62nd Annual Report and Financial Statement

To be submitted for adoption at the Annual General Meeting, to be held in the Sporting Union Rooms,
The Oval, Thursday, 11th July, 1940, at 7.45 p.m.

GENTLEMEN,

The General Committee has pleasure in presenting for your adoption the 62nd Annual Report and Financial Statement.

Your Club fielded five teams in the Competitions. Four in the Grade Competitions, one in the "B" Shire Competition; in addition, teams were fielded in the Poidevin-Gray Competition and A. W. Green Shield Competition for Schoolboys. The teams finished in the following positions:—1st team, 12th; 2nd team, 14th; 3rd team, 15th; 4th team, 6th; Shires, 9th; Club Championship, 16th.

Your Committee desire to thank the respective Captains for the manner in which they carried out their duties.

FIRST ELEVEN.—This team played 13 matches, winning 5, drawing 1, losing 7. The selectors continued their policy of previous seasons by placing their confidence in younger players. A team was assembled that regarded the season in the nature of a crusade. The draw did not favour them, meeting Waverley and St. George, two of the strongest teams, in the first two rounds. In both cases they batted on rain damaged wickets. After these early reversals, however, the side rallied splendidly.

V. Trumper's splendid bowling performances, capably supported by G. Lewis and F. O'Donnell, were largely responsible for the improved position of the team. Had the batting been more consistent, as it was in the previous season, more matches would have been won.

Your Committee desire to place on record the excellent bowling of V. Trumper. He had his best season since joining the Club. He clean bowled 26 batsmen, and proved an ideal opening bowler. His effort in the first innings against University was chiefly responsible for an outright win for his side. It was indeed unfortunate that no opportunity was given this fine bowler of displaying his ability in higher class of cricket.

B. Cook secured the batting average and scored the most runs. His slip fielding was a great asset to the side. He took the most catches in the season.

E. Robinson is considered the most improved player. He scored 475 runs, playing with aggressiveness at all times. As a bowler he also showed improvement. This player has a bright future.

E. Smith does a great job in facing the new ball. His value to his side must not be judged merely on the number of runs that he scores. He, however, scored 410 runs, which was a good effort.

H. K. Lawson again captained the side. His batting was considerably impaired through two hand injuries he received.

SECOND TEAM.—This team played 13 matches, winning 4, and losing 9.

B. Watson, who again captained the side, was the most consistent batsman, scoring 513 runs. G. Austin captured 40 wickets, and B. Adrian won the average. C. Hayman showed splendid slip fielding ability—he held 23 catches. C. Harris, the veteran wicketkeeper, who kept in 8 matches, made 11 catches and 11 stumpings.

THIRD TEAM.—This team won 2 matches outright, lost 10, and drew 1.

J. Coape-Smith won the average, and H. Cooke secured the aggregate. The bowling honours were won by W. Hoy, winning the average and securing the most wickets.

FOURTH GRADE.—This team was the most successful of all teams, winning 6 matches and losing 6, finishing sixth in the competition table. It will be remembered that this team finished at the bottom of the table last year. The Club's thanks are extended to V. Taylor, who in the early part of the season captained the side, and to N. Saville, who carried on in the latter part of the season.

SHIRES ELEVEN.—This team won 2 matches outright, won two on the first innings, lost 3 outright, lost 4 on first innings, lost 1 on second innings. The captain, E. Lancaster, who did creditable work in holding the side together, won the batting average, secured the aggregate in scoring 430, and made the highest score for the season, scoring 77 against Burwood.

W. Bassett secured an average of 12.9 a wicket, 65 wickets, being the most wickets for the season.

I. Campbell bowled well in taking 33 wickets at an average of 18.3 runs per wicket.

POIDEVIN-GRAY.—This side did not have the success of which it was capable; nevertheless the players enjoyed their cricket. D. Frazer, who captained the side, scored the greatest number of runs, and also won the average. His innings of 98 not out against Glebe and 95 against Mosman were fine efforts. E. Robinson, in running second to his captain in the batting average, and winning the bowling average, played a useful part for this team. Other young players, such as E. Smith, J. Hodgson, E. Little, had at least one useful individual performance.

A. W. GREEN SHIELD TEAM.—It was decided by the parent body to run this competition from the beginning of January and finish in December. The team did not show up as well as in previous year, the boys being much younger than those of previous years. The averages for this team will not be available till next season.

SUCCESSFUL CLUBS.—Your Club extends heartiest congratulations to the following Clubs:—St. George, in winning the 1st and 2nd Grade Premiership and Club Championship; to the consistent Western Suburbs Club, in winning the 3rd and 4th Grade Competition; Lane Cove, "A" Shires; Epping, "B" Shires; Glebe, Poidevin-Gray. We also offer the winning clubs in the Manly and Warringah Association, particularly the Daily Telegraph Shield and Martin Shield Teams, in entering their respective finals.

PLAYING AREAS.—The Committee desire to again express its appreciation to the Manly Council and Staff, for assisting your officials to stage District Cricket on the Manly Oval. We also thank the Warringah Shire Council and Staff for providing wickets at Brookvale for the minor grade matches.

INCREASED ATTENDANCES.—Figures showed that the attendances increased by more than 50%. The improved play of the 1st Team, combined with attractive fixtures allotted to the Manly Oval, were the chief contributing factors.

PRACTICE AT NETS.—Practice at the nets was splendidly attended by the players, thereby demonstrating their enthusiasm. Indeed, it is considered that attendances compare with those of any other Club.

PRACTICE CAPTAIN.—The Club members appreciate the excellent work that Mr. Tom Madden is doing as Practice Captain. He is becoming a definite part of the Club, to which he has endeared himself to every member.

VICE-PRESIDENTS' MATCH.—Your Committee set aside Manly-Mosman fixture to welcome Club Vice-Presidents. The fixture proved a most attractive one, and resulted in a win for Manly. Mr. Stan McCabe, the State Captain, appeared for the first time on the Oval. Your patron, The Hon. P. C. Spender, M.H.R., attended the match, including a number of Vice-Presidents.

N.S.W. CRICKET ASSOCIATION.—Your Club was able to take advantage of the new rule as to replacing players on Military Service. In the Gordon match, R. Browett replaced E. Stevens, who joined the A.I.F.

The one-day fixture against Petersham, caused by playing the patriotic match on the other day, was interesting, the general impression of the players being that the two-day matches allowed for better cricket on the whole. In a one-day match, there is too much "cricket bustle," and too much advantage resting with the toss.

CRICKETERS' CLUB OF NEW SOUTH WALES.—The Cricketers' Club has been formed for the purpose of promoting social intercourse and good fellowship amongst players and persons interested in the game of cricket. Membership is open to members of affiliated clubs and associations, and to all players and supporters of the game. The annual subscription is £1/11/6, plus an entrance fee of 10/6.

DELEGATES.—Your Delegates were regular in their attendance at the meetings held by the N.S.W.C. Association. Your President, Mr. R. A. Oxlade, was again elected Chairman of the Executive, and a Delegate to the Australian Board of Control. Mr. L. W. Gwynne had the honour bestowed on him, by the delegates of the N.S.W. Cricket Association, to Manage the Sheffield Shield Team on tour of South Australia and Victoria in December, 1939.

AFTERNOON TEA was again capably served to players and supporters throughout the season by Mrs. Harold Austin. We extend our grateful thanks to her for carrying out this all important work.

AUDITORS.—We again record our appreciation and thanks to Messrs. J. Searle and G. Dunlop for again carrying the Club's audit of the financial position.

THANKS.—Your Committee desire to thank the team secretaries for work done in the respective teams, especially Mr. Harold Austin who, for some years past, has carried out efficiently this duty for the first team. Words cannot adequately express how much his services are appreciated by the players and committee. His keen desire to foster the welfare of the First Eleven never dampens his effort, even when the side fares badly, to carry on. There would be no happier person in Manly than Harold to see the Premiership Flag flying on the Oval pavilion some day. The Members of the First Eleven presented him with a gift, showing in a small way, a mark of their appreciation.

PRESS.—To "The Manly Daily" in particular, coupled with the name of its representative, Mr. Hamilton, we offer our sincere thanks for supplying necessary publicity and result of matches.

TO "SEA-KAY," our Publicity Officer, we also tender our thanks, for supplying the members all club activities, through the paper.

SOCIAL EVENTS.—The Club held the Annual Dinner on the last playing Saturday. Despite the wet night there was a good attendance of members. Old friendships were renewed, and a delightful re-union took place. Two picture nights were also arranged that increased our finances.

ENLISTMENTS IN A.I.F.—Your Committee has resolved that Club members who have enlisted or later enlist with the Australian Imperial Forces for active service abroad be made Honorary Members for the duration of the war, and that each Member be advised by letter of this resolution.

The Hon. Secretary would be glad to hear of any Members who have enlisted for overseas. All names and addresses are required for record purposes.

CONCLUSION.—We are now in the throes of an international disturbance, never before experienced by the peoples of the world. What will happen to our game next season, in so far as club activities are concerned, has yet to be decided. A number of our members have joined the Australian Imperial Forces, and the Club may be forced to rely on older members to play till our gallant men return.

For and on behalf of the Committee,

R. A. OXLADE, President.

L. W. GWYNNE, Honorary Secretary.

"And in all times of our distress,

As in our triumph too,

The game is more than the player of the game,

And the ship is more than the crew."
