## **118<sup>TH</sup> ANNUAL REPORT**

To the members of the Manly Warringah District Cricket Club Inc.

The Management Committee has pleasure in submitting for your consideration and adoption of the 118<sup>th</sup> Annual Report and Financial Statement.

The Club entered teams in the five Sydney Cricket Association grade competitions as well as the Diamond Draft Limited Over Cup, Poidevin Gray and Green Shield competitions.

Competition Results: Club Championship - 6<sup>th</sup>, Firsts - 10<sup>th</sup>, Seconds - 8<sup>th</sup>, Thirds - 6<sup>th</sup>, Fourths - 10<sup>th</sup>, Fifts - 3<sup>rd</sup>, Diamond Draft Limited Over Cup - 13<sup>th</sup>, Poidevin Gray Shield - 5<sup>th</sup> in Northern Division, Green Shield - 10<sup>th</sup> in Northern Division.

Despite some excellent efforts from all grades and the promise of early season dominance - after round 8, the Club was looking really good sitting first in the Club Championship, first in first and fifth grades, second in second and fourth grades and third in second place - there was a loss of the early focus and determination that must be maintained to achieve the ultimate success.

Our first grade captain, Rowley Alexander led the way with his application of intense club spirit. His leadership was acknowledged by the SCA with the Captain of the Year Award. Congratulations to Rowley and all those other players who contributed so enthusiastically throughout the season. Rowley ensured that first grade played enterprising cricket and we were runners up in the Roy Turner Trophy award for the fastest over rate in first grade cricket for the season. Our performance in soundly defeating the first and second grade premiers, Sutherland, in both these grades illustrated on-field qualities that continue to stamp Manly as one of the truly prestigious Clubs.

I draw attention to the President's Report and Captains' Reports for detailed information, analysis and comment on team and individual performances. Sincere thanks to our grade captains, Rowley Alexander, Greg Hill, Andrew Fraser, Tony Pitcher and John Borzi for excellent stewardship throughout the season. Thanks also to Anthony Dignan, David Ford, David Gainsford, Paul Brenner, John Warn and Tony Scanlon for their able leadership when the regular captains were unavailable.

Additional thanks go to Shawn Bradstreet for his role as Club Captain. Shawn had an excellent season culminating in the award of NSWCA Cathay Pacific/Swire Travel UK Scholarship for the city and country cricketer of the year. Shawn resumed his place in the NSW squad playing soundly for the NSW 2<sup>nd</sup> XI. With marriage to Katherine Marks and the off season in the UK, it has been a memorable year for Shawn.

Brian Clemow captained the Poidevin Gray until the accident left him with severe injuries. Brian is making a courageous recovery, working hard to overcome the medical problems, with the overwhelming support of his family. Brian was poised to attain great heights during the year following his selection as NSW Colts captain and having been the most outstanding player at the Australian Under 19 Championship with a pending period at the AIS. We wish Brian a successful recovery that will fulfil all his hopes and dreams. Shawn's recovery from

his debilitating back injury and the fortunate recovery of David Gainsford and Craig Currie from their major medical problems hopefully provides some inspiration for Brian as he recovers from his injuries. Paul Brenner took over the PG captaincy in a very competent manner while Scott Ward gave strong captaincy to the Green Shield side, despite their fragmented season.

Club Coach, Steve Whitfield's dedicated approach continued to pay dividends in the development of many players. We have been very fortunate to enjoy Steve's professional approach to training and benefit from his immense experience and knowledge of the game. We recognise Anthony Dignan's valued service as assistance coach and coach of the Green Shield team. Congratulations to David Patterson on his appointment to one of the three NSWCA senior coaching positions. David gave excellent service as our NSWCA development officer for the Northern Beaches Cricket Council area prior to his major promotion. Welcome to Matthew Phelps who has taken David's role. Tony Scanlon continued to chair the NBC Council and worked very hard to assist the development of cricketing youngsters in our area.

A former Club stalwart, Keith Fitzpatrick returned to the Club fold and has given dedicated service as Chairman of Selectors. Keith's support for the players and his careful analysis of situations, resulting in positive outcomes have been appreciated.

Each year we highlight the importance of our sponsors and the corresponding need to support them. I refer you to the special sponsor's page for specific acknowledgment. We are especially thankful to our loyal sponsors. In addition, we have to note with disappointment and disillusionment of the shabby record of our designated principal sponsor that has left us financially adrift.

Thankfully our treasurer, Tony Scanlon, has proved to be most adroit and has effected planning to bring us successfully out of the mire over time.

A great club relies heavily on co-operative effort. We acknowledge the following people and service:

- John Skiller continued to provide his valued statistical services. John retired as our first grade scorer at the end of last season following a distinguished career in the SCA competition across a number of clubs. John has been acknowledged as the doyen of Club scorers and we are pleased that he is able to attend matches and Club functions. Well done and thanks John.
- Don McNaughton and Graham Phillips for their continued excellent conduct of our primary and secondary schools competition.
- Graham Beesley and Gordon Currie for excellent management of the Green and Poidevin Gray Shield sides, respectively.
- Don Sellin for his superlative coordination of training and many other helpful deeds throughout the season.

- Our sponsor, Renovated Turf Surfaces, our contractor, Bill Wilson and curator, Peter Moody for providing our playing facilities, wickets and grounds.
- Adam Lucius, Michael Bevan and the Manly Daily, David Patterson and the Northern Beaches Weekender for weekly coverage.
- Geoff Rogers, John Baxter and Don Sellin for scoring for our three senior grades.
- Ken Turner for his valuable input as a Club representative on the Manly Oval Trust.
- David Patterson for highly professional statistical work and as a steward of Club records.
- Kylie Trewartha and her team of social committee workers who provided good service and social opportunities such as the Christmas Party and the Trivia Night.
- All parents and supporters who provided assistance to teams with special thanks to John Lannen for assistance at the Room at the Top after matches.
- To Noel Lamming, Ian Field, Ross Turner and Brian Hughes for SCA and NSWCA advice and support.
- To the Board, Management and Staff of the Harbord Diggers Club for their support of our meetings and social activities including the highly successful Michael Bevan tribute night.

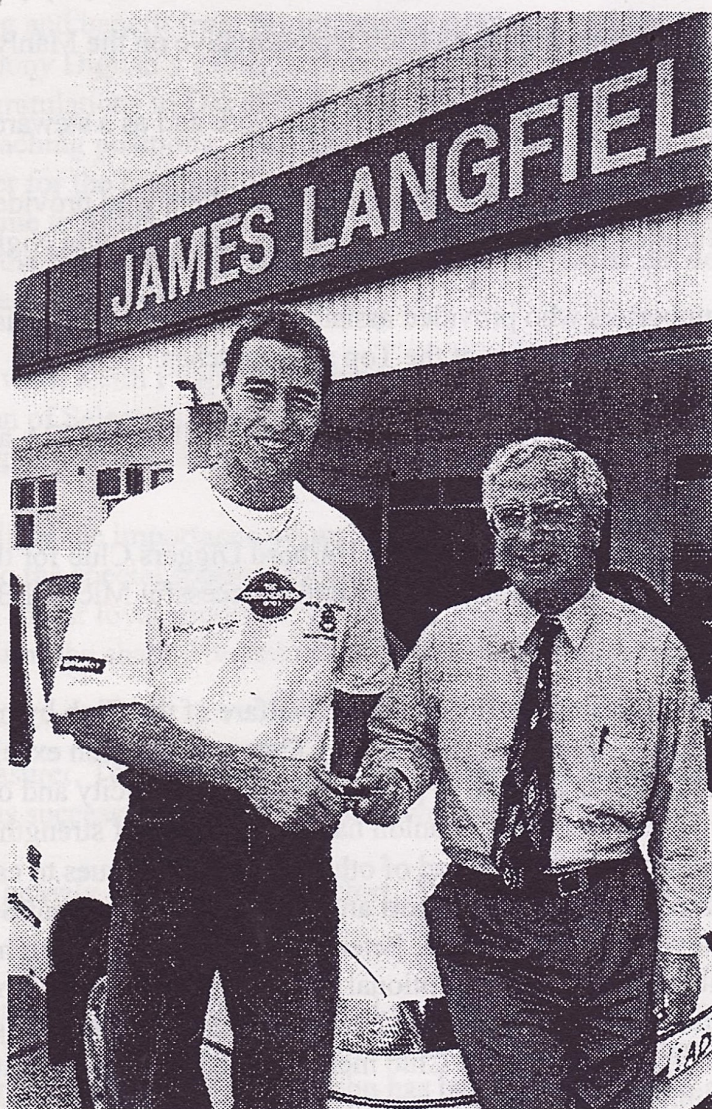

The dedicated effort and immense devotion for the welfare of the Club by members of the Committee must be acknowledged. President Gary Flowers has given excellent leadership at all times. Andrew Fraser has continued to provide excellent publicity and organisation of events and Club gear. Treasurer Tony Scanlon has been a tower of strength and wisdom in financial planning in addition to the myriad of other tasks he continues to carry out for the Club. I have appreciated the excellent support and reliability of Assistant Secretary Gordon Currie at all times. Newcomers John Warn, Peter Martin and Ray Dignan have given great service. Ray's contribution has been exceptional following the introduction of our new practice wickets and net system at Manly Oval. His timeless work in setting up the nets for each training has been appreciated by all Club members. The generous contribution of first grade manager Bob Lind and Geoff Tucker in installing the nets is also acknowledged. Col Kelaart and Geoff Rogers have given the usual good support and service.

In conclusion, the Club will look with great optimism towards the coming season. Michael Bevan represented at the highest Australian level and performed so creditably in the one day series and the World Cup. We wish him well in his season as Vice Captain of Yorkshire. We have a very strong contingent of players enjoying a season in the UK, so we look forward to the benefits of that experience. Craig Glassock continued his representative honours playing for the NSW 2<sup>nd</sup> XI with promise of greater things to come in the near future. Luke Martin represented the Club in the U16 State Development squad and a number of players took part in SCA representative fixtures.

With Club stalwarts like Morgan Youell showing great Club spirit, great dedication to training and coming up with memorable match bowling figures, then the future looks good at all levels of the Club.

## **PRESIDENT'S REPORT - 1995/96**

The Club's overall performance in the immediate past season was encouraging based on the improved position in the Club Championship tables. Whilst this may satisfy some, I believe a Club with our talent should have much higher standards and look to achieve much greater goals. To this end, having only one side appearing in the semi-finals is a matter of some regret.

The Captains in their reports have outlined the highlights of each teams' season with the statistic and match reports also detailing the achievements of individual players. To each of the teams and their players, I pass on congratulations on their performances. To 5th Grade in particular, I congratulate the team and it's captain, John Borzi, on making the semi-finals. It would be remiss of me however, not to acknowledge some fine individual performances throughout the season.

- Michael Bevan for his wonderful season in Sheffield Shield, WSC and The World Cup
- Rowley Alexander for his performance as Captain, culminating in his award as the First Grade Captain of the Year in Sydney Grade Cricket
- Nick Derbyshire and Geoff Tucker for their performances with the ball in First Grade
- Shawn Bradstreet for his batting performances in First Grade

The season also marked the retirement/farewell of a number of key personnel involved with the Club. At the time of writing this report, Andrew Fraser, the Club's Deputy President, has left with his family to reside and work in the United States. My personal thanks goes to Andrew for the work he has put in both on and off the field over many seasons. On behalf of the Club, I wish he and his family every success and look forward to seeing him return in the near future.

Steve Whitfield has also announced his retirement as Club Coach. Over the past two seasons, Steve has made a major contribution to the Club's performance devoting a lot of time to development of junior players which will benefit the Club in the years to come.

On the playing front, Paul Hoffmann returns to Queensland after four successful seasons. "Hoffy" will be sorely missed and we wish him every success in Queensland.

I would like to thank personally all the Club's sponsors for their support throughout the season. As a Club, we are acutely aware that we are unable to operate successfully without the financial support provided by our sponsors. Once again, I also encourage all Club members to support the Club sponsors as without their

NICK DERBY SENIOR PLAYER OF THE YEAR

contribution, we would be unable to provide the facilities necessary to run a successful Grade Cricket Club.

Financially, the Club in the immediate past season experienced some difficulty. At the commencement of the season, a major sponsorship was announced, the sponsorship sum at that stage being the largest single sponsorship in Sydney Grade Cricket. Unfortunately the sponsors during the course of the season experienced financial difficulty, subsequently going into liquidation. Despite the Club honouring all of its commitments to the sponsor, at this point in time none of the promised funds have been received. This placed enormous strain on the Club's finances making it difficult to honour commitments to a number of parties. As a result, however, of the support of a number of people who assisted in organising functions and fundraising efforts, we managed to finish the season on a positive financial note.

In the coming season, there are two main areas on which the Committee will concentrate its focus. The first of these is the enhancement of training facilities and the second is the ongoing development and enhancement of the relationship with the area's juniors. Both these areas are vital to the Club's long term cricketing well-being.

Finally, I would like to thank each of the Committee members for their efforts and support throughout the season, together with the Captains and Selectors. Also special thanks to all those people who assisted throughout the season in helping at Club functions. This support is often taken for granted but is essential to every Club's operation.

## **TREASURER'S REPORT - 1995/96**

Members,

By examining the Financial Report, you will note that the Club has made a remarkable recovery from the losses incurred in the 1994/95 season and recorded a surplus of \$2,497.00. You will also note the tremendous increase in the turnover of the Club to \$94,837.00, which overshadows the previous years by 70% and that capital purchases of the Gabba netting system for Manly Oval of \$8,266.00 were made. Not evident is the spending of \$2,000.00 for the extension of the turf practice wickets at Manly Oval.

The end result certainly belies the constant financial struggle that the Club has had this season and understates the efforts of the Committee to keep the books balanced. Strict control over expenditure this season, although unpopular for some, has been justified with this result.

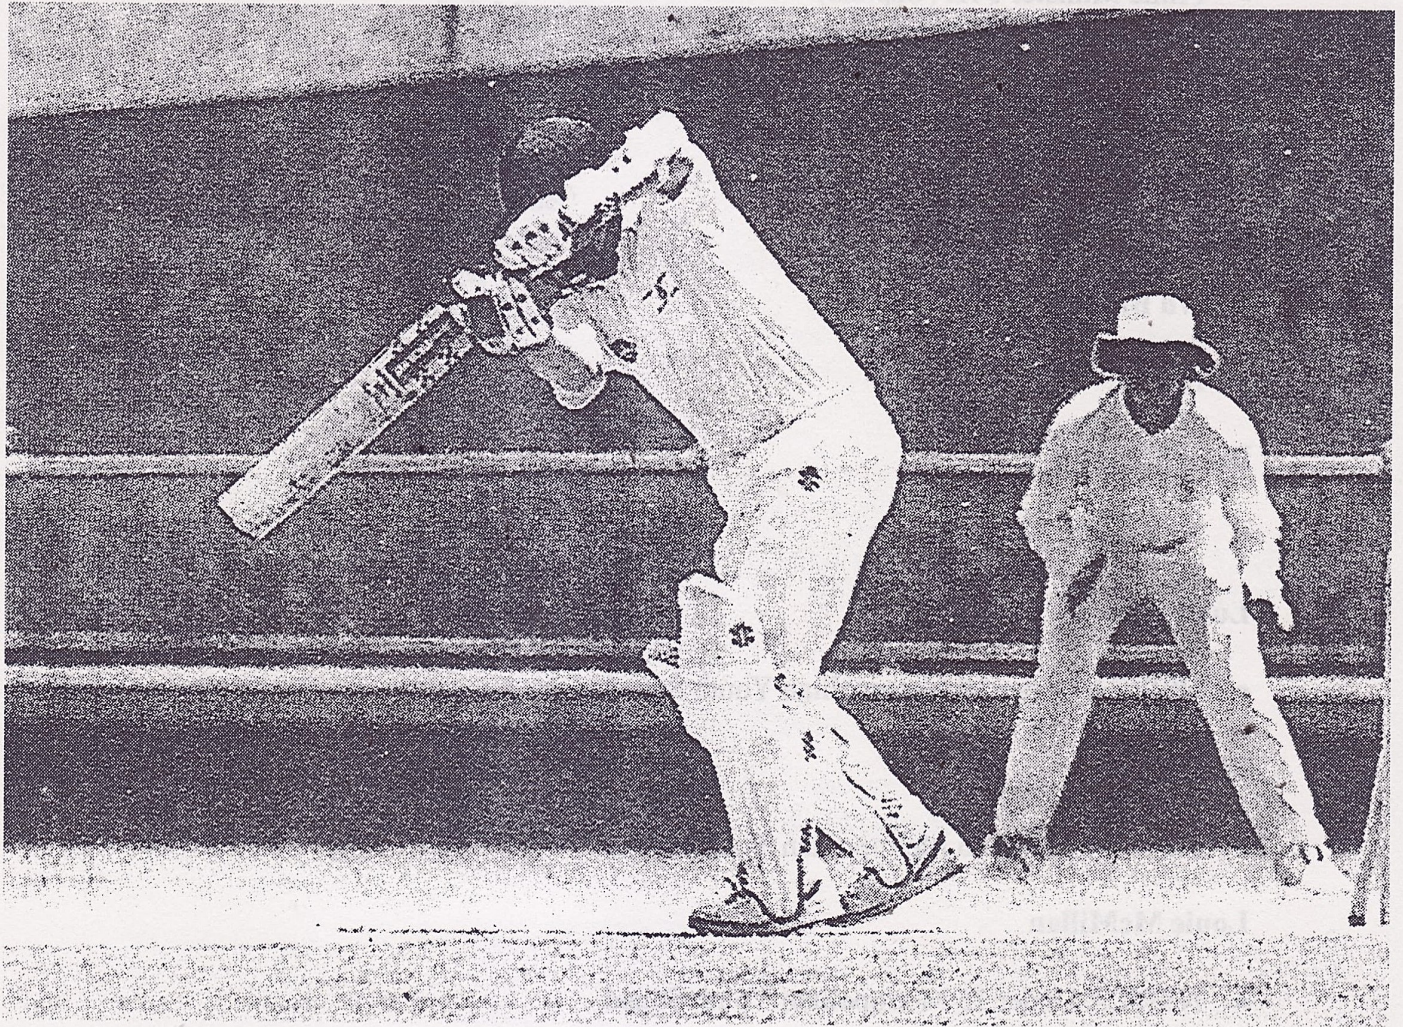

The failure of the Communications Depot to fulfil their sponsorship commitment of \$20,000.00 and their subsequent receivership was devastating to the day to day cash flow of the Club. The abovementioned purchase of nets and the extension of the practice wickets were to be funded directly from these sponsorship funds.

To offset the cash flow problems that the sponsorship shortfall created, the Committee organised a fund raising dinner at Harbord Diggers to celebrate Michael Bevan's selection in the World Cup Squad and ran a raffle with first prize being donated by the Nukubati Resort Fiji. To those of you that supported these initiatives, the Club is indebted to you.

Many thanks to our sponsors, namely, CUB, Manchester Unity, Sparke Helmore, Manly Elders Real Estate, Dencorub, James Langfield Holden, Nukubati Resort Fiji and Apaachi Australia for their financial support. I would implore all of our members to support our sponsors, as we are becoming ever increasingly reliant on them for our existence.

## 1ST GRADE CRICKET REPORT 1995/96

"The hours of toil will need to continue next season if the side is to be a part of the end of season fireworks ..."

These were words we all uttered at the end of 94/95 and a pledge was given from the first man to the last that to train with a passion, play with a passion and fulfil our dreams of finals glory; and then ...

What followed was a tale of two seasons entwined as one; what promised to be a most rewarding one ended as just an affair with success - the season finishing in a heartbeat, colliding with despair and an embarrassing succession of losses.

We commenced the season against Waverley overflowing with exuberance, boyhood fearlessness and a ferocious excitement that tripped over our desires firstly to perform and secondly with the unabashed hunger to win. After being bundled out for a measly 140 and counter punching with 9/146, we were able to set a target of under 200 - thanks largely to an emphatically controlled century by Michael Bevan (who 'also captured 5/18 bowling his sneakish leggies). Waverley gave up the chase leaving us with dented pride but our fight back provided us with ammunition for our tussle with foes, North Sydney.

With excellent positive cricket and four half centuries crafted (Richard Fry, Craig Glassock, Shawn Bradstreet, and a sturdy knock from an ever improving Geoff Tucker in the allrounder category) helped the side to post a formidable 8/303. Geoff Tucker then led the charge for our inaugural season victory with a gutsy 5/59. A washout against Penrith and a challenge against a bolstered Mosman awaited.

What followed was probably one of the most memorable wins that led us on a post game, on-field merry dance of indescribable proportions. After posting another 300 score (aided by a Brian Clemow textbook 70) rain tumbled on day 2 and threatened to reduce the match to a fruitless exercise. The match continued though, through the poorest of conditions - Glen Evans bowling 25 superbly controlled overs with a cake of soap. With Mosman requiring 7 runs with 2 wickets in hand and seemingly in control and forging towards a brilliant win; in fading light, Paul Hoffmann produced an amazing three ball, two wicket spell to provide the Manly boys with our own rendition of grand final acrobatics and reducing the opposition to tears. An unbelievable win.

Another Sutherland scalp in the cupboard, chasing 276, Michael Bevan and Shawn Bradstreet set about destroying their declaration and cementing our ambitions with purpose. Their partnership of 231 (152no and 107no respectively - Shawn's maiden 1<sup>st</sup> Grade century, complete with many whispering drives) bettered the 4<sup>th</sup> wicket 32 year old record previously held by club legends, Peter Phillpot and Barry Rothwell back in season 63/64.

A gutsy win against nagging opponents in Campbelltown and another against Hawkesbury and Uni of NSW saw the team at the half way mark bristling with confidence and perched equal 1<sup>st</sup> on the league premiership table. In chasing 245 and being 3/20 against Hawkesbury, Craig Glassock produced a composed, mature and merciful innings of 131no to provide the

team with six points. Geoff Tucker produced his best bowling against NSW Uni with 6/85 and chasing 275, Richard Fry's century guided the team to it's target with 5/279.

Thoughts of a semi-final berth, the first in seven seasons, crossed the minds once too often of the experienced, the young brigade and our ever enduring followers. Standing tall with a record of six wins and one loss was followed with one win and five losses, the team falling embarrassingly from grace. Commencing the run home with a loss to equal competition leaders and club championship contenders in St George was followed in quick succession with paltry performances against Gordon and Balmain.

Our season then ended with dismal and, in the end, shaming losses against lowly placed Wests and Sydney Uni, crushing all earlier aspirations; leaving only sickening feelings of misplaced opportunities.

In all our last six games, we began our innings stumbling to two for less than ten or three for less than not many, posting targets or chasing moderate totals proved beyond our irretrievable starts. In these games we placed ourselves within a stroke of the blue ribbon but in the end were given five hidings; telling a sorry tale of poorly constructed efforts in laying the platform for victory or maintaining momentum throughout a match provided by our bowlers.

As one, we failed to produce the steely determination that had previously carried us on our journey towards success. Having fought so hard and then to endure hapless defeats showed us as a shadow of our capabilities, both known and unknown. Through these performances though, the confidence remained high within and fate has given us the opportunity to heal the wounds of defeat with a resilience and new found toughness. All the players are positive in their outlook towards the forthcoming season and we aim to work harder, planning better to provide each with an infallible support towards rebuilding past foundations.

As with all seasons, some exceptional performances are worthy of note; Nick Derbyshire bowled with relentless passion, capturing 27 wickets in six games after the new year, 40 in all for the season - he continually put the side in a winnable position; Geoff Tucker's courageous efforts with the bat gave us a much needed boost with the tail and his dog fighting attitude with the ball met every contest with desire.

Shawn Bradstreet's performances with the bat in posting 537 runs was a magic effort - Shawn continues to improve with each game and was just rewarded with State 2<sup>nd</sup> XI selection. He works unbelievably hard and knows the price but deserves every success and will move to greater heights. Together with Craig Glasscock and others, he will provide the club with many more memorable performances. Craig's tally of 528 runs was probably below his expectations but included some match winning innings under pressure which is a mark of a polished player - Craig too, will improve and shows great respect for his wicket and his State 2<sup>nd</sup> XI selection was also well deserved.

Thanks sincerely to Geoff Rogers and Bobby Lind for their unbelievable support throughout a long season, and to our family of supporters who braved every element and travelled to all ends to be with us through the good times and the painful and heartfelt ones.

As one hopeful season ends, we head towards another with renewed vigour and courage, with a promise that these new experiences will be preserved to enable success to endure and ensure that dreams do not remain just as dreams.

And next season beckons with ....

Rowley Alexander

## 2ND GRADE CRICKET REPORT 1995/96

Well here we are again, another lost opportunity. Another season passes without that coveted premiership. A creditable seventh, some clubs say they would be happy with that. Should we be happy, content, satisfied? We have the talent, the desire and the commitment, so why don't we have the trophy. A number of reasons contribute to that, luck also plays a part and we certainly missed out on that, losing our main strike bowlers through injury or unavailability at vital times proved damaging. But luck has a way of manifesting itself in a team or individual when they are committed and focused. That commitment has to come from the captains, the players, the coach and committee all combining together to make it a tight, successful unit.

When we look back at the results of last season, victories against established sides like Sutherland and Campbelltown, this season's winners and the previous season's winners showed we could mix it with the best, but losses to other sides like Mosman and Wests really showed up our inconsistencies. In between those games, we had narrow losses to Gordon and Hawkesbury, where we lost both by one wicket when we were chasing and the other when we were defending and in the end that proved our undoing. Not a season of discontent because all these players at various times showed their true character, that Manly spirit, we could just never put it together week in week out and for that I feel very responsible. That comes from the captain being there regularly ensuring everybody is focused and prepared. I firmly believe that by failing to prepare is really preparing to fail and our preparation at times was disappointing to say the least.

But on the positive side, there were some brilliant individual performances and here is a breakdown of those. As mentioned earlier, our bowling was hampered by injuries which gave players like Jason Martin, Simon Couch, Matt Sutling, Barnaby Wilson and Shane Skinner their opportunities. Simon would be the first to admit his game has not progressed to the level his ability warranted, but when the chance came he grabbed it with both hands and showed he could be a success at 1<sup>st</sup> Grade. Congratulations Simon, this should be a catalyst to anybody wanting to play higher grades, be patient, be prepared and when the opportunity arises, belief in yourself and never lose faith.

Losing Rob Parkinson with a stress fracture left our bowling attack very depleted, we wish Parko a speedy recovery and look forward to many successful seasons with Manly as he epitomises what club spirit a club like Manly is. Pat Kelly also struggled to find consistency with his bowling, let's hope with hard work during the off season Pat will come back better, bigger and stronger.

Mark Taylor also at times showed us what a class player he is, his determination to succeed is shown in his fielding and batting and is without doubt one of the best fieldsmen at Manly. He just needs to harness belief in his own ability when bowling to be a certain 1<sup>st</sup> Grader, which is where he should be playing. Matt Sutling immediately settled into 2<sup>nd</sup> Grade and due to injuries was thrust straight into the task of being our strike bowler, a tough task to ask. Matt has so much potential and with the right encouragement will become a genuine fast bowler for 1<sup>st</sup> Grade. A fine team mate, Sutts provided all of us with plenty of enjoyment during the season.

Towards the end of the season, Shane Skinner gained selection and proved his worth with some excellent all round performances. Shane hits the ball as cleanly as any player I have played with and never shirked his responsibility with the ball. If he moves as well on the cricket field as he does on the dance floor, Manly have a player of exceptional talent. Barnaby Wilson at times showed glimpses of his obvious talent but could not put it all together, but when he does Manly will be richly rewarded for he is a man of many talents.

On the batting front, so much potential but so often little reward. No doubt in my mind we matched it with any side for class batsmen and I would not swap any player, but rarely did we put it all together. Brad Pamp and Paul Brenner once again delivered us with a stand up and be counted for start. Brad keeps going from strength to strength, but needs to be more aware of his talents, too many times when he had total control of the attack and a big score was imminent, he would be back in the pavilion ruining his lost chance (congratulations to Digs who continually predicted this event). When in full flight, he is an absolute pleasure to watch and good luck in future years Brad.

Paul Brenner finished the year the way he would have liked to have started. Paul showed he has the talent and ability to be a success at higher grades and showed promise with his off spin to grab 5 wickets to win the game against Sydney University. A very competent player whose contribution to each match was with the best intentions to improve Manly's chances of victory. Peter Procopis earned his selection to 2<sup>nd</sup> Grade with impressive performances in thirds. Peter had instant success and as the season progressed, became a very consistent run scorer at the top of the order. Always encouraging, always wanting everybody to do well, his potential suggests higher honours are just around the corner for Peter. He always came forward with great ideas in the field, a very thoughtful and intelligent cricketer.

Tim Blank was our most successful batsman this season. Deservedly won selection to 1<sup>st</sup> Grade with consistently outstanding performances, he was always in total control and rarely let the team down. Tim was always encouraging to his team mates and has great insight to a very challenging game. He remained calm when the pressure arrived and was always willing to be counted on when given the chance to bowl. Provided valuable break throughs with his medium pacers and has a very deceptive bouncer. With a bit more luck with injuries, greater success will come. Tim, thanks for all the wonderful memories, I will cherish them for years to come.

Anybody who has seen Anthony Dignan take control of an attack will know it is one of the best sights you would hope to see on a cricket field. The hundred against Penrith (with Gaeten Juul) turned a seemingly impossible chance of victory into a win with plenty of time to spare. Was there any doubt about punting that bouncer for six to bring up the hundred. No doubt whatsoever in my mind, Digs. Followed by a great century against Sutherland, Anthony at times makes it look so easy and collected the most runs for the season, not bad for a wicket keeper. Was always brilliant behind the stumps and kept everybody fired up in the field. Has great vision and love of the game, led the side by example and is a credit to himself and team mates, thanks for all your support, Digs. I really appreciate it.

Gaeten Juul and Alex Maidment also contributed with important innings during the year. Gaeten will rightly be disappointed for he has so much talent, and success will follow hard

work. He provided great entertainment both on and off the field, a true character and one that makes playing cricket that much more worthwhile. Alex (the Athlete) always looked in control, showed that with the right opportunities could prove successful at this level. A brilliant 70 against Balmain on a difficult wicket cemented his position and now gives him the chance to push for higher levels next season. Good luck Alex. When called on to keep, he displayed all the athletic skills needed and shows why he is an asset to this club.

The David Gainsford story we all know about. A great comeback from injury. You never know this guy's true worth until you play cricket with him. Always competitive (what an understatement). A great maiden century against Gordon followed up with five wickets, just won him the Man of the Match. A fitting winner of the Players' Player of the Year. An absolute pleasure to have been associated with David, imagine playing against eleven David Gainsfords (no thanks, also spare a thought for the umpires).

To our tail who had to help us too many times, thanks. Let's face it, who wants to bat when the going is easy and there are plenty of runs on the board. To John Baxter, our scorer, an institution at Manly and a tremendous person. Thanks, for all your support and help, people like you make being involved with Manly all the worthwhile. I will cherish all the good times together, a demon on the dance floor too. To all the ladies who helped with afternoon teas, to the Committee, the players and to Steve Whitfield, a great team man, coach and motivator, thank you.

As you may know, I have retired before but this time it's for the best reasons. I look forward to spending more time with my family. I have a lot of enjoyable memories and very few regrets. I remember my first game against Sutherland at Tonkin Park when I was 15. I scored 27 and took one wicket. I also remember my last game against Sydney Uni, where I scored 37 and took one wicket, which goes to show in nearly 25 years of playing grade cricket, my batting improved while my bowling stayed where it belonged, useless.

### 3RD GRADE CRICKET REPORT 1995/96

In my appraisal of the 1995/96 season for Manly's third grade team, it is difficult not to feel both a sense of achievement and a touch of disappointment.

Firstly, considering this grade improved 10 positions on its 16<sup>th</sup> placing of the previous season - many would consider 6<sup>th</sup> to be a considerable achievement.

However, on the other hand, had the side been able to score 148 in the round 13 clash against Fairfield, we would have secured a finals berth and quite conceivable, 2<sup>nd</sup> position on the ladder. Unfortunately, the boys were dismissed for a paltry 113 and Fairfield went on to contest the finals.

Whilst statistics do not always tell the true story, a glimpse over the third grade stats provides a good indication as to why we missed the finals:

- No-one scored 300 runs
- No-one scored a century
- No-one took 25 wickets
- A total of 26 players represented thirds throughout the season

I believe the constant turnover of personnel had an extremely unsettling effect on the spirit and unity of the team during the latter half of the season. This is an area the selection panel have to address prior to next season. To have 26 players pass through a third grade team that we either in, or on the verge of the top 4 for the entire season, is an absolutely ridiculous situation.

#### **Stability breeds confidence and a desire to want to win.**

When one analyses the poor quality of practice facilities presented to us by ground staff coupled with the pitch at Graham's Reserve, it's probably a minor miracle that we finished 6<sup>th</sup>. Already, the Committee have taken steps to ensure the facilities are of an acceptable standard by the start of next season.

The Graham's Reserve pitch is hardly worth commenting on. It rated the 19<sup>th</sup> worst ground out of 20 in Sydney and rightly so. The pitch was constantly under-prepared and the post-Christmas outfield was so thick, a full blooded drive would be lucky to reach short cover! Just look at the batting stats - they don't lie. Anyway, enough whingeing, now for the positives.

Firstly, the bowlers, Jason Martin deserves the first credit. If every player had his determination to succeed, we would be unbeatable. He took the most wickets (22) and was Mr Reliable with the bat. A bit more penetration with the ball and he could become a regular second grader.

'Supercat' Haigh, the Buddy Holly of the cricket world, was a pleasure to captain. He always gave 100% and was extremely unlucky to not to return more impressive season figures. Great value for team spirit.

Simon Couch was a great example of a player persevering when things aren't going well. By round 10, he was staring at fourth grade. By round 13, he was playing in first grade. A tight 40 over spell against St George in round 10 seemed to provide the confidence boost he needed. Couchy's batting was disappointing but his fielding was magnificent - an inspiration to the team on many occasions.

David Gainsford played 4 games in thirds and was a class above his opposition. Without Gains, I dare say thirds would not have finished as high as 6<sup>th</sup>. It was a pleasure to play alongside him again - revisiting the memories of the 1987-88 third grade "glory days". He showed many of the younger players what a fierce competitor he is.

The batsmen - Pete Procopis was the star early in the early rounds before being promoted to seconds where he rightfully stayed for the remainder of the season.

The opening combination became a major headache as the season progressed. Benny Howell started well but lost confidence. He has enough natural ability to play a lot of top grade cricket - I'm sure his dad, 'Raker' will iron out those little technical faults that exist.

The talented Mark Turner was promoted to thirds, eventually taking his brother's spot in the team. He started well with a great 49, but his next 9 digs yielded only 78 runs. Both Mark and Ben should just treat the season as a good learning experience for future years.

The veteran Kenny Pitcher joined us in round 7 and added much needed stability to our middle order. KP scored his 5000<sup>th</sup> run for the club this year and is always a great asset to any team. Always enjoys his cricket.

Shane Skinner was somewhat of an enigma. Oozing natural ability and capable of anything on his day, he looked set to tear opposition attacks apart on several occasions, before throwing his wicket away. A promotion to seconds saw 'Skins' start to realise his potential and he played some promising innings. He worked hard at his bowling and bowled a few terrific spells for us. A committed pre-season effort could result in 'Skins' having a big year. Unfortunately, his fielding requires much improvement.

Gaeten Juul (who is way too good for thirds), Pauly Brenner, Seagull Pollock, Pat Kelly, Matt Suttling and Adam Parkinson all made valuable contributions at various stages of the season. Adam Parkinson in particular could be a very good player if he commits himself.

Another to make a valuable contribution as always was our team manager, Donny 'Dollars' Sellin. Thanks Dollars for all your assistance during the year. With 'Dollars' giving up the beer, it was a relatively cheap season for the skipper!

Unfortunately, work commitments prevented the writer from being able to participate in the last three rounds of the season and I apologise to the players for this. Due to these commitments, I will not be in a position to continue the role of captain next season.

Finally, congratulations to John Borzi and his fifth grade team on making the finals.

## 4TH GRADE CRICKET REPORT 1995/96

1995/96 was a year that had flashes of individual and team brilliance. Unfortunately, they were counterbalanced by unexplainable poor performances. Overall the year could be put down as disappointing for the mighty fighting fours, as we turned the corner at Christmas in the top four to be finally placed a middle of the road tenth.

To highlight the positive aspects of the year, there were four century makers who have made their way to the Champagne table. Three of which scored the same total of 101.

The first was by Craig Currie against Penrith. We were set a massive total of 364. Batting on the second day, through a mist of rain and being five down for not very many, Craig showed how his commitment to perform would get the right result. I'm sure Craig would agree there is nothing better than going into bat when the fielding team can sense victory, then, feel their frustrations grow as you help the team push past their score. The best part of this is knowing you were the main cause of their demise. Craig has always shown he has the ability and this was the day where it all came together in a true show of guts, determination and commitment. Craig is a player that was an integral part of the fourth grade team this year and I thank him for his input and support.

John Warn was the next century maker. John's tone was one of controlled excitement. After being dropped from thirds, he was out to prove a point. This he did with effortless authority. The only chance given was when he was on 99 and he hit one to within a whisker of being caught at deep mid on. Most of John's shots were hit from the middle of willow with timing and placement. It was a shame that the tea break came along which obviously broke Warny's concentration as he was out in the first over after tea. John proved to be a consistent run scorer throughout the year and my thanks go to him for taking the captain's reins while I was on holidays, along with his efforts and support for me throughout the rest of the season.

Jarrold Hitchcox proved that a first year player can rank among those who have been around for a while. Jarrold was initially picked at the start of the year in the train on squad. This didn't dampen his aspirations of playing grade, and was soon promoted from fifths to fours. Unfortunately, I wasn't able to bat him higher than seven or eight for the first few games but he always looked a steady hand. He was pushed up the order to number six and started getting some good scores together until he cracked the tonne against Balmain at Ryde Oval. He never looked in trouble during this innings and showed that along with his steady style, he could throw in some calypso cricket and push the run rate along too. Congratulations Jarrold on a fine first year with the club and let's hope to see you cement your place in the higher grades in the future. Jarrold is also one of an ever growing number of ex St. Augustine's College cricketers, joining the likes of Andrew Rochford, Joel Mason, Ken Pitcher and myself, some of who have been expertly guided into the Manly ranks by Anthony Dignan.

The final century maker, Ian Howell had throughout the year filled in as a sub fielder for us and we were fortunate enough to have him play a full game in the last round against Sydney Uni. Ian opened the batting with his son, Ben and carried his bat through the innings to finish with 109 not out. To all who were there it was an expert lesson in application to a task. We

lost wickets early and needed someone to consolidate and go and get a big score. With the years of experience "Racker" has, he was able to do just that. There weren't too many quick singles and the running of twos and threes were limited but the natural ability and keen eye of Ian was a pleasure to watch. During this innings, Racker passed Sam Mesite in the list of all time run makers for Manly to move into seventh position. Maybe that innings will bring him back for another few digs next year, let's hope so.

There were a number of players who were promoted from fours to thirds and we didn't get to see them back after they left us which would indicate they performed well in the higher grade. The most influential player to be promoted was Ken Pitcher. Ken missed the first two rounds of the season due to family commitments and fours lost both games. In the next four rounds, Ken scored 195 runs at an average of 65 and picked up 6 wickets along the way. Each game Ken played in we won. During his innings at Sutherland, Ken passed the 5000 run mark for the club. This is a great effort and a well deserved milestone that he can be very proud of. Ken started playing grade cricket in 1974/75 which was well before a lot of his team mates were born. Congratulations Ken on a fine year and maybe we will see the name of your new son, Daniel Pitcher appear in the scorebooks in future.

Other players that made an impact on the fours before being promoted were:-

Jason Pollock - Jason contributed with some fine scores and remained not out in four of his seven innings. He showed he has the ability of a true all rounder by also taking 8 wickets which could have been a lot more if luck was on his side.

Adam Parkinson - again showed his allround capabilities with some good scores and eleven wickets. Adam has a natural style and is sure to prove a big talent in the years ahead.

Mark Turner - joined the thirds after helping fours to some solid opening partnerships with Michael Fraser. Mark always looked in control with his batting but it was usually just one rash shot an innings that saw him get himself out.

Forrester Leahey - showed that true competitive spirit this year and was promoted after stringing together some consistent scores this year. Forrester has all the flair and desire to do anything with his cricket if he wants.

Alex Maidment - why Alex was graded anywhere below thirds beats me. Congratulations to him on his spirit to lift himself into the higher grades where he belongs.

The players who were the mainstays of the team were either promoted from fives or came down from threes:

Michael Fraser - was in fours all year. Michael found it difficult to get past the thirties this year. He will need to concentrate on being in the middle for longer time periods and work on building a good score. I am sure he can achieve this next year.

Luke Martin - had a taste of thirds this year and I think he realises that wickets are a bit harder to get in grade than in junior cricket. As Luke is still only young, he can look on this year as a stepping stone to a very big career. He had by far the most natural pace of any

bowler we played this year. This combined with the demon spirit he sometimes shows put a lot of players well and truly on the back foot. Once Luke gets consistent line and length, together with his speed I doubt whether we will be seeing him in the lower grades in the future. Luke also proved a very important batsman through the year with memorable contributions in the Penrith win along with a good partnership with Jarrod against Balmain.

Russell Pierce - Russell shows the true heart of a Manly cricketer. He is the type of player who may not show a huge amount of flair or brashness, but can always be counted on to put in 150%. Something that doesn't show in statistics is that Russell, on every occasion he bowled except for the last game of the season, took a wicket, had a chance dropped or had a decision not given, in the first over of every one of his spells. This quality proves that he is a definite game breaker and an integral part of the team and club.

Rudi Burratini - Rudi as always put in for the fourth graders. Even though he may not have got the results wicket wise that he may have wanted, he was able to contain most batsmen this year. A highlight for him was against Balmain where he finished with about 3 wickets off 17 overs for about the same number of runs. This also included a rip snorter of a catch that no one thought was catchable.

Ben Howell - Ben had good moments with both ball and bat during the year. It would have been good to see him turn some of his good starts into big scores, however, as this was Ben's first year in grade, those scores will come with added experience. He was able to capture important wickets when needed and proved that no matter how much rubbish you bowl, if you bowl at the stumps the wickets will come.

Graeme Turner - not one of Hooch's most memorable years with the bat but he did a good job for us behind the stumps. Graeme is a good person to have in your team as he creates a little bit of levity with his own brand of humour that everyone seems to appreciate. I'm sure Graeme will return next year ready to unleash the talent that we know he possesses.

Andrew Rochford - The bug was a player that could swing a game. He could come on and contain dominating batsmen or he could add some very important runs to the board from lower down the order. He put in a fine performance in one game to capture five wickets. Another first year grade player with the ability to do well in higher grades in years to come with his natural swing bowling.

Thanks to all the other players who had a stint in fours including Sean Annetts, Michael Zann, Tony Scanlon, Morgan Youell, Drew Dickson, Chris Glassock, Jamie Turmanis, Josh Storm, Col Kelaart and Josh Peterson. All contributed in one way or another and I thank them for their support.

Thanks to the members of the committee whose tireless work may go unnoticed by the majority of players but without them there would be no club and no competition. Special thanks to Bob Brenner who spent some early mornings and late nights ensuring the wicket at Graham's was being prepared for play. Thanks also to all the parents, wives and girlfriends for their support. There is nothing more inspirational to have a crowd gather at a game to watch you play. The most impressive thing this year was that you showed up at away games as well as those we played at home.

Thanks again to my wife, Claire and daughter, Sarah for their support this year, for allowing cricket to take me away from them not only on Saturdays but also for selection committees, practice and all the other things that go with captaining.

I hope this year, as all years can be taken as a learning experience. We, the club were caught out cruising up to Christmas, enjoying our game, and enjoying being a winning club. I think after Christmas we thought wins would just happen for us. As we now know, this didn't happen. Let's make sure next year we can win games consistently by putting in the big efforts with commitment and enthusiasm. Winning is not something that comes easy. Let's all put in that extra effort next year and along with the enjoyment, will come the success.

See you next season,

Tony Pitcher  
Captain

## 5TH GRADE CRICKET REPORT 1995/96

The year started off well, got better, even better again, then it stopped going so well. The year, as measured by on-field results, was a great success - 11 wins, 2 draws, 3 losses. As a team however, we tended to gauge success based on a range of criteria, which mostly bore no relationship to cricket. On this criteria, we won the comp and had a great time at it.

We had a great winning attitude and a commitment to enjoying ourselves, which I am proud to note that we retained in full, even when things did not go our way. We had the knack of looking on the brighter side of cricket. Facing an embarrassing semi-final defeat squarely in the eyes, that knack was best illustrated by a conversation I had with John 'Parachute' Pearce. One hour into the game, 5 wickets down for 27, himself recently returned from the centre with 3, the 'Chute' didn't say "sorry Borz", nor did he throw his bat, instead he offered this:

"Gee it feels great out there, no really ... the conditions are perfect for batting, even the outfield is well cut. It doesn't get much better than this."

In such a season it was understandable that every player made a contribution with the bat, ball or by spinning some unbelievable rot in slips that masqueraded as a 'true story'. Our regular batting line-up of M.S. Cranney, J.R. Mason, A.B. Scanlon, G.M. Boyer, J.R. Pearce, D. Dickson, C. Glassock and S.R. Fitzsimmons all performed well at various stages throughout the season. None played to their ability regularly enough, which is a compliment to their ability rather than a slight on performance. Most should have played in higher grades and I expect not to see too many faces again next year.

We bowled and fielded well all year. Some of the greatest names in cricket passed through the fifth grade this year - D.M. Youell, A.B. Scanlon, S.R. Fitzsimmons, R. Pearce, S. Annettes, and a likely household name in years to come, J.R. Pearce. I've never played in a side with more enthusiasm in the field, which made it easier, as captain, to apply pressure to the batting side. We bowled a consistently good line and sledged to the very end. Special thanks to Butch and Jamie Turmanis for the latter.

The team was an absolute pleasure to captain. No one carried on like an idiot after being dismissed, or having a catch dropped - for that I thank you all. We only had the one umpire's warning - Umpire Collins asked me to stop the slips fielders from laughing before the bowler commenced his run-up.

So how would I sum up this year? We had a great side with an ideal blend of ability and humour. The latter will be my most vivid memory in a year that found us on the winning side of almost every game we played. What was the winning secret? I don't know - we liked to attack, we took pride in our fielding and we made sure 'Youelly' didn't go up to fourth grade.

I'd like to thank 'Nonni' for his help throughout the year. My role as captain was mostly an on-field one, due to work commitments, so many thanks must also go to 'Whit' and the other players in the club who helped out at training. Thanks must also go to the 'Supercat', one of fifth grade's finest sons, for his sponsorship of the prestigious 'player of the finals' black sock award, this year to be worn by D.M. Youell.

## POIDEVIN GRAY REPORT 1995/96

Manly Club this year selected 17 players to represent in the Poidevin Gray games. Brian Clemow, the sole representative from First Grade was selected as the Captain. Paul Brenner, Gaeten Juul and Simon Couch have played Second Grade while other players were selected from Third, Fourth and Fifth Grades.

Despite the strength of the opposition on paper, Manly boys played hard and never gave in. Late in the season, Brian Clemow was unavailable due to serious injury and Gaeten Juul unavailable due to work commitments. This gave some of the younger Manly boys a chance to play at this level.

The two most memorable games were played against Gordon at Manly Oval and against Sydney University at Sydney Uni. Manly won these games in great spirit. Individual performances can be seen from the figures below. Ben Howell deserves a special mention for taking 6 catches during the season.

### Scores

1.	Manly	drew with	Balmain
2.	Manly 133	lost to	Penrith 3/136
3.	Manly 229	defeated	Gordon 168
4.	Manly 161	lost to	North Sydney 6/162
5.	Manly 4/57	defeated	Sydney Uni 56
6.	Manly 99	lost to	Parramatta 178
7.	Manly 108	lost to	Mosman 9/144

With some promising young players on the way up, the Club can look forward to a strong team in 1996/97.

Special thanks for the support from the parents and helpers who performed the many jobs required to get a team on the park and also prepared the delicious afternoon teas.

Round 8: Manly drew Northern Districts - no play

Round 9: Manly 50 lost to Balmain 1-51

A very frustrating season, with only 3 matches completed from 8 rounds due to weather, the team was unable to show its full potential. The team was a well balanced side and many of the boys will no doubt play in the grade sides in the future. Anthony Dignan coached the team and the boys appreciated his effort and will have gained from his experience and knowledge of the game. Thanks to Don Sellin for scoring and also to the parents for their support.

Special thanks to Peter Parkinson of Carter - Wallace (Australia) Pty Ltd for their sponsorship.

## MANLY CUP/MANLY SHIELD HIGH SCHOOLS COMPETITIONS - 1995/96 REPORT

This season 11 schools participated in the Under 15's knock-out (Manly Shield) and 12 schools in the opens (Manly Cup). Despite much rain earlier this term, the competitions have run smoothly, and coaches have reported that matches have been played in good spirit and exemplary sportsmanship. These games continue to offer the great benefits of a localised competition - the matches are friendly but still very competitive, and do not involve the long distance travelling of state knock-outs.

### MANLY SHIELD

The final was played at Manly Oval on Wednesday, 20 March 1996 between Narrabeen Sports High School (having defeated Beacon Hill, St Augustines and Balgowlah BHS) and Davidson High School (after wins over Killarney Heights, Barrenjoey and St Pauls). Narrabeen SHS scored 141-7 wickets off 40 overs and Davidson HS passed this total for the loss of 4 wickets off 35 overs.

#### Best Performances:

- Narrabeen SHS: C Little 54, L McMillan 32, R Bonnor 1/20, L McMillan 1/23
- Davidson HS: D Barker 46, R Rainey 37no, A Phillips 4/36, R Rainey 2/29

### MANLY CUP

This final, also at Manly Oval, on Thursday, 21 March 1996 between St Augustines College (having defeated Narrabeen SHS and Beacon Hill THS) and Davidson High School (after wins over St Pauls, Turramurra HS and Barrenjoey HS).

Davidson HS batted first and reached 191 for the loss of 9 wickets (40 overs). In reply, St Augustines made 100 runs (all out off 28 overs).

#### Best Performances:-

- St Augustines: M Parker 25, S Robertson 22, J Murphy 21  
S Berry 3/44, J Mason 2/23, M Barton 2/26
- Davidson HS: N Rainey 54, M Turner 38, Z Jordan 33  
Phillips 4/27, N Rainey 4/37

On behalf of all schools involved our thanks go to the Manly-Warringah District Cricket Club for its support of these competitions. The boys who played on Manly Oval in the finals greatly appreciated this experience (for many their first game on turf). Many of the boys are already playing with Manly and I am sure that the Club will benefit in future.

Thank you also to L Kane and P Roby for umpiring, and ensuring the games went so smoothly. Special thanks to Gordon Currie for his organisation and for securing Manly Oval and arranging the umpires.

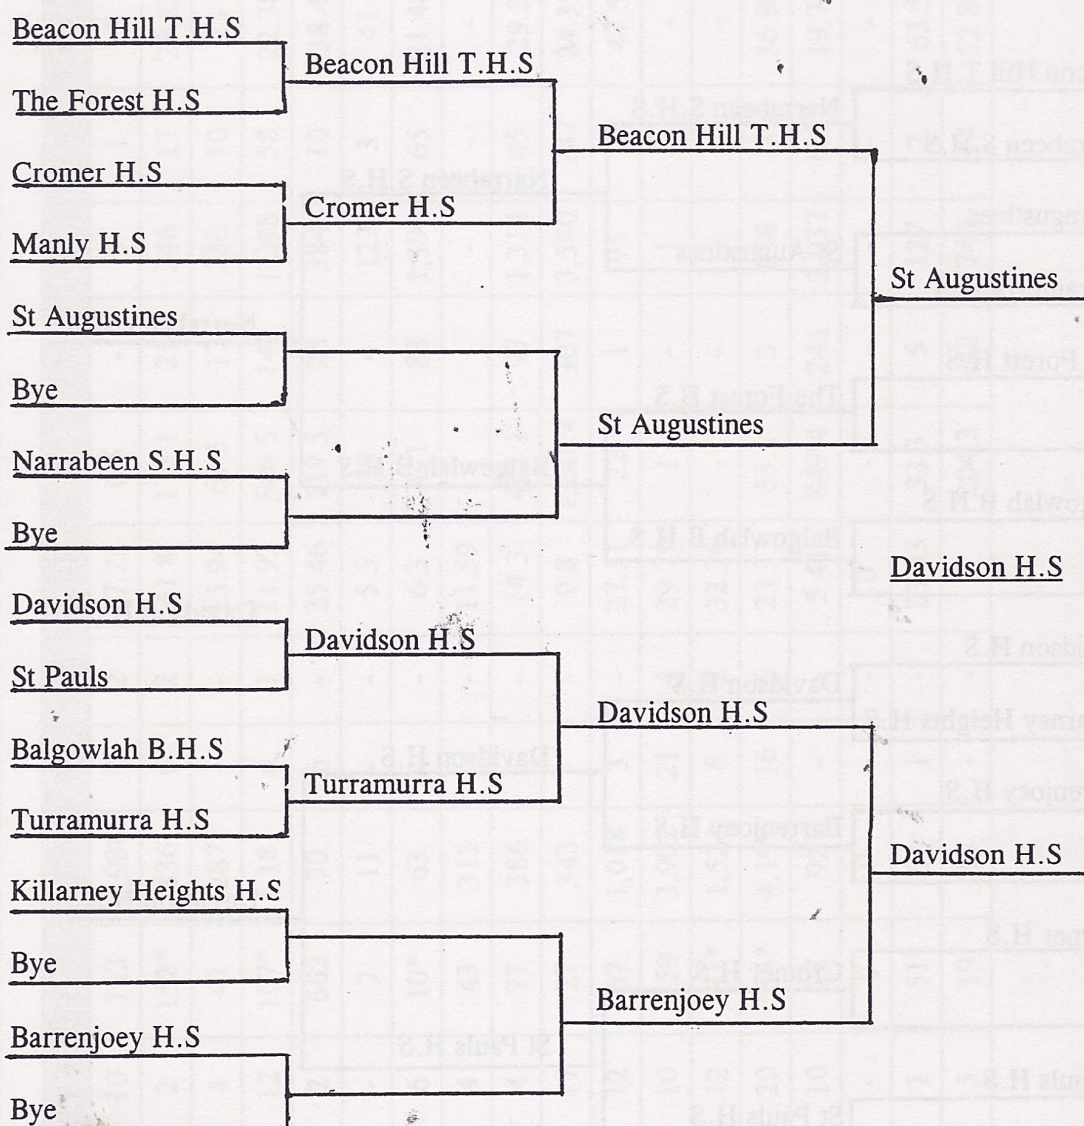

We look forward to another successful season in 1996-97, with the possible addition of St Lukes.
