POIDEVIN GRAY COMPETITION.—Your Club again entered a team in this competition. It is hoped that better results will obtain in the coming season.

JUNIOR CRICKET.—The congratulations of your Club are extended to Collaroy on winning the A Grade, Queenscliff the B Grade, and Balgowlah Footballers the C Grade Premierships of the Manly Junior Cricket Association.

As in past seasons, the Juniors, together with the various Manly Schools both public and private, availed themselves of the privilege of practising at the nets, afforded them by your Club.

PRACTICE.—Your Club is again indebted to Mr. G. W. Lowe, for the excellent manner in which he controlled the net practices during the season.

DELEGATES.—Your Club's delegates, Messrs. R. A. Oxlade and L. W. Gwynne, were regular in their attendances, Mr. Oxlade being elected as Chairman of the Australian Board of Control, as well as Chairman of the Executive Committee of the N.S.W.C.A.

MATERIAL.—As in past seasons, your Club's teams were again supplied with the best material, which gave general satisfaction. Material to the value of £45 is available for the coming season.

GROUND.—The condition of the ground and wickets was a tribute to the care and attention of the Curator, W. J. Gage, who endeavoured at all times to produce the best of wickets.

THANKS.—The thanks of your Club are due to the Manly Council, Hon. Auditors, Miss McKenzie, and "The Manly Daily," to the Secretary and Staff of the New South Wales Cricket Association, for their kindly assistance to your Club's Hon. Secretary; also to Mesdames H. and G. Austin, for their services in dispensing afternoon tea to the players.

REPRESENTATIVE PLAYERS.—The congratulations of your Club are extended to L. Bennett, who played for the New South Wales Colts against Queensland, and to B. Adrian, who toured the Country Districts with the Association Team.

SOCIAL.—During the season your Club held a most successful Smoke Concert. All who attended voted it a most enjoyable evening.

GENERAL.—The congratulations of your Club are extended to Mr. R. A. Oxlade, on being mentioned in the list of New Year Honours, having the title of C.B.E. bestowed on him. During the season the Sun-Palmer Coaching Scheme was established in Manly, under the able supervision of Messrs. L. W. Gwynne and G. W. Lowe. From the number of youngsters who attended these classes, your Club should secure the champions of the future.

Your Committee is endeavouring to secure a second turf wicket in Manly. With the necessary support of the Council, it is hoped that this will be accomplished in the near future.

For the Committee,

G. AUSTIN,

Hon. Secretary.

REPORT OF THE FIRST ELEVEN—By A. W. Ross.

The season under review has shown an improvement in the position of the First Eleven on the competition table. Greater success would have attended our efforts only for our failure to drive home an advantage. Frequently we were in a winning position, but failed to sustain our efforts, and the match slipped from our grasp.

The batting was fairly consistent, Les. Gwynne's 68 against Glebe on a bad wicket, and Bruce Cook's 100 against Gordon being outstanding performances. The bowling was steady, but we lacked the services of a slow bowler to add variety to the attack. The fielding was patchy, and at times was responsible for our downfall. Les. Gwynne, with 14, took the honours for the greatest number of catches.

In conclusion, I desire to thank the players for the support they accorded me while I captained the side, and also to convey to Mrs. H. Austin the thanks of the players for her kindness in preparing afternoon tea, for the members of the local side, as well as the visitors.

REPORT OF THE SECOND ELEVEN—By C. K. Hayman.

The inconsistency of the batsmen and the failure to place balanced sides in the field, is the story of the Club's Second Eleven's lowly position. Until these faults are remedied, the side cannot hope to do much better, though a number of matches were lost by the narrowest of margins.

Individually, some good batting performances were recorded—by W. Graham 92 runs, E. Rofe 80, C. Hayman 82, C. Searle 55, and J. Yeldham 55—all these were unfinished efforts.

The wickets were shared by a number of bowlers—C. Hayman with 22, W. Lynch 18, W. Hoy 15, and J. Yeldham with 12, were the most successful.

The quality of the out cricket is evidenced by the fact that 60 per cent. of the opposing batsmen were caught. Outstanding, and what probably constitutes a record, was the remarkable performance of E. Campbell, who held no less than seven catches in one innings v. Balmain.

In conclusion, I wish to record sincere appreciation for the loyalty and unselfishness of those Club spirited players who gave of their best for the Club during my association with the team, in the latter part of the season, and under trying circumstances. The Club must go ahead if more members can be found with this spirit, and fears for our future success will be groundless.

REPORT OF THE THIRD ELEVEN—BY H. Cooke.

Reviewing the season's results of the Third Grade Team, we find the standard of play was not up to expectations. Once again the position of the team in the competition table was very low.

Throughout the season it was the misfortune of the side to have a great many calls made upon it by the Second Grade Selectors. This fact entirely militated against a match winning combination being worked up.

Although making a late entry in the season, P. Lowe made 319 runs, at an average of 53.10. This is a very creditable performance. C. Searle again gained the aggregate, with 360 runs.

The bowling this season was not as consistent as that of last season. This was mainly due to the many changes caused by selection in higher grades. E. Stone with 15 wickets, at an average of 17.92, secured the bowling average; whilst N. Campbell, with 16, recorded the greatest number of wickets.

I do think that it would be as well for those young members of the team, who are desirous of improving or maintaining their standard of play, to bear in mind that there is nothing like practice to achieve this aim.

I wish to thank those players whose loyal co-operation at all times made the task of captaincy a pleasant one.

REPORT OF THE SHIRE ELEVEN—By F. Stedman.

The past season was not a successful one for the Shire Eleven, although on several occasions we pressed our opponents very closely, being just "pipped on the post."

H. Tompson headed the batting averages, being closely followed by L. Bertinshaw, who secured the aggregate. L. Wood was the only century maker, compiling 116 against Lindfield, while H. Carruth's 75 against Ryde was the next best score.

J. Wilson headed the bowling average, the runner-up being R. Bolton, while F. Stedman secured the greatest number of wickets, viz., 20.

In mentioning the names of Pax Trimm and Jimmy Wilson, I bring forward the names of two lads who are still under 16 years, and who have in their first season recorded excellent performances. Both are excellent fieldsmen, and Pax Trimm is, in addition, a promising left-hand bowler.

Taken right through the season, our ground fielding was good, but the catching was not up to standard.

As in previous seasons, the absence of a home ground was badly felt, and in my opinion was responsible for the names of 34 players figuring in the Shire side.

I desire, in conclusion, to thank the players for the support and co-operation they afforded me during the season.
