daniel Plant

One of the toughest cricketers you'll come across, Dan's dedication is being rewarded with some

consistent performances this season. Dan played a match winning innings of 55 v Parramatta, on a very difficult pitch with a slow outfield. He is an outstanding fieldsman in any position, showing courage and ability to run out many an unsuspecting batsman.

Andy Mahn

Brought good form into the tournament and would have been disappointed with his batting. Andy took useful wickets v Parra, and always bowled with control. Good hands and arm, Andy is a potential grade all-rounder.

Jake Ellis

Jake came into the team after 2 games and proved consistent with the bat, finishing second in both aggregate and average. Jake works hard on his game and has the determination and ability to progress to higher levels.

James McClintock

James's batting fell away during the season but his bowling always has that wicket-taking knack about it. Indeed he took 3 vital wickets against Parramatta, and was able to make important breakthroughs in other matches.

Braden King

Coming into the side after 2 games, Braden scored a vital 49 v Mosman to set up our first solid total of the tournament, and help turn confidence around. Reliable fieldsman with a strong arm and a useful, well-flighted leg break bowler.

Jack Murphy

A solid opening bat, with a sound technique and unflappable temperament, Jack made a vital contribution against Uni NSW to set up a competitive total on a difficult pitch. At times the quickest of our bowlers, Jack proved a valuable death bowler, bowling full and straight.

Justin Knight

The best trainer in the squad, Justin was always reliable with the ball, and claimed his best figures of 4-32 vs Hawkesbury. A relative newcomer to cricket, Justin's development has been nothing short of sensational, and he has been a strong performer in Green Shield and grade this season. His batting remains solid, if only he could get up the order!

Luke Parkinson

Luke has a good cricket brain, and is a clever bowler, adapting his left-armers to pitch conditions with either swing or cut. Typical of Luke's bowling was a 6 over spell v Parramatta of 1-1, which turned the screws, and ultimately resulted in their total destruction. Gower-like with the bat, when required.

Byron Leach

A lively left-armer, Byron impressed with his wicket-taking ability and took the best figures for our team, with 4-13, against Uni NSW, as they capitulated to lose 7-50, and the match. An aggressive lower order bat, 'Baz' is available for Greenies again next year, so we look forward to him spearheading the attack!

Joe Graham

Joe is another player also available next year is. Despite missing out with the bat in Green Shield, made some valuable contributions in 5th grade and has a bright future.

Nic White

Was only available for 2 games due to his love for the Japanese culture, however his off-spin, hard-hitting batting, and remarkable enthusiasm, made him a valuable asset to the team environment. We look forward to big things from Whitey next season

This has been a close knit age group for many years, with a wonderful support network of parents as

managers, coaches, helpers and friends.

The boys have been a pleasure to coach, and they are a wonderful group to be around. I am extremely proud of their development as cricketers, but more importantly, their development as young men. They have bright futures both on and off the field.

They have done both Manly Grade and Warringah Shires clubs proud, by their attitude, team spirit, loyalty and demeanor. On more than one occasion, Umpires commented about these attributes, and the spirit in which matches were played.

To all Manly players and the committee, who have supported this campaign, a big thanks. Special thanks to David Gainsford and Greg Boyer, for help

with coaching and managing, and also Bruce Wickham and John Parkinson for their massive work over the previous seasons. Also, to Tom Kelly from Shires for giving up a lot of his free time to help coach the boys.

Also thanks to Donny Dollars for his support, and to Gordon Currie for scoring again this season.

To all the boys (and parents), it's been a great ride through junior cricket over the past 7 years, and I wish you all the best of luck with your cricket, and look forward to all of you making your way through the grades in coming seasons.

Ross Trewartha
AW Green Shield Coach 2012/13

David Gainsford Life Membership

On Friday 12th April 2013, David Gainsford was inducted as a Life Member of the Manly Warringah District Cricket Club. He is the 48th person to be given Life Membership in our 135 year history.

David joined Manly from his home town of Narromine for the 1985-86 season after being spotted by Club legend and fellow Life Member Mike Pawley. Upon joining the Club as a leg spinning all-rounder, David soon found his calling as a fast bowling all-rounder, and ended up making his first grade debut in 1989-90.

All in all, Gainsy scored 2,500 over 11 years on the playing fields at Manly, averaging 19.69 (which included 1 scintillating 119 in 2nd grade). He took 275 wickets at 22.92 including 12 five wicket hauls and a best of 7 for 22. He won one premiership and one Club Championship.

But it is as a coach and an administrator that Gainsy will be best remembered. He was assistant coach in 2006/07 before becoming the head coach in 2007/08, one which he held for 3 years.

Gainsy has been on the committee for 7 years in 1993/94 and from 2006/07 until present. He is the instigator of our enormously successful pathway program, and has been instrumental in the close relationship between Manly, Warringah Shires and our Juniors in the last 5 years.

But enough stats. Gainsy is someone that people follow. His warm heart, generosity and honesty are there for everyone to see. He has a huge passion for cricket in the local Northern Beaches area, and you can't do what he does without that passion.

He is loyal, kind and welcoming, a player from the bush who has made Manly his home.

At the 2012/13 presentation evening when David was awarded his Life Membership, he spoke about his love for his family and his friends. Manly Warringah District Cricket Club see's David Gainsford as a friend, but is also part of our family.

Congratulations David on this amazing honour.

Tim Cruickshank Run Scoring Record

Tim Cruickshank has overtaken Eddie Robinson to be our highest ever run scorer of all time.

Tim passed the record in Round 11 against Bankstown with a score of 39, exactly one run more than Eddie. However, to get that one run more took Tim a whole 90 innings less than Eddie, and in fact currently stands as having at least 33 less innings than any of the top 4 run scorers in Manly's history.

His numbers over the last 5 years are astonishing. Since 2008-09, his yearly aggregate reads 809, 992, 942, 581 and 838. Amazing stats that only probably Greg Mail has come close to in recent memory. They show just how dominant a first grade batsman Tim has become.

Debuting in the 1997-98 season, Tim played a full year in 4th grade before being promoted to 2nd grade in 1998/99 and making his first grade debut later that year as a 16 year old. In-fact, Tim is the 5th youngest 1st grade debutant in Manly's history at 16 years and 199 days.

Tim has gone on to play first class cricket for NSW and T20 cricket in the Big Bash League after coming through all of the state age group teams. He is our current 1st grade skipper, and has a passion for Manly unequalled by most. Throughout his career, Tim has had fair amounts of money thrown at him by other clubs, not to mention the odd side benefit. However Tim has stayed loyal to Manly over the last 16 years, and will continue to do so up until his retirement from Grade cricket.

However, at 31 there are still many years ahead of Tim in his pursuit to win a first grade 2 day title. His run tally at the end of those seasons could be anything.

The celebration of Tim's run scoring feat at the 2012/13 presentation evening was a fantastic occasion. Flanked by his family & good mates, Tim spoke of his passion for the club and the people that have made the journey all worth-while. He was preceded by good friend Shawn Bradstreet who introduced Tim and reminded everyone of his great numbers and loyalty.

Congratulations once again Tim Cruickshank, well deserved highest run scorer in Manly history, a record that when it ends will take some beating.

Please Note: A full statistical analysis has been undertaken, including adding in one day stats from which had not previously been added, as well as comparing to official SCA records. Thus some stats will have changed from previous Annual Reports.

Please Note: Above numbers include all 1st Grade One Day stats from 1992-93 onwards, as well as all 1st Grade T20 stats.

Please Note: 2011/12 Poidevin Gray stats were incorrectly included in the 2011/12 Annual Reports Career stats. This has been corrected in the above stats. They do not include any Poidevin Gray or Green Shield statistics.

23	Ken Waterhouse	1950-1962	1,476.2	237	4,809	317	15.17
24	Shane Cleary	2001-2011	2,134.2	341	7,592	311	24.41
25	Rudi Burattini	1989-2001	2,317.4	500	6,352	305	20.83
26	Jamie Heath	1996-2004	1,981	446	5,602	300	18.67

Please Note: A full statistical analysis has been undertaken, including adding in one day stats from 95/96 and 96-97 which had not previously been done, as well as comparing to official SCA records. Thus some stats will have changed from previous years.

Please Note: The above numbers include all 1st Grade One Day stats from 1992-93 onwards, as well as all T20 stats.

Best Performances Last 10 Years

FIRST GRADE

Category	Name	Record	Year
