125th ANNUAL REPORT

To the members of Manly-Warringah District Cricket Club Inc:

The Management Committee has pleasure in submitting for your consideration the 125th Annual report and Financial Statement.

The Club entered teams in the five Sydney Cricket Association Grade competitions, as well as the Limited Overs Competition, the Poidevin Gray, Green Shield Competitions and the Sydney Masters Competition.

COMPETITION RESULTS:

Club Championship:	1 st
First Grade:	3 rd (Minor Premiers)
First Grade Limited Overs:	5 th
Second Grade:	16 th
Third Grade:	3 rd (Minor Premiers)
Fourth Grade:	2 nd (6 th , Minor Premiership)
Fifth Grade:	7 th
Poidevin Gray	3 rd (3 rd , Minor Premiership):
Green Shield:	11 th
Masters:	1 st

Our players and officials honoured the Club's 125 years history of competition by capping a splendid season with a last round, five grades clean sweep (the third for the season), winning the SCA Club Championship for the fourth time in our illustrious history, with firsts and thirds being minor premiers and fourths in the finals. That night we shared and celebrated the achievements with many venerable, former MWDCC players and officials at the magnificent, unforgettable dinner that coincided brilliantly with the claiming of the Championship. The traditional late night, minimalist lap of Manly Oval sealed a memorable, superb season for the players.

First grade came storming back from a lean previous season, under the successful consensual leadership style and discernment of new captain Peter Procopis, achieving five outright, defeating last year's premiers twice outright, claiming the minor premiership and leaving us memories of some passionate contests. We congratulate Peter on his marriage and wish him further success with his university studies, thank him for his captaincy and hope that he enjoys his cricket after relinquishing the captaincy to concentrate more on other aspects of his life. While the many outstanding individual performances and match results are outlined elsewhere, it is important to acknowledge the efforts of our two Blues legends who have remained steadfastly loyal to the club. They have contributed quality performances in matches and have passed on encouragement and wisdom to our developing players. Superb allrounder Shawn Bradstreet almost singlehandedly accounted for Randwick-Petersham (113 & 4-22) and Eastern Suburbs (130 & 4-45) in passing the club 4000 runs and 250 wickets milestones. Shawn's outstanding club efforts were rewarded in becoming the runnerup in the prestigious, SCA, SMH O'Reilly Medal award. Congratulations also to Shawn and Catherine on the birth of their second child Dylan. Master batsman Matthew Phelps gave the team a huge impetus to the season start with two blistering innings, 144* & 136 against Wests and Penrith. In an outstanding season he broke his own club first grade aggregate record compiling 944 runs and passed the club milestone of 5000 runs. Congratulations also to Matthew and Tamara on the birth of their first child Thomas. Our newly capped Blues Pura Cup player, Mark Cameron, bowled magically to claim 67 wickets, including a match shattering 8-34 against North Sydney. It was great to welcome back Jamie Heath after injuries and note his club spirit in unselfishly captaining fifths during his recovery period, and then claim 38 wickets in firsts when they really counted, in his usual menacing manner. Blues Colts players Ryan Bonner and Mark Faraday (also Blues U19s) contributed strongly. Congratulations to Mark on his award of the highly prestigious 2003 Sir Donald Bradman Scholarship. Congratulations also to budding first graders Shane Cleary and Michael Cosentino on their Blues U19s selection. Rookies Andrew Lindsay and Peter Jacka also showed their class and promise on debut.

The excitement and success of our players rewarded the efforts of our tireless and peerless director of coaching Mike Pawley in his second year at the helm, the true heart beat of the Club.

Players matured, built on their sense of belonging and pride in the positive club culture and came to know themselves and their strengths better and played more confident and attacking cricket in the spirit Mike has embedded deeply in the club. We are so fortunate to have Mike with us as benefactor, guide and coach. Mike's use of innovative counselling work, utilising Marco Vesse's innovative martial arts preseason conditioning work, photographic analysis and video coaching techniques involving former club great Mark O'Neill were very effective. Mal Elliot's expert coaching work, particularly with our 'keepers and third and fourth grades, was another key factor enabling our players to unleash their capabilities and enjoy success. Mal's extreme efforts were rewarded in his award of Clubman of the Year.

We congratulate our captains for backing the club's non-sledging policy. At the end of the season we maintained our positive record with no player citations, few blemishes, but with plenty of commendations for the way we blended enjoyment with honest aggressiveness in the field, culminating in a season to remember. We also congratulate the many umpires, administrators and the other clubs who worked against the vulgarity of on-field personal abuse that threatens to harm the competition. We commend the SCA Committee's introduction of first grade post-match discussions between captains and umpires which have proved to be a most positive step forward.

When Richard Fry moved up to firsts Mark McInnes accepted the captaincy of seconds. While they had a lean season in terms of points, Mark's professionalism was evident as he worked hard to keep spirits up and the lads came back to assist the club with the clean sweep in the last round. There were some patches of brilliance and a number of players promise to press hard claims for higher levels next season.

Third's captain John Warn proved that positive thinking is a vital thing of the mind that can work so effectively for a team. It also contributed towards his award of SCA Captain of the Year. His implementation of the non sledging approach was acknowledged as a key factor that fostered enjoyable and profitable cricket as they swept to the minor premiership, aided by some excellent individual performances by the club's Player's Player of the Year Warren Evans and the Gaetan Juul./ Jimmy Castrisos and Brian Clemow/John Warn's club record partnerships.

Fourths came from sixth place to be very worthy grand finalists under the confident and astute captaincy of Paul Brenner. The younger players developed strongly in a team that had its own way of never yielding to circumstances or giving in when the chips seemed to be down. Simon Waddington's return from premature retirement was a shot in the arm for the team. Thanks Kate! Congratulations to Justin Cox and Chris Glasscock on establishing their club partnership record.

John Griffiths did a sterling job as captain of fifths and it seemed that they were going to outstrip the field at one early stage with three outrights, but injuries and availability of players became a problem and the momentum couldn't be maintained. Spirit was always fostered positively through John's encouraging ways. Steve Gajzmelski must be complimented for his assistance in leading the team on the clean sweep day. We also congratulate John, along with John Warn, Cameron Lawes and Brian Clemow, on becoming engaged during the season.

Our PGs showed immense potential and made the semis under Tim Cruickshank's captaincy with superb management support from Geoff Rogers, Don Sellin and Andrew Lamb who provided excellent coaching and training back up. Our Green Shield team revealed a number of very talented emerging players, captained by Luke Edgell. They enjoyed the usual impeccable management support from Tony Sullivan, as he has done over his years of valuable involvement, scorer supremo Don Sellin, and Ben King made a valuable contribution as coach. Thanks to all the GS parents who supported the team so strongly with encouragement and top draw afternoon teas. Particular thanks to Jenny Bird who also assisted the club through her expertise in the outfitting of teams.

Special thanks go to Scott Fitzsimmonds for his service as Club Captain and to Langdon Gould for his dedicated service in carrying out the difficult and extremely time consuming Chairman of Selectors role.

Congratulations to our club's true champion Michael Bevan on a string of achievements that cricketers rarely enjoy: victory in the World Cup, a record breaking run of 21 Australian one day

wins, Pura Cup and ING Cup competition victories, all in the one season. Michael extended his most runs for NSW record (8802, ave 61.9) and NSW one day most runs (2328, ave 61.26). Congratulations also to Shawn Bradstreet, Matthew Phelps and Mark Cameron for their fine contributions and success with the mighty Blues in a vintage season. It was wonderful to note also the award of the inaugural Bill Lawry Medal to our revered former player Jonathan Moss as Victorian Pura Cup cricketer of the year.

We were fortunate to welcome new players to the club including the following who made their mark strongly throughout the playing season and became loyal and very positive clubmates: Jamie Sullivan, Andrew Kemmis, Russel Parker, Zaven Jordan, Matthew Morris and Danny Reynolds, Vinnie Rehaan and Matthew Christiansen from our brother Warringah Shires Club.

It was wonderful to welcome our Masters team to the Club fold for their inaugural season. Mick Cohen has to be congratulated warmly and thanked on his superlative organisation in bringing together, and home, former club players who now enjoy excellent cricket back on Manly Oval. As well as winning their competition and having good social whirls, they have become involved in supporting the grade players at their matches and with our social events. I recommend strongly Mick's report that captures the true spirit of their continued enjoyment of the great game.

With Manly Council's excellent, comprehensive refurbishments at Manly Oval we now enjoy first class facilities. We thank Manly Council and our patrons Mayor Jean Hay and David Barr MP for their continued support and we thank NSWCA for allocating a state second eleven game, versus Victoria, that enabled the quality of the work to be recognised fully. We appreciate the efforts of Steve and Debbie Gazmelski for their quality work at the Oval. We also thank Jim Cameron and his team for their great work at Graham Reserve.

Importantly I refer you to our Supporters and Sponsors page and the advertisements where we acknowledge those who helped to sustain our cricketing success. Harbord Diggers remains a major supporter and we ask all members to patronise Harbord Diggers on the Park as well as all of our other sponsors and official supporters. We thank Harbord Diggers Chairman Hugh Tighe and CEO Greg Wilcox and appreciate the continued support and interest of James Economedes and Rob Doyle (Elders Manly), Phillip Berner (Grand United), Gary Flowers (Sparke Helmore, Solicitors), Mike Pawley (Sports Emporiums), Colin Steingold (Steingold Abel, Solicitors), Brad Hook (Lucid Surf) and the management of Harbord Growers and Sahibs Manly Restaurant. In addition we have to acknowledge sincerely the monetary grants afforded to SCA clubs from NSWCA and the ACB.

I have to thank our Club sincerely for the special tribute of Life Membership. In accepting the honour I have expressed deep appreciation of the support, over the years of club administration, from my wife Marjorie and my family, in particular Paul for developing my computer savvy that is now so important in administration, and the many club personnel I have been fortunate work with. There are many wonderful volunteers who are privileged to work selflessly for our great Club so I was humbled, overwhelmed and very grateful to be awarded the honour at the AGM.

Special acknowledgement and appreciation is extended to the following people who have contributed to the welfare and achievement of the Club during the 2002/2003 season. Our great wish is that we are able to expand this band of people who support and sustain the efforts of our players and make it all happen effectively in the matches. We are seeking particularly volunteers to assist with training and coaching sessions. :

- ❑ Geoff Rogers, Terry Castrisos, Arman Cosentino, Don Sellin, Ted Lindsay and our welcome newcomer Kari Kewt, who made her mark strongly, for outstanding scoring duties. Geoff and Don again backed up their excellent first and third grade work with assistance in PGs and Green Shield campaigns. They are both absolute gems in the hard slog work of the Club. Thanks to Adam Hennessy for his excellent management duties with first grade and to Michael Shephard who gave his usual impeccable support to first grade in his indomitable fashion.
- ❑ Langdon Gould, Geoff Rogers, Greg Bush, Mal Elliot, Steve Gazmelski, Don Sellin, Michael Shephard, Tim Cruickshank and John Lannen for assisting Mike to make the coaching and training sessions work effectively.

- ☐ David Patterson for his continued excellent statistical work including the body of work for this journal.
- ☐ Simon Couch for exceptional duties as the club's honorary chiropractor and to Dr David Moss for continuing as the club's honorary medical officer.
- ☐ Sandy McGregor for his valuable mind sessions to enable our players compose their approach to their cricket and the matches.
- ☐ The many partners, parents, friends and supporters who maintained the successful weekly canteens and afternoon teas under the brilliant coordination of Arman and Di Cosentino. We are very glad to report on the continued good health of two of our stalwart volunteers, Trevor Glassock and Erroll Cranney following recoveries from critical illnesses.
- ☐ Cameron Lawes who worked tirelessly and effectively for the club, in particular as the director of social occasions. Andrew Fraser must be thanked for the many hours he has devoted to the club this year. His masterminding of the brilliant 125 year dinner and the presentation night was superb. We thank all associated with the big dinner, in particular Debbie Organ whose work for the club has been brilliant. We note the valuable contributions of MC Tim Bailey, guest speakers Kerry O'Keefe, Kerrie Potharst, and poet Rupert McCav.
- ☐ Patron Gary Flowers for his continued generosity and ever present support for the club in many areas.
- ☐ Don McNaughton and Graham Phillips for their continued excellent work in co-ordinating our successful two secondary and one primary schools competitions.
- ☐ Matthew Betsy, Arman Cosentino and the members of the Northern Beaches Cricket Council. We again acknowledge the excellent goodwill existing between Warringah Shires, our Junior and Senior Manly Warringah District Cricket Associations. We appreciate particularly that Shires president David Millar and secretary Roy Formica have been extremely active in fostering profitable connections between our two clubs.
- ☐ To our local umpires Errol Cranney, Lindsay Kain, Peter Tasker, Ian Hills, Martin Edgell, Graham Beesley and Margaret Beaumont who are always willing to support the with umpiring pre-season and schools' competition matches. We wished our strong supporters Col and Chris Laden well on their move north.
- ☐ Our governing bodies NSWCA and SCA personnel Bob Horsell, David Gilbert, Bruce Collins, Ian Field, David Ford, David Lawson, Alan Campbell and Peter Hughes for their continued support and encouragement. We also thank particularly Trevor Houlihan, John Chapman and Bruce Collins, among many administration personnel, for their continued support and appearances at matches and official functions. It was also encouraging to note state selectors present at Manly Oval matches.
- ☐ Manly Daily Sports Editor Adam Lucius, reporters Cathy Sweeney and Paul Newman and staff photographers for outstanding story and photographic coverage. The coverage was quite superior and we thank Adam for the willing co-operation of his team. Thanks also to Matthew Phelps, Chris Glassock and Andrew Fraser for Manly Daily column coverage. We particularly thank Morgan Youell for the excellent coverage in The Northern Beaches Weekender. The Monday Manly Cricket Email News continued and its brother Manly Cricket Web Page site (<http://www.manlycricket.com>) has become a very popular site, with correspondence coming from all around the world, including from our first UK member, Barry Barnes, who visited and enjoyed some of our games and hospitality. Thanks to our sponsor Brad Hook, Lucid Surf Designs, for designing the site and to Paul Brenner for planning the site with Brad. Thanks also to Brad for his design work with this annual report.

Finally I thank all the members of the Committee for their constant efforts and generosity ensuring that the club ran smoothly throughout the year. President Tim Farriss sends congratulations to all players and officials who contributed to the club's success. He hopes to be more with us than overseas with INXS this season and predicts another fabulous season. Gordon Currie and his wife Brenda, Andrew Fraser and Arman Cosentino have been absolute pillars of support in guiding the club. New committee members Langdon Gould, Colin Steingold, Cameron Lawes and Martin Edgell have given excellent service in their areas of responsibilities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MANLY WARRINGAH DISTRICT CRICKET CLUB

Scope

We have audited the financial report being a special purpose financial report, of Manly Warringah District Cricket Club for the year ended 30 April, 2003, including the Balance Sheet and Profit and Loss Statement. The Committee is responsible for the financial report and has determined that the accounting policies used are appropriate to meet the needs of the Associations Incorporations Act (NSW) 1984 and the needs of the members. We have conducted an independent audit of the financial report in order to express an opinion on it to the members. No opinion is expressed as to whether the accounting policies used are appropriate to the needs of the members.

The financial report has been prepared for the purpose of fulfilling the requirements of the Associations Incorporations Act (NSW) 1984. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates, other than by the members, or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures include examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report are presented fairly in accordance with the accounting policies adopted by the Manly Warringah District Cricket Club so as to present a view which is consistent with our understanding of the Club's financial position, and performance as represented by the results of its operations. These accounting policies do not require the application of all Australian Accounting Standards and other mandatory professional reporting requirements.

The audit opinion expressed in this report has been formed on the above basis.

Audit opinion

In our opinion, the financial report presents fairly the financial position of Manly Warringah District Cricket Club as at 30 April, 2003 and the results of its operations for the year then ended.

COACH'S REPORT

Mike Pawley

I know it was a great season because when I sat down to write player profiles it was so easy and I felt so much satisfaction reliving the memories of eight months of my life well spent.

Thank you to everyone; administrators, family, friends and players for making our club championship year so memorable.

For the record –

5 wins	3 times : Möet Victories
4 wins	twice
3 wins	4 times
2 wins	6 times

Courageous, competitive cricket played by fine young men who make all the support structure proud to be part of your efforts.

Peter Procopis

One season as first grade captain – one minor premiership. An outstanding result.

I have spent a lot of time thinking about the special skills that Peter put into changing a diverse group of complex individuals into an outstanding team that ranks with one of Manly's best ever.

The reason for this thinking is that it is an important quality for the future welfare of 1st grade.

Ultimately I feel Peter's ability to communicate with the players on an individual basis made a large contribution to their performance and self belief. It feels good to turn up and play cricket; friendships, "Yes, I know I make a difference", "We can win this game." All of these things and more.

Congratulations on your achievements Peter. (Best 64 n.o. vs Sutherland – an emotional, memorable, match-winning performance)

Matthew Phelps

Sometimes we forget that cricketers aren't like performing seals that can reproduce the identical result with every visit to the stage.

Matthew's season was topsy turvy – breathtaking to start; mere mortal to finish.

Always an expectation when he goes to the wicket that another century is only a few hours away. Three more centuries this season, now only one off Terry Lee's record 15 for the club in half as many innings. A club record first grade aggregate made on a Manly Oval wicket that was challenging to all batsmen after Christmas with its lively bounce early on. I have always believed (and the current Australian team confirms it) that batsmen and slow bowlers are at their peak between 30 and 35 years of age. Richie Benaud always said you need a bit of luck to get on in cricket. Richie certainly had luck, being selected to play for Australia on potential and not performance. Depak Chopra says if you have the ability, and the desire is there, anything is possible in your life. So Matthew, the age is right, if the desire is still there and you have a bit of luck you could still play for Australia. Why not? You are good enough. (Best 136 vs Penrith, magnificent innings against a class attack)

Tim Cruickshank

If Tim was a race horse you would say he was bred in the purple and destined to win a big event one day.

My dad always said if you want to be a cricketer you've got to look like a cricketer.

Grahame and Leslie Cruickshank are the sort of parents who look like they would breed a cricketer. Tim always looks like the quintessential cricketer.

This season was a big growth in Tim's apprenticeship. A year when the "Yes, I can do that" became his mantra. A year when he overcame the disappointment of being dropped to 2nds and still scored 813 runs at 37 and took 22 brilliant slips catches.

A year when he learnt to put a high price on his wicket when he made a start.

A year when he learnt the value of moving his two feet.

Bred in the purple patience, perseverance, persistence, love of the game, all important qualities to pursue your dreams. Yes, you can do it, Tim. (Best 96 vs St. George in a game when Manly chased 348 for a no point tie and Tim and Mark came of age as batsmen.)

Shawn Bradstreet

What a corker of a season. Wickets every time you bowled, runs every time at the crease; every wicket and run hard fought for and earned.

Almost a perfect summer with Pura Cup, ING Cup and almost Belvedere Cup trophies on the mantelpiece.

It was so close wasn't it Shawn; a tantalising tease, a tear-wrenching moment when it was suddenly all over.

All those weeks of yearning for a lifetime dream to come true, all these weeks of the off season waiting to have another go at the prize. Patiently waiting. Our turn will surely come. (Best 113 vs Randwick – match winning, belief inspiring performance)

Stephen Spoljaric

The statistical analysis of a player's season doesn't tell the whole story. Where do we record contributions to matches won, times at the crease when passing the opposition score, game-breaking moments like freak catches, wickets thrown down, achievements against the run of play? That match against Fairfield was a great game if ever there was one. And there was Stephen Spoljaric, revelling in the heart of the battle, deftly steering his team to a glorious victory, as Stephen Spoljaric can.

New Zealand bred racehorses are given plenty of time to mature, are better over the longer distance, continually improve with age, go well on wet tracks.

You've got something special brewing on the inside Stephen – thoroughbred racehorse, a vintage red wine approaching maturation.

Perhaps a bit of NZ blood in your distant ancestry?

Come back to Manly and score 1200 runs because you can. Captaincy?

These are the moments that make the real character inside us all. I have really enjoyed your company. (Best 40 vs N.S.; 40 n.o. vs F.F.; 86 vs Pen; all first class innings)

Jamie Sullivan

There are so many nice things I want to say to you Sully, I am not sure where to start and whatever it is, I fear I might fall short of the mark. I will just let the pen flow and see what comes of it.

You enhanced the spirit of first grade and the club.

You are an outstanding asset to the club.

You bring a positive mental attitude.

You bring happiness.

You train hard.

You are committed to your teammates.

You are a passionate competitor.

You make a difference.

You make lifetime friends easily.

When I think about you I smile on the inside and experience happiness.

You are every coach's dream player. It's been great having you at Manly. (Best 47 vs UNSW; 47 vs F.F.; Match-winning gutsy effort)

Mark Faraday

There are seasons when you get to the end and you think – what was the point of that? Others you know you are at a different place in your life to where you were six months earlier. You have changed a lot in the past six months Mark.

There is a growing awareness of your reality. You know you think differently now to then.

You know you are a better player now to then. You know you have cemented friendships and you are on your path to achieving your long-term goals to cricketing fame. You are confident your dreams will come true.

You know ambition needs to be nurtured with patience and perseverance. You know the exhilaration that comes with success, and the despair that comes with failure. You know you can't have one without the other. You know you can deal with these emotions.

At the start of the season, Mark, I wasn't sure that you would make it one day; by the end of the season I saw glimpses of something really special emerging.

You are an exciting young batsman and a real future awaits you in cricket. Some of your innings after Christmas were treasures to watch. You are also a great asset to have at the Manly Cricket Club.

P.S. I don't think it did your mum and dad's health any good watching you this season.

(2nd Best 76 vs Mosman; 3 x 6's and 13 x 4's but we didn't win so Best 68 n.o. vs F.F. – a courageous innings and it counts because we won an amazing game and you played an amazing innings.)

Dick Fry

Another body is what you need Dick. Your drive and passion and experience is wasted on your body.

If you live long enough, I am sure you would be able to get a body transplant around the wonderful qualities you continue to share with your less experienced club mates.

Was the club Championship enough reward for your effort or did you want that first grade premiership more?

Stick around Dick; the players need you.

(Best 96 vs F.F. – vintage Dick Fry)

Mark Cameron

Fit, athletic, competitive, fast, persistent, relentless, thoughtful, passionate, driven, ambitious, happy, friendly, committed, loyal, caring, considerate, panther-like, puma, leopard.

First class Pura Cup debut in the same team as Mark and Steve Vaughn at hometown Newcastle.

Penetrating fast bowler who frequently gets a wicket in his first over. Had Michael Clark caught behind in first over of first match of the season. Took a wicket in his first two overs on 10 occasions.

Had 50 wickets by Christmas. Throws rocket returns from the 3rd man boundary – even when he doesn't have to.

Well balanced batsman who is equally likely to get out caught or bowled. Is that a well balanced batsman? A friend – to everyone. (2nd Best 8/34 vs N.S.; Best Michael Clarke Ct Faraday, bowled Cameron O)

Jamie Heath

I love watching Jamie Heath bowl. From the boundary there always seems to be a chance that the next ball will produce a wicket.

Jamie beats the bat so often it doesn't seem possible that he hasn't taken eight wickets every match.

When he is fully fit, Jamie is without doubt one of the best fast bowlers in NSW cricket.

While he was injured Jamie helped the club out by captaining 5ths for two matches, making 50 in each game and taking his season's batting aggregate past his bowling tally for the first time on record.

Whilst he went winless as a captain on the field, he won the respect of everyone in the club for the connection he made with his players and his selfless attitude. (Best 4-32 and 3-4 vs F.F.; unplayable)

Ryan Bonner

Bowler, batsman, fieldsman, extraordinary athlete. How good do you want to be Ryan? What are you going to have to do to achieve your goals? Eight more years of perseverance until you reach your peak and who knows? You might be the only leg spinning all rounder left playing the game by then. That thought has tantalising consequences. (Best 60 vs N.S., including six onto the grandstand, 5/55 vs Penrith semi)

Mark McInnes

At the crossroads. Where to from here? Continue to play grade cricket for the love of the game and the friendship that comes with being such a great club and team man?

Or somehow find a way to fight your way back to the top.

You are a pleasure to have around Mark, so you are sure to find the right solution to your dilemma. (Best 4-49 vs Gordon; 76 vs Campbelltown, or was it a century?)

Craig Little

That was a weird season for Craig. 1sts, 2nds, 3rds, failure and successes. There was always a hint that Craig was about to put in a match-winning performance and then something would happen.

The best is yet to come and the groundwork has been done. (Best 46 vs F.F.)

Andrew Lindsay

Andrew showed so much enthusiasm about batting at practice that there was a lot of Warren Evans in him. Frustrated fast bowling batsman starving for recognition at the top of the order where other mere mortals unjustifiably took his place.

Well, there was one shot Andrew that was worth watching. That last ball against Sydney Uni in the first grade 50 over match that you coolly scored the winning run off. That was a great moment. (Best 5-47 vs Randwick)

Shane Cleary

On the verge. That's how I see you Shane. Sort of there but not quite. Talented!

A match winner? Are you a match winner?

When I look at all the individual performances in the club I don't see the individual scores but the number of times each individual made a real contribution to a victory.

Particularly a victory against the odds.

That defines a real class player.

Next season I want to see you there at the finishing line when our number goes up, against the odds!

Match after match!

The universe will know you really mean business when you eliminate no balls and wides from your repertoire. (Best 7/29 vs N.S.; 58 vs Sutherland – a classic knock)

Andrew Lamb

This well built cricketer was one of the outstanding clubmen of the season. Trained and trained and trained. Helped out at every opportunity. Tried even harder when dropped to 2nds. Bowled his heart out whenever at the crease. Sadly lost to England for a few seasons but remembered as a dear friend who played in the true spirit of the Manly Cricket Club. (Best 6-54 vs Sutherland; 38 vs St. George after committed batting practice)

Perry Stahmer

Perry is probably the mystery player of the year. Participant in two highest partnerships with Phelps (1st wicket 175); opening batsman with prodigious ability to deftly let the ball pass the bat and main scoring shot the lofted drive over mid-on.

I didn't really get to know you Perry, but I think there was something really good there when you peel some of the layers back.

Michael Bevan

The records show Michael Bevan's Manly season, 1 innings for 38 against Penrith. This to the plight of all grade clubs that have outstanding international cricketers in their midst. Michael has expressed a lot of interest in coaching cricket at higher levels when he returns. There could be opportunities for all of us to share the wisdom of Michael's remarkable cricketing experiences over the next few seasons. For me there is the exciting possibility of sharing some coaching time with Michael before he moves on.

Bruce Martin

2nd XI finger spinner from NZ who played five matches and took five wickets at 61 and reminded us all just how tough Sydney grade cricket is.

Andrew Kemmiss

Well Andrew! What does it feel like to have had a season of tough competitive grade cricket? Can you cross the bridge that connects 2nd grade standard to 1st grade? You certainly made an effort and contributed greatly to your team and club morale. I will be watching with interest to see where your next season takes you. (Best 90 vs Hawkesbury)

Michael Cosentino

Enjoyment is a great motivator. If you are enjoying your game there is a good chance you will realise your full potential.

Play for the fun and the friendship Michael, and who knows where your cricket journey will take you. You seem to have been around for so long and yet youth is on your side.

There is no rush to get to the top. Your turn will come when the time is right. I believe you are a first grade cricketer. (Best 92 vs Penrith)

Alex Maidment

Something like Manly's version of what Michael Bevan is to the Australian test team. It must be very frustrating being on the fringe. Sort of in and yet not in.

That wasn't an easy season, was it Alex?

Whatever it was like for you, it was great having you as a member of the club.

You are a great team player who always does his best no matter the circumstances. And you can score centuries, the sign of a true batsman. (Best 101 vs Penrith)

Matthew Cranney

The season finished so well for Matt it was a pity it came to an end.

Those 50's! If you are batting that well there can't be much more required to make the conversion to hundreds.

Your standard both as a batsman and as a wicket keeper wasn't far off first grade.

There is still plenty of time. (Best 62 vs UNSW)

Scott Fitzsimmons

Your batting was as flamboyant as those colourful stickers adorning your Afghanistan cricket bat. Booming drives and booming outs.

A great team and club man who will be sadly missed if he doesn't come back from England next summer.

Peter Jacka

Peter got to first grade this season and that memory will stay with him forever – vs Gordon, Killara Oval.

His promotion was a fitting reward for effort. Countless hours of dedicated training, patience when given a bowl or not given a bowl and at all times a gentleman.

A triumphant season made more glorious by moving out of the club's worst three batsmen category for the first time.

Like all tailenders should, Peter made a real effort to improve his batting skills so that if the time comes he is capable of winning a game with the bat. (Best 1st grade debut vs Gordon – great run out and 2-12)

John Warn

It is a lucky club that has players like John Warn in its midst. Passionate with a capital P.

Captain of the year in 3rd grade, led his team with integrity and honour in the true spirit of the Manly Cricket Club.

What other captain in grade cricket introduced himself to the umpires at the start of each match with a warm Manly handshake and a commitment "We're a non sledging team"?

I don't know what John will do without cricket because he is a driven man who finds a place on the cricket field to express his boundless energy.

If there is an alternative, getting married to Marguerite is undoubtedly the best option. Good luck to you both.

Trivia question: What was John Warne's most common first scoring stroke – a four or a six? (Best 80 vs R.W. and just being there)

Brian Clemow

I am sorry that I wasn't around when you were in your hey day as the champion batsman everyone who played with or against you remembers.

You have replaced one passion (cricket) with another even more magnificent (Justine) and I look forward to having a glass of red with both of you whenever you drop in at Manly Oval. (Best 117 vs Wests)

Simon Couch

Three more centuries Simon. If we can get you to stay around long enough you might even break Matthew Phelps or Terry Lee's record.

You add class to the club. We are all blessed having a cricketer of your calibre and a man of your presence representing the club on weekends, even though your life is so busy.

Thank you for sharing your incredible talents with us. (Best 146 vs Balmain)

Warren Evans

Dear Wozza,

We've had two great seasons together haven't we? Despite the setbacks! Two semi final losses, a near missed century. I can't understand why captains (including yourself) don't bat you at the top of the order. And it's unfair when those young batsmen show no respect by taking a single when you are fielding at mid-on (or is it more like long-on).

As a bowler you are in a class of your own at this level.

Get yourself off to pilates classes to keep that body of yours well oiled. I want to share the ecstasy of a competition win with you before you hang up your boots. (Best 8-39 vs N.S.; 92 vs Campbelltown)

Jim Castrisos

Solid as a rock Jimmy. One of the few batsmen in the club with any patience.

In fact it is almost like you are a misfit Jim. We aren't renowned for our ability to graft runs.

In and out of 2nds makes for a difficult season. I hope you can find the enthusiasm to have another go next summer. (Best 119 vs Mosman)

Cameron Lawes

I feel like there is a song unsung – a chapter not yet written in the Cameron Lawes cricket saga. Something dormant waiting to burst onto the field.

Are you jinxed Cameron? You, Warny, Wozza, Cox, Wall, Parkinson, Ashton, King, Steingold, Brenner, Youell, M. Lindsay, Couch, Trevaskis. Fourteen of you, all losing finalists two years in a row.

I am getting a hypnotist in next season to deprogram your subconscious needs to ingratiate yourselves to the opposition by allowing them victory. (Best 92 vs Sts)

Gaetan Juul

You are the epitome of cricket being a gentleman's game, Gaetan,

A beautiful batsman with a flowing blade; 3 centuries each for 3 talented cricketers; Phelps, Couch, Juul.

It was wonderful that you could find space to share your special talents with the club and help us to a minor premiership in 3rd grade. (Best 134 n.o. vs Mosman)

Jay Trevaskis

There is no doubt that the highlight of the season was you in your Reg Grundies taking out the stumps at Manly Oval at the end of that fabulous first grade win against Fairfield. Next year the full monty please when we win the final. My photographer mate Don Arnold will be there to make sure your effort is recorded for all to see and measure up to.

You have been a great club man again Jay. We are still looking for an opener in firsts. (Best 72 vs Sutherland)

Michael Lindsay

I don't like putting the Mocha on an up and comer by suggesting he has a future in the game so I won't say that about Michael.

I can say he is big and strong and he bowls a bit like McGrath and there's no reason why he can't be as good as him. And he can ride a bike backwards juggling balls in both hands.

His 19 wickets in P.G. was the most taken in any club. How's that!

Chris Glasscock

Man for all seasons. W.K., opening batsman, captain, tail ender, 3rd grader, 4th grader. Always done with a smile.

Always with his fan club (mum and dad) in patient vigil on the sideline.

Sadly Chris is leaving and we will miss his happy presence. (Best 73 vs Balmain)

Morgan Youell

As a bowler, when you get dropped a grade, you should get promoted at least 3 positions in the batting order.

No matter for Morgan that he was 11 in 2nds and even though he captained the team he was still 11 and John Warn left him at 11 in 3rds.

Perhaps there is status in being able to say you are a number 11 batsman. Whatever, Morgan is a champion club man and a real sportsman in every way. (Best 5-19 vs Gordon)

Justin Cox

The best is yet to come! Coxy has promise and real potential. There will be a turning point in his playing days very soon when consistency and self belief will prevail.

Could it be that the off season spent with mentor Stephen Spoljaric in the Scottish league will make the difference? (Best 96 vs Balmain)

Paul Brenner

Lawes and then Glasscock and then Paul Brenner captained 4ths – Paul leading the team to the grand final from 6th position and beating minor premiers St. George in the preliminary semi.

His team came together as a real fighting unit and ultimately were disappointed with the final result. Paul is a gentleman, competitive leader who represents everything that is good about playing with Manly.

Another two centuries for a busy man with a full-time workload reflect Paul's ability to concentrate and that he is a class batsman.

John Griffiths

Rookie of the year! Prodigious Alan Davidson, Gary Gilmour style medium paced genuine swing bowler.

An asset!

Exuberant, caring, competitive, energetic, team man.

Loves winning.

In my analysis of the players performances, I initially rated you as the worst batsman Manly Warringah 2003. However, that slogging 6 out of Petersham Oval in the 4th grade grand final has given me cause to reconsider.

Having reconsidered I now officially award you worst batsman trophy, Manly Warringah 2003. Well earned.

It's been great having you John. (Best 8-27 vs N.S. 5ths)

Simon Waddington

Good on you Simon. It was wonderful having you back on the field after a ten match retirement. There's plenty of cricket left in the old dog yet.

The younger players are so blessed to have a good man sharing his life's experiences with them on a Saturday afternoon. Another reason why we are club champions. (Best 63 vs Sts)

Stuart Griffiths

What a year Stuart. 5th grade, 4th grade captain, broken finger, runs, no runs, it was all happening.

The Griffiths boys must have been born with the Manly spirit running through their veins because Stuart and John were morale boosters every time they took the field.

An outstanding first season. (Best 93 vs N.S.)

Michael Ashton

Mikey. You saved the best till last, didn't you?

You bowled so well in the grand final – so well in fact that I was quite amazed. Few of the Petersham batsmen managed only 60 runs while that other bloke made 140. That was so frustrating.

Next season you and I are going to do some serious training together to find out just how good you can be.

There is opportunity and first grade is possible for you one day.

Think about that Michael. (Best 6-48 vs Suth; 5-33 vs Petes, Final, outstanding)

Dean Steingold

One of my memories of Dean's cricket this season was of three excellent outfield catches he took in one match, and he took those catches because he had made an effort at training to work hard on a particular part of his game.

This ability to focus and work hard on developing technique is a feature of Dean's attitude.

Two seasons of grade cricket for two 4th grade grand finals playing alongside great Manly mentors like Andrew Fraser, John Warn, Paul Brenner, Simon Waddington and Adam Parkinson represents a university degree in cricket education.

I am very pleased with the way your batting technique developed during the season, Dean. (Best 59 vs Mos). It's time to make a big score.

Ben King

My previous experience in writing newspaper ads that work is this – get your message over in as few words as possible and stay on the subject.

Like the John Singleton written ad for the Australian Labor Party led by Gough Whitlam in 1974 said – It's Time Ben! (Best 59 vs N.D. 4th Semi)

Josh Pedersen and Richie Butterworth

Who would be a wicket keeper? I always thought the measure of a wicket keeper lies in his ability to perform against spin bowlers.

Few spin bowlers, how do you measure?

No byes, no dropped catches, score plenty of runs; and a good dose of luck. Funny thing – you know a wicket keeper is great when you don't know he is there.

Both Josh and Richie are wonderful team and club men who train to be competitive. I wish there was an easy path to the top for both.

Simon Wall

Is Simon Wall destined to play the rest of his life in 4th grade or is there a way for him to curry favour with the selectors' hearts and go up the grades?

What do you think, Simon? What's the key to long-term promotion? (Best 5-19 vs S.U. 3rds)

Adam Parkinson

You are a real competitor Parko. Have we seen the best or is the best yet to come?

What would motivate you to stay on until you get the monkey off your back and hold the Moët filled trophy to your lips after a grand final win?

Cox, Steingold, Petersen, Ashton, Wall, Parkinson – 2 losing grand finals in consecutive years.

Refer item "Ben King" (Best 71 vs Petes Grand Final 4th grade -A class innings)

Louis McMillan

I shed a few tears at different times last season and one of them was the day at Grahame's Reserve when Louis was so determined to take a catch that he ran through the wire fence and shattered his arm in the process.

I was sad because Louis had put in so much effort to reinvent his game and the middle three months of the season were taken away in a moment.

That's what cricket is, isn't it? A series of moments. An edge, a catch, a run out, a shattered stump – a moment when you are suddenly out.

That must be why they say cricket builds character – the ability to overcome adversity with a smile and an optimistic attitude.

Louis brought his smile and his optimistic attitude back from recovery and played in the 4th grade final and P.G. semi final.

You are old in cricket years, yet young in life. Stay ambitious. Who knows? (Best 69 v Gor.)

Stephen Gajzmelski

Every club should have at least one fifty year old in its ranks. And a groundsman to boot.

Stephen's play and captaincy was widely applauded when he helped out in the final two rounds including the outstanding captaincy of 5ths vs. Campbelltown victory to get us over the line in the club championships. (Best 55 and 4/37 vs. Camp.)

Jarrold Baker

Jarrold is part of our new generation. Trained hard, fitted into the team culture easily. Keep at it Jarrold. We need some of your age group to come up with the goods in the near future to maintain our strong position in Sydney cricket.

Danny Reynolds

First season from shires. Danny had done so well that he had established a place in 4ths before missing some vital games through illness in the lead-up to the semi finals.

Danny can feel very satisfied with the product of his efforts at Manly. (Best 57 and 4-29).

Luke Campbell

Lukey, Lukey, Lukey. You are a better batsman than your performances indicate. A complete renovation of your technique is probably in order if you are to realise the potential that you obviously have. (Best 49 n.o. vs. Easts)

Matt Christensen

Shared WK with Luke Campbell and Richie Butterworth and Russell Parker. It was one of those years for WK's with nine trying for only five places.

Matt scored runs early on when there was little bounce in the pitch (a bit like Weldon Reserve).

Not so many runs as the wickets got more bounce and then a back injury made WK difficult. You are a tall man Matt and that makes Wicket Keeping doubly challenging.

It's time to make some changes to your batting technique.

I always found Matt to be a real gentleman who appeared and played like a true blue Manly cricketer.

Joel Mason

Joel's return to the club was spent between 4th and 5th grades.

There were some successes, but there will be many more when Joel learns to shut the gate between bat and pad.

We need openers Joel so persevere!

Ankesh Chopra

It's a miserable game for a spinner Ankesh. Grahame's Reserve with no bounce, one day matches with limited opportunities. It was a frustrating season for you, wasn't it? You've got 12 years to get to the top if you want to make it. Stay patient. (Best 51 vs East)

Forrester Leahey

Forrester, you are the sort of bloke who could be club president one day. I can see the headlines now. "Successful Alpha Romeo-driving business tycoon takes on presidency of his beloved Manly Cricket Club".

I do know how much you love cricket and this club.

So much so that I have taken this passion into account by awarding John Griffiths the trophy you should have won.

Luke Edgell

Sometimes when you think you are marking time with your cricket career you are actually making progress, even though you don't know it.
Just being on a cricket field amongst experienced players offers knowledge and wisdom about the science of a very complex game.
This information which is stored forever at some level of your subconscious mind will be there to draw on when needed at some time in the future.
So the game is as much about experience and personal development (unmeasurables) as it is about averages and statistics.
Luke's first season from shires was interrupted with injuries and at times limited opportunities.
As captain of the Green Shield team you have taken on a significant role in the history of the club.
You have been a great club man, Luke. (Best 4/29 vs Camp).

Matthew Morris

Mastering the art of leg spin bowling is probably the greatest challenge of all bowling skills. Firstly it's about accuracy and then variation and both come through practice and match experience.
Problem with being a leggie is you get hit for six every time you miss the target.
So Matt, it is all about accuracy, practice, practice, practice, and then it is about opportunity so hope you play under some enlightened captains in your career.

Vinnie Reehan

Happy, smiling Vinnie. A young man with a sense of humour and an excellent competitive spirit.
Reehan, Reynolds, Edgell and Christensen had their first season in grade cricket after coming through the shires.
The grade club greatly appreciates the shires for the work they do in preparing our local juniors for the transition to the highly competitive challenges of district cricket. (Best 51 and 4/40 vs N.S.)

Nathan Dodd

Nathan has gone to England to have a go at first class cricket. That deep driving desire to get on is the starting point. Good luck Nathan.
A magnificent final innings for the club, 133 vs Sutherland – a match winner.

Ben Cohen

Ben is a real talent as a cricketer. I firmly believe a full-time first grader in most clubs. Hope you get bored with the rest of your life Ben and come back one day.

Russell Parker

Russell came to us from NZ with a beautiful pair of WK gloves that were hardly used. No room at the inn for wicket keepers, said the selectors, so Russell gave it his all as a batsman in 5th and 4th and even a 2nd grade game.
You are a very welcome addition to the club. (Best 49 vs Suth)

Aidan Baker

Green Shield and a couple of 5th grade matches and just about to leave Shore and join his brother in club cricket. This is good news for the canteen staff as mum and dad both look like good scone makers. We are going to see a bright cricket future for the Baker Boys. (Best 68 vs S.U.)

Peter Lindsay

Fourteen year old Peter of the famous Lindsay clan made two fifties in 5th grade so he is following his talented brothers Andrew and Michael along their cricketing path.
Dear Ted: If you had another eight sons we would not need a recruitment committee.

Zarban Jordan

Zarban was available for a few games and when he made a start he really hammered the ball. A full season next time would be great Zarban.

Ben Rowse

Played 5th as a leg spinner and I think he has the potential to be a good bowler one day. Come back next season, Ben.

Bob Brenner

Sometimes my words don't need to be written because the feelings of gratitude and satisfaction are so strong that my words can't truly describe them. So thank you Bob! You know what I mean – for everything.

Mal Elliott

What I liked so much about seeing Mal training with much younger men at Manly Oval was that a real connection was made that crossed the boundaries of respect and tolerance and age.

No silly old man here syndrome. No “who does he think he is” syndrome. No “what's that old bloke doing here?” Respect, mutual admiration, trust and ultimately friendship.

It was like watching a love affair develop between players and a coach who came at the game from different periods, who both loved and respected the game dearly and who ultimately shared the emotional content of the climactic end of season final, as equals.

This was the stuff that makes being part of the history of Manly Cricket Club so special.

Good on you Jilly for keeping him going.

Langdon Gould

Langdon picked up more ball machine balls than the rest of the club put together and claims he lost 9kg as a result.

That could be the only reason why anyone would volunteer to be chairman of selectors. A nasty job but don't tell the next bloke.

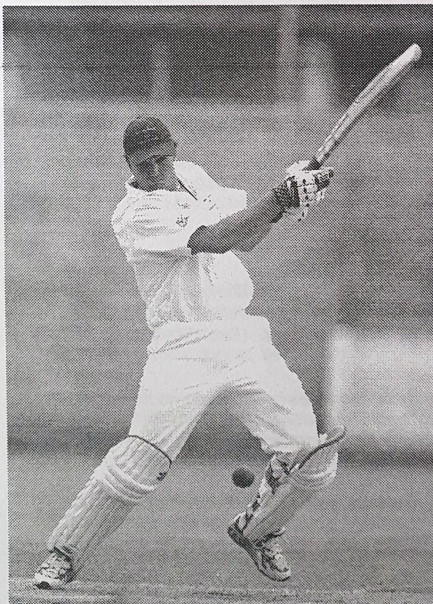

You have been a good companion Langdon. Thank you.

So, from top to bottom Manly Warringah District Cricket Club is in good shape for the future.

Outstanding senior cricketers, with a blend of maturity, and ambitious youngsters.

We can all look forward with optimism to the start of next year knowing we can do something we have never done in 125 years of history:

Win back to back Club Championships and at least one grade competition.

Tim Cruickshank

Celebrating the 1st Grade Minor Premiership

1st GRADE REPORT 2002/03 SEASON

(Editor's note: Thanks to Matthew Phelps for this report as captain Peter Procopis was unable to write the report)

Peter Procopis

The Year that could have been but wasn't.

The 1st grade cricket team of the Manly Warringah District Cricket Club had a very successful season gaining Minor premiers of the Sydney Cricket Association competition.

The most successful part of the season wasn't being minor premiers or being classified as probably the best team in the competition but the way the team grew as one during the season, senior players decreased their demands on junior players and junior players started to grow up and play to their potential.

Shawn Bradstreet

Shawn Bradstreet

Shawn had an outstanding 2002/03 season 600 runs and 58 wickets showed the selectors of state teams what an extraordinary talent he is. His leadership of the younger brigade was first class and the Pura and ING Cup testament to your courage and tenacity.

Matthew Phelps

Matthew again displayed his undoubted skill by breaking his own 1st Grade batting record with 943 runs. His development during the year was not primarily in runs but mainly in running the mind game efficiently.

Matthew Phelps

Tim Cruickshank

Tim had an outstanding year after one he would rather forget. This was due to a lot of hard work but also a lot of help from Mike Pawley on the mental side of the game. He also possesses one of the safest pair of hands in the team which resulted in the most catches in the club. I hope Tim comes back from England an improved player also possessing that hunger and desire to succeed again next season.

Steven Spoljaric

Spolly probably didn't have the season he would of expected, but when he was needed in tight situations he always shone through. His catching was always of the highest calibre and he has that Mark Waugh ability to make hard catches look easy. At this stage the club is not sure of Spolly's movements next year but if he isn't at Manly we wish him all the best in his quest for success.

Mark Faraday

Mark would have to be the real success story of the season. Before Christmas he was dropped to 2nd grade due to poor form with the bat, but to Mark's credit he gritted his teeth and worked very hard on applying himself the batting and restructuring his life. This resulted with Mark scoring 4 50's in his last 7 bats in 1st grade to give himself a great spring board for next year.

Peter Procopis

Peter from a pure statistic's point of view didn't have a great year, but the impact peter had on the team was his unwavering support of individuals and his uncompromising attitude towards the team comes first.

Jamie Sullivan

Sully the human calamari, was the joker of the team but when he had the ball in his hand or the bat he is competitive as anyone in the grade competition. He scored the majority of his runs when we needed him to and he got most of his wickets when we lost Shawn to state.

Mark Cameron

Mark had the season of a lifetime, his 68 wickets nearly created history by overtaking the club record set in 1960 by Jim Randall.

James Heath

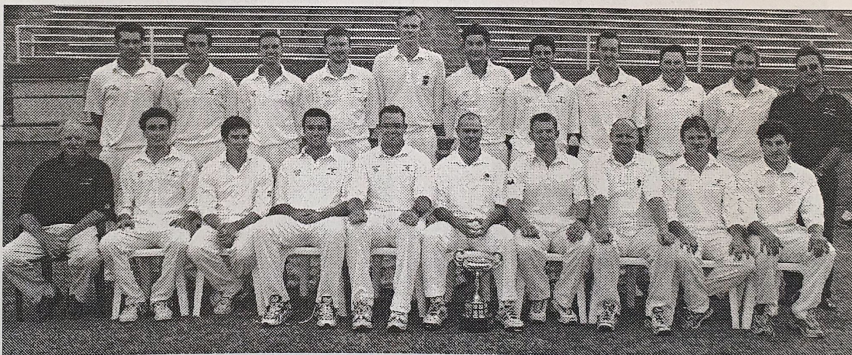

Heathy came back really strong after Christmas due to improved fitness and strength within his body. He was probably our best bowler during the finals campaign with some devastating spells. Heathy must find time during his busy schedule to put some work into his body if he wishes to play at the level he wants to.

Ryan Bonner

Is one of those guys that one minute is on top of the world and the next on the bottom. When he was on fire he possesses great talent and that was displayed during games against Sutherland, North Sydney, and the semi against Penrith.

Richard Fry

Dick the enigma played with the passion and intensity of a 29 year old this year. His keeping was of a high standard and his 96 against Fairfield and his 2nd innings partnership in the quarter finals was like old times.

A Vote Of Thanks!

Geoff Rogers for his unconditional attention to all our needs as well as being the most impeccable scorer in the SCA. Thanks for your total dedication to us Geoff.

Michael "The Good" Shepherd who has captured our hearts with his total commitment to the team and our range of needs at training and match day. "Juice" is one of those totally reliable people who made our team and the club hum with success this year.

Adam Hennessy, rookie team manager of great note. His effervescent spirit was a tonic to us all and his application to practical needs was always appreciated.

Congratulations on your engagement Adam.

Adam Hennessy

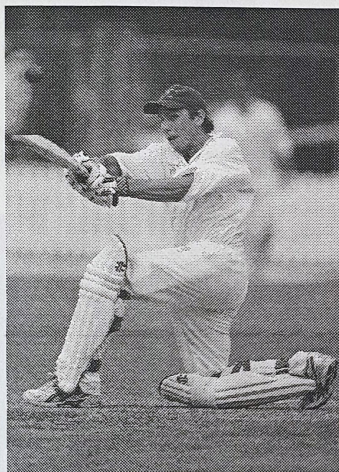

Steve and Debbie Gajzmelski for the quality wickets produced and support given throughout the year.

Arman Cosentino for the multitude of practical assistance he has given to us and the club. His organisation of food supplies was first class. Thanks also to parents, family and friends who helped at afternoon teas and the canteen, in particular Robyn and Graham Faraday. We must also appreciate the support of our partners and girl friends who supported us through all the highs and lows of the season.

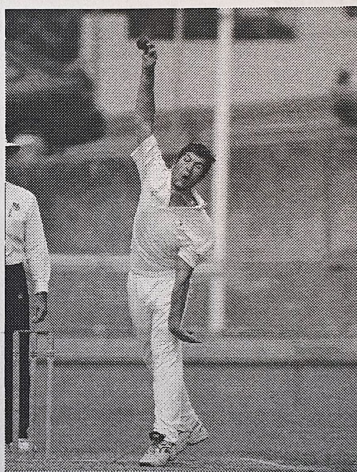

Mike Pawley for the wise and ever-present support he gave to our team and the club. His excellence in coaching and personal support of all players showed out in the great competition results. Thanks also for the wonderful training support of Mal Elliot.

Bob Brenner and the hard working committee that backed up the efforts of all players throughout the season. Congratulations Bob on your Life Membership.

Congratulations to all club players but in particular to those players and captains in 3rds, 4ths and PGs who got up into the final series after outstanding efforts.

Andrew Lindsay makes 1st Grade Debut

2nd GRADE REPORT 2002/03 SEASON

Mark McInnes

Frustrating, trying, experience, fun, enjoyable, crazy, loose. These are the words that describe season 2002/03 for the MWDC 2nd Grade team. In a Club Championship year, there were only limited celebrations for the second graders.

In a season with little return, the lessons learned go beyond just results. With only five (5) victories this season, there were plenty of times where we questioned our motives for playing this great game.

The first four games brought no return for the Manly boys with three (3) losses and one (1) draw. The Randwick – Petersham game saw Morgan Youell steer the team to its first victory.

I was appointed the captaincy from the Hawkesbury game onwards and we continued Youell's good work and chased 250 plus to beat the Hawks at home. Tight bowling in the first 15 overs set up the game, limiting the Hawks to 251 on a road. Our batting, led by Andrew Kemis (90) and finished off by Fitzy (50*) saw us to victory over the then league leaders.

A dominant display against North Sydney secured our third victory on the trot. Things were looking up!

The turning point for the season came during the Easts game. Chasing 225, we were 2/60 overnight but were bowled out for 185. Victory here would have sent us to Christmas with four wins and still in touch with the leaders.

The Sutherland game was possibly our finest hour. They posted 200 with Lamb and Lindsay taking 3 wickets each. Overnight we were in a solid position 5/119, however, we collapsed to be all out for 161, a deficit of 39. A Lamby (6/54) led revival in their second innings saw Sutherland reach only 114. Needing about 4 an over for victory, we finished 3/154 resulting in an amazing victory for the Manly boys.

Our final game was when the Manly machine flexed its muscle. Whilst the bowlers had done the job all season it was up to the batsmen to stand up. Winning the toss, we set Campbelltown a target of 238 for victory, McInnes (76) and Cozza (65*). Lamby (4/24) and Shane Cleary (3/22) destroyed the Campbelltown top order on the bowler friendly wicket with Pete Jacka (3/13) cleaning up the tail. Campbelltown, blown off the park for 63. This victory, on a par with the Sutherland game, proved crucial to our clean sweep of Round 15 and ultimately the 2002/03 Club Championship.

Throughout the year we tried many things, even running backwards around Manly oval, in the search for victory. At times the ugly duckling of the club, the 2nd graders showed true character dominating Campbelltown in the final game. We played to our potential and it almost made up for a pretty ordinary season.

Season Highlights

Our five victories including Outright victory v Sutherland after losing on 1st innings

First Grade experience for: Andrew Lindsay, Shane Cleary, Pete Jacka, Alex Maidment, Mark McInnes, Andrew Kemis and Craig Little.

Bowling Campbelltown out for 63

Alex Maidment – 101 v Penrith

Andrew Kemis – 90 v Hawkesbury

Michael Cosentino – 92 v Penrith & 65* v Campbelltown

Scott Fitzsimmons – 57 v UNSW

Matthew Cranney – 55 v Fairfield (in 46deg heat)

Mark McInnes – 76 v Campbelltown

Cameron Lawes – 92 v St George

Shane Cleary - 5/59 v Randwick-Petersham
Andrew Lamb - 6/54 v Sutherland
Andrew Lindsay - 5/47 v Randwick-Petersham
Matthew Cranney - 30/5 (catches / stumpings)

"Application when we bat, patience when we bowl!" Whilst the boys must be sick of me saying this, they now have the chance to read rather than listen.

Matthew Cranney - Loose had a solid season and was very reliable behind the stumps. Given the responsibility of holding the innings together, he responded with the Warrior Spirit and led us out of many a hole. Given the opportunity to bat at No3, he showed great maturity to post some very valuable scores. Another consistent and successful season for Matt, including a great half century in 46 deg heat at Rosedale.

Andrew Kemis - Andrew had a lean year compared to previous seasons however, can you put a price on experience? After playing with Lindfield in the Sydney Shires competition, Andrew relished the challenges that grade cricket threw at him. Throughout the highs and lows of his season he played with great enthusiasm and could be heard crying "you beauty" at an opponents dismissal. He brought with him intensity and passion reflected in his pre-game speeches, typifying his spirit and love for the game.

Michael Cosentino - This season was a learning curve for Cozza. It was highlighted by a NSW U19 cap but included a game in third grade. A 92 and 65* v Campbelltown proved to him that he can build an innings and dominate any attack. A tremendous athlete, who was by far the best fielder in the team. He should continue to work hard and develop his 'style' of batting without losing his positive mindset. By doing this consistency will again return to his game.

Scott Fitzsimmons - Fitzzy had to play a different role this year in second grade, that of a senior player. With this added responsibilities came the captaincy for a game and ultimately, results. A well balanced slips fielder who took some great catches throughout the year. He was able to pull us out of batting holes with his positive and sometimes colourful strokeplay. He should continue to play his natural game and these results will continue.

Andrew Lindsay - Andrew had another successful season to follow on from last year. His ability to take wickets resulted in 22 wickets from just six games. Success lead to selection in the top grade and great results from the few games he played. I found that Andrew could be counted on to take wickets and put his hand up to do the hard yards. Success in first grade will follow and we will see Andrew find himself in his rightful place at Manly.

Shane Cleary - A natural outswing bowler whose success led to promotion to first grade. Rhythm is the key for Shane with many bowling spells virtually unplayable. Development on a ball that comes back in to the batsmen will prove lethal and round Shane off as a bowler. Continued work on his batting will give him all-rounder status. A bright future awaits and he will add to this year's NSW U19 cap.

Alex Maidment - Another good season for Alex. A consistent performer for Manly who has the best cut shot in the Club. The Easts bowlers found this out during his better than a run a ball half century. Penrith too found this out with a splendid 101 in Round 2. Al could have had many more catches had it not been for a greedy keeper. A break will renew Alex's enjoyment for the game and look forward to playing with him in the future.

Craig Little - A frustrating year for Craig highlighted with a game in first grade. He, like many others, learnt a lot about himself. Limited opportunities didn't allow Craig's bowling to find rhythm but bowled magnificently against St George to get us back in the game. As Langdon Gould would say, a 'Lazarethan' effort. A season in England will help Craig's batting and his total game. I look forward to seeing a new and improved Craig Little upon his return from overseas.

Morgan Youell - Youelly was once again his reliable self this season. Although he felt under-bowled, his swing bowling got us off to good starts and complemented our other bowlers. Still has the best leave in the club and enjoyed getting out of the No11 when Peter Jacka joined the team. A great team man with enormous cricket experience, justifying his selection as captain. Hope to see him back next year and push himself and Winga to more wickets for Manly.

Andrew Lamb- *UNLUCKY* would be an understatement to describe the season. Arguably the hardest trainer in the club, however results don't always reflect the work put in. Andrew beat the bat countless times and if we had a dollar for every time a batsman played and missed we'd be in Hawaii now. The extra responsibility as our strike bowler allowed Lamb to really express himself. His six wickets in the 2nd Innings v Sutherland set up our unlikely outright victory. He now knows what is needed to consistently take wickets and we wish him the best for his English efforts. Good luck, play well!

Peter Jacka - Pete is one of the success stories to come out of Manly cricket this year. Starting in fifth grade, through hard work on his left armers, he moved up the grades, culminating in a game in first grade. He bowled with control and guile to spin his way to consistent results. His batting continues to improve with the bowling machines getting a work out. A great season, and should look to push for first grade next season.

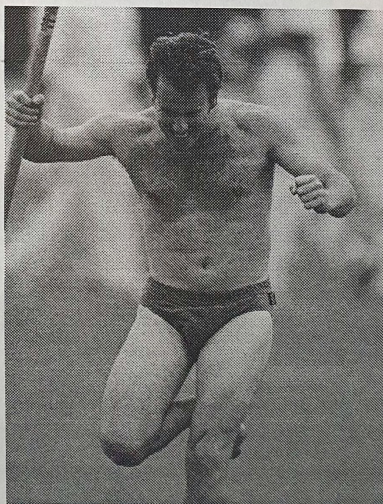

Other players to play second grade this season were: Richard Fry, Steve Gajzmelski, Jimmy Castrisos, Mark Faraday, Ryan Bonner, Ben Cohen, Jamie Heath, Cameron Lawes, Perry Stahmer and Andrew Frazer.

Despite the lack of success, the players did not stop trying and exemplified the Manly Warrior Spirit. Thanks must go to Arman Cosentino who helped out with his usual efficiency. Many of his tasks thankless but certainly appreciated. Also thanks to Alex on the scoreboard, Mr & Mrs Lindsay and Mr & Mrs Castrisos for their help with scoring and the afternoon teas.

I hope that this season has taught the guys a lot about themselves and has no doubt improved them as players but more importantly as people.

Thanks for an enjoyable and sometimes crazy season. I look forward to the Manly Machine rolling on.

3rd Grade Minor Premiers

3rd GRADE REPORT 2002/03 SEASON

John Warn

What A Season.....

Minor Premiers, 14 wins from 15 Rounds, 15 from 17, yet we unfortunately missed the premiership, by losing our Semi against Balmain, but let's look at why we had such a memorable season.

The team

The culture, and enjoyment we shared

The No-sledging policy

Our close wins

The memories

Team

Jimmy Castrisos – A solid opener who is gaining in confidence every season. Nearly 700 runs, A fantastic season. His fielding at point was also a highlight of his best season yet, it would be disappointing for the club if his rumoured retirement is true.

Jay Trevaskis – Frustrated by injury which hampered his bowling, he concentrated and made the most of his opportunities opening batting. A great clubman, very funny and a integral part of 3's all year. I am expecting him to have a big year in 2's next year. Thank you Jay for a great, and memorable year.

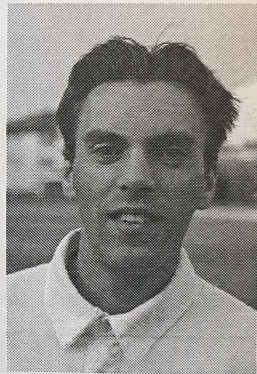

Gaetan "Shooter McGaven, Pickets, Shooter, don't compromise me, Shooter" Juul – A class player that Manly has missed, he was invaluable with 500 runs and handy wickets. It was funny early in the season, when a few players who had never seen him play, started asking who he was. His skill, his presence, and his humour was welcomed by everyone that played with Shooter this year.

Simon Couch – A great clubman, who helped Wazza, and a few others stay on the field this season, started the season in a blaze and looked like breaking 1000 runs, he finished quietly with 700. Thanks also, to Couchy who helped out and gave advice throughout the year, and for his support and encouragement.

Brian Clemow – Plagued by sickness, injury, weddings and holidays "Clem" showed his class a few times, and glimpses of his brilliance. His offies collected about 20 useful wickets as well as nearly 500 runs. He shared his knowledge, and experience of the game with the younger guys, and filled in as skipper twice, when I had work commitments. He collected his 5000 runs for the club without fuss, and surely one of the quickest in club history to this milestone. Good luck to he, and his lovely fiancé Justine, and hopefully we can still see him running around for Manly another day soon

Chris Glassock – Will return to the higher grades as Keeper and showed some patience and calm under pressure with the bat. Easily the messiest cricketer that I have ever seen, and also quite possibly one of the worst sun tanners I have ever played with. Chris was a key to our success, and should reap the rewards of his hard work in the near future.

Warren "Wayneo, Warwick, RedDog, Clifford, Warwick, Wayneo" Evans – Showed his class with the ball all year collecting over 50 wickets, and also chiming in with nearly 400 runs at over 30, including 92 when promoted to NO.3 A pleasure and an enjoyable class player. It was an awesome sight seeing Wazza back at full flight, and enjoying his cricket so much. He could still be playing 1st grade, despite what many think, and his goal (and bet with Frazee) of scoring a grade 100 is still possible.

Jimmy Castrisos

Cameron Lawes – In my opinion the best allrounder, after Shawn in the club, he would play 2nds at every other club in Sydney. At times could do anything with bat or ball, and always gave 110% to himself and the team. I'm very happy that Keren and he are getting married so she can have fun looking after 'one of the big kids of Manly'.

Morgan "Raffy, Refshague, David, Morgy" Youell – Collected, finally his 300th wicket and had a memorable season, and for want of winning a premiership in 3's, would have finished in 2's. His batting, his cordial and his swing bowling is immaculate. Having him opening the bowling assures you of a few quick wickets always, and his experience, commitment and work ethic is still as undoubted as ever.

Mick Lindsay – This guy is a 1st grader. Trains hard, plays hard, and learnt plenty in a year that I believe will contribute a lot to his development as one of Manly's finest sons. His batting also has potential. The game is all in front of him, and with some work on his run-up, he could be anything. It was not surprising to hear he was the best bowler in PG's showing up some higher graded bowlers, for he has the ability to hit the seam all day. The ball that skittled, the nice opener from Bankstown in the Preliminary Final was awesome!!

Others who played and contributed largely to our season included Justin Cox, who could have easily featured in the finals in 3's. Simon Wall, Adam Parkinson, Forrester Leahey, Ben Cohen, Ben King, Richie Butterworth, Josh Petersen all had a few games and experienced our great team spirit, fight and camaraderie.

Our team culture, the fun we had, and the enjoyment we shared was a testament to the group that made up 3rd this year. It for many was our most enjoyable season ever, one that is full of fantastic memories, despite not winning the premiership.

The No-Sledging policy. Controversy, and comment surrounded my own appointment as Captain, but I can proudly say, we did deliver and enjoy the no-sledging policy. Though, at times, we were surely tested, both umpires, and the opposition were welcoming of our competitive, open and honest stance.

We had some remarkable close wins against Randwick-Petersham, winning by 6 runs, taking 9 for 78 on Day 2. We beat Easts by 7 runs, taking 6 for 45, with Coxy taking a match winning, and game turning catch. We rolled Sydney Uni for 69, after making only 115. Additionally, though we comprehensively beat most teams, scoring over 400 once, and over 300, 9 times, including 3 times in One days.

The team operated, and ran smoothly, largely thanks to the support and help of many wonderful people. A huge thanks to **Donny Dollars**, who again for the 78th season in a row scored, managed, stressed, ate, whinged and gave all the boys plenty. A true clubman with a big heart, it was a major disappointment that we could not deliver Donny a premiership to his beloved 3rd team.

To Mrs Castrisos, Mr and Mrs Glascock, Justine, Emma and my mother Dianne for helping make our afternoon teas so fantastic. A big Thanks to the Lindsay family, who provided gourmet food, bbq's and support all season.

Thank you to Langford Gould for your hard work in chairing the Selection Committee, and for the humour and integrity you brought to the role.

Thank you to Tim, and the committee, and in particular to the tireless efforts of Bob Brenner, whose work around Manly Cricket is incredible. His reminder's, emails, phone calls and support was amazing.

A big Thank you to Mick Pawley, who encouraged, offered valuable advice and was a great friend and leader to us all. His achievement of winning the Club Championship was a just reward for his hard work and commitment. People like Mick, are rare, and we all need to acknowledge and respect this unique and special man.

The memories of this season will be remembered, mostly for the friends who shared this great year, but also to the club, that everyone loves playing for, that we all are proud to say is Club Champions. Though we did not win a premiership, we have surely laid the foundations for the

coming years, with a renewed passion and drive to win. I look forward to seeing the club win premierships, and I look forward to seeing Manly prove itself to be the best club in Sydney.

Finally to Marg, my fiancé, for putting up with all of the extra time I spent away at cricket on top of my large work schedule, and for cleaning my whites, helping with covers, doing afternoon teas, and mostly for helping conform a loud energetic big kid into the happiest man in the world.

Thank you,

JOHN WARN (Warny)

4th Grade Grand Finalists

4th GRADE REPORT 2002/03 SEASON

Paul Brenner

For the second successive year 4th grade were runners up. Our team in the final contained half the side that played last year's final though unfortunately this experience was not enough to get us over the line. Though it was extremely disappointing to lose the final to Randwick-Petersham, it was an unbelievable effort from all the players to have made it this far. We were out of the top six going into the final round, needing a victory and other results to go our way just to qualify. We played an excellent standard of cricket through the finals series and the luck just seemed to evade us in the final with some crucial decisions in the first session not going our way.

The season started well with two big wins away before being humbled for an embarrassing 51 against Mosman. We then lost several experienced players to higher grades and it was up to our younger players to lead us to victory against Balmain, Hawkesbury and North Sydney. The North Sydney game was a cliffhanger with Manly still requiring another 7 runs when number 11 Ankesh Chopra then calmly came to the crease and smashed a couple of cover drives to get us home.

After Christmas we had a good run posting a high one-day score against a strong Sydney Uni side. We then bowled Fairfield out for 47 and were looking for a certain outright victory. The weather the second week got into the high 40's and several younger players learnt the value of taking on plenty of fluids before these types of days. Unfortunately no sea breeze made its way too Fairfield Oval and we only finished with the first innings points. Nathan Dodd joined the side for two matches and the next game against Sutherland proved what a quality player he is. His 133 not out proved what a talent he is when he goes after his shots and plays a little more aggressively.

Things then fell apart for us being thoroughly outplayed against the minor premiers St George, rained off on a flat Grahams track after having bowled Gordon out for 186 and another loss against Uni of NSW had us out of the top six going into the final round. The injection of John Griffiths and Justin Cox gave us the extra fire power required to win the big games and we then stormed through the next three games. Our bowling performances in the preliminary final against St George and semi final versus Northern Districts were superb.

Thanks to all the fourth grade captains this year, by Christmas we had been through five! Cameron Lawes skippered the side for the first three games and provided the leadership, enthusiasm and skill to get us off to a good start. Cameron's all round skills should mean he doesn't play lower than 2nd grade. His innings against Mosman was one of the best power hitting displays seen for the season. Chris Glasscock also captained the side for a game and his batting in fourth grade showed why he can be at his best at the top of the order. Stuart Griffiths and Richie Butterworth also led the side in true Manly spirit.

Justin Cox won the bowling award for the season and in hindsight I regret not bowling him more. Towards the end of the season Coxy would destroy the oppositions lower order. His pace is very deceptive and when he got it on target the stumps would be rattled. Coxy played some vital innings especially against Balmain when he came so close to his first ton for the Club but more importantly was the preliminary final when he came in with the score at 5/100 and gave us a target we could defend. One of our young superstars in the field, Justin took some spectacular catches.

Adam Parkinson had a frustrating season yo-yoing between 3rd and 4th grade but he showed in the final what a big match player he really is. It always gives me great confidence to play in a team with Parko because I know he can produce something special no matter the opposition. Parko bowled extremely well for us and could be relied on to send down his 20 overs and pick up 3 or 4 wickets. His batting was a little less predictable this season and I think his lack of motivation to training contributed to this! One thing I could always count on though was Parko's support. He always contributed with tactical thoughts and provided the encouragement needed for our youngsters.

Dean Steingold opened the batting for the majority of the season and did an excellent job. Dean would never get intimidated and his positive stroke play always meant the runs were ticking over. Not many young players have the ability to always keep the ball on the ground but that would have to be Dean's greatest asset. There is only one thing missing from Dean's batting at this stage of his development and that's the concentration to go on and make big scores.

Simon Waddington: A huge thank you to Kate for letting Waddo play the final part of the season. Waddo's body took a few games to get into the bowling but by the finals he was bowling some top spells. His five yard faster bouncer was always going to get plenty of 4th grade batsmen into trouble. Waddo was terribly unlucky in the final to have two of the most obvious bat pad and caught behinds given not out off his bowling. These were both in the first session and would have turned the game completely. Waddo had a solid year with the bat but I know he's capable of a 600 run season next year! Simon will make a terrific captain for Manly and hopefully we'll witness this next season.

Ben King is a class player who had a tough season. Ben's health caused his season to be interrupted and this hindered his confidence when he returned to cricket. I could see the frustration of playing at lower standard than he was capable and it's great credit to Ben that he stuck at it until his class shone through in the semi and final. It's hard to believe Ben is only 19 as he seems to have an opinion on ever topic in the world! Ben offered some great support to me and was always thinking of ways to get batsmen out and take an advantage over the opposition. A first grader of the future.

Russell Parker had a difficult season arriving at a new club as a keeper yet not keeping all season and batting in every position from 1 to 8 but you would never hear any complaints. I think Russell is a better player than we saw of him this year, his innings of 49 against Sutherland requiring a run a ball was full of intelligent and classy play.

Ankesh Chopra: What happened Choppy? Choppy didn't play the last three games of the season after losing enthusiasm for the game but it was a crucial stage of the season and I think he let the club down. On the field Choppy did some wonderful things with the highlight being his 50 from number 11 against Easts. His bowling also improved and as he gets older he'll find the ball will spin and bounce more but this will only happen with practice.

Zaven Jordon provided great entertainment for the team whenever he played. Whether it be the mighty sixes he would hit or the constant enthusiasm that poured out of him when fielding, it was always a pleasure to have Zaven in the team.

Michael Lindsay was the most improved lower grade cricketer this season. He had trouble forcing his way into fourth grade before it became apparent that fourth grade was way below his standard. You could always count on Michael to get a few wickets early. First over with the new ball was predictable: three outswingers before unleashing the inswinger to either a huge appeal or stumps shattered all over the pitch. Well done on a great year Michael.

Richie Butterworth was another player who captained the team this year. Richie was extremely disappointed to lose his 3rd grade keeping position early in the season but it also provided him with the opportunity to bat higher in the order. Richie could produce breathtaking stumpings and takes up at the stumps but sometimes his concentration would desert him when keeping back to the medium pacers. I knew there were going to be difficult selections when it came to semi finals and unfortunately Richie's illness at the end of the season resulted in him being the unlucky player to miss out.

Josh Petersen is the ultimate team man. He's dependable, honest and always gives his best for Manly. Josh batted well after Christmas being promoted to thirds and taking one of the best outfield catches of the season against Sydney Uni. With Richie relegated to the sick bed, Josh took over the keeping and did a tremendous job, not letting one bye through in the final six games, a remarkable feat. About the same time Josh took over the keeping his batting started to suffer.

Louie McMillan played the last few games for us and always made a valuable contribution either in the field or with the bat. Louie didn't have much of an opportunity to show his bowling skills. Let's see you back in those higher grades next season Louie.

Michael Ashton has to be the most under rated bowler at Manly, just a look at his career statistics proves this. Michael's performance in the final was memorable, taking a valuable five wickets as well as producing at least two play and misses each over. He was easily our man of the match and hopefully he'll get rewarded with higher grade honours next season. The only disappointment of Michael's season was his batting. Perhaps batting lower in the order made him too relaxed and contributed to giving away his wicket a little too easily. A brilliant fielder with a fantastic pair of hands.

Luke Edgell experienced the high of making his grade debut with an almost faultless display of seam bowling in Round 1. Unfortunately, things didn't quite kick on from here for Luke and the frustration was evident as the season went on. Luke would have learnt a lot from this season and it was fantastic to seem him involved as 12th man for the semi and final.

Simon Wall provided plenty of headaches for opposition batsmen all season. Simon's competitiveness and enthusiasm is second to none. Walley is capable of producing unplayable balls when given the older ball. The only criticism of Walley's bowling is that he gives the batsmen too many 'sighters' at the start of his spell.

Danny Reynolds performed extremely well for us once he pushed his way into fours. Unfortunately for Danny he became ill late in the season and then it was discovered he had stress fractures in his back. Hopefully Danny will be back next season because the amount of effort that Danny put in on the field was outstanding.

Stuart Griffiths was another player whose season was interrupted with injury and wasn't quite able to push his way back into the side at finals time. Stuart showed us some highly entertaining innings and the six out at Hawkesbury will be in Manly folklore for many years to come. Stuart is the ultimate competitor and team man, the type of guy you'd like to have beside you in the trenches.

John Griffiths provided us with some of the most devastating spells seen in 4th grade this season. Although he only played four games, he played them like a veteran. The spell against minor premiers St George was breathtaking with several balls bowled at genuine pace. John swings the ball an incredible amount back into the right hander and against left handers he was just unplayable. Congratulations on a great season John.

Congratulations Peter Procopis' 1sts and John Warr's 3rds for wonderful seasons, you both deserved so much more from the season.

Thank you:

It's important to acknowledge all the families that helped out with afternoon teas. Thanks to my mother Marjorie for always being preparing and scaring any of the boys who made an attempt on the arvo tea before 3:20pm. Also, thanks to my girlfriend Amber for helping out whenever needed and tolerating me through another cricket season.

To Mal Elliot for the help he offered everyone in 4th grade. Mal thoroughly deserved his clubman of the year award. It's such a wonderful thing to have past players getting involved with our teams. The knowledge and experience they can pass on to players is invaluable. Mal and his lovely wife Gill would travel from the central coast each week to support the Manly teams and it was always appreciated to see their smiling faces at our games.

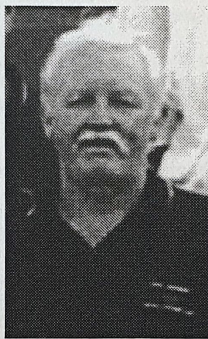

Langdon Gould for the excellent job he did as chairman of selectors. Langdon's Friday evenings involved countless phone calls trying to finalise the lower grade sides and often just trying to find enough players for fifths. It can be a thankless job as you're always the person blamed when a player gets dropped yet I don't think I ever saw a player thank Langdon when he was then promoted a grade!

Where would we be without Mick Pawley. After two seasons I still haven't discovered how Mick can stay so positive and provide so much energy to us all. I felt the club championship was just reward for the all work he's put in. You're about to lead us into a golden era of Manly cricket and I look forward to being part of it. Thanks for everything Mick.

Thanks to all on the committee who have again provided us with a stable off field regime that allows the players to focus on their cricket. Thanks to Andrew Fraser for his constant hard work whenever required. If Frase billed the club for all his time he'd be filthy rich!

Finally, a huge thanks to our Honorary Club Secretary, Bob Brenner. It's just unbelievable the amount of hours that Dad puts into running our Club. He treats it like a full time job and takes a keen interest in players throughout all the grades. The weekly Monday news is an almighty effort taking hours to put together. Congratulations on your life membership, it was a proud moment for our family and a just reward for a dedicated clubman.

5th GRADE REPORT 2002/03 SEASON

John Griffiths

Our season began with a fairly young but experienced team of cricketers coming together for the first time. The fifth graders were a team of very keen cricketers who were looking forward to a big year with the Manly club.

We couldn't have asked for a better beginning. A win in the one dayer against Wests started us off well, and should have continued until Christmas. We had three outright wins against Penrith, Mosman and North Sydney. We had a lapse mid season with losses against UTS Balmain, Randwick Petersham and Sydney University, the eventual premiers. It was a great beginning to the season, and going into the Christmas break we were on top of the table with both the skipper and coach were thinking this was going to be our season.

We had over forty players in our side throughout the season. The nucleus of the side was:

Matt Christensen, Danny Reynolds, Stuie Griffiths, Matt Morris, Vinni Rehaan, Luke Campbell and Zarvan Jordon - the main stayers in the side. We had Josh Petersen, Joel Mason, Louie McMillan, Dean Steingold, Mike Lindsay, Mike Ashton, Ankesh Chopra, Luke Edgell and Russ Parker playing with us at some stage of the season. These players added a lot of talent and experience to our side. At full strength, we would have won the competition hands down. But, as I learnt this year, that's grade cricket.

The second half of the season saw the mighty fives not play to our full potential. We struggled to fill the side with eleven cricketers on occasion. This makes everyone's job so much harder. I am very proud to say that even though we chased a lot of leather in the second half of the year, the fives never had their heads down, and we were always looking positively.

We didn't win a game after Christmas until groundsman extraordinaire; Steve Gajzmski stepped in to captain the side for the last game of the year. We finished the year with a huge win against Campbelltown, which helped to bring home the club championship. Well done boys.

There were some magical moments throughout the season. Do you remember?

- The massive 26 that Mosman scored in their first innings.
- Mike Ashton's classic caught and bowled against Penrith
- Winning that game outright when we rolled them after tea
- Stuie Griffiths getting run out for 93 against our friends Mosman
- Jamie Heath's classical 50 runs, his first 50 in grade cricket, if not at all against Balmain
- Young Peter Lindsay's not one but two 50's in fifth grade as a 14 year old
- Matty Morris' 20 odd dropped catches and missed stumpings off his bowling
- Rolling North Sydney for 52 at Tunks and winning outright
- The return of Louie Mc with two great innings of 60 plus
- Steve Gajzmski's innings of 55 against NSW Uni to nearly win us the game outright
- Luke Edgell's 4 wickets against Campbelltown.

My special thanks goes to Langdon Gould for helping me find players from nowhere on a weekly basis. Without his help we would not have fielded a full side on a few occasions that year.

Mike Pawley, what can I say? You have inspired the boys this year. Your passion for this club, the game and your friends has rubbed off on us this year. Your knowledge of the game helped us incredibly. Your ideas on how to play the game really helped the development of every member of the team. Thank you Mike, from all of fifth grade.

To Bob Brenner; Your obvious love of this club is showed by how much work you do for us all. The behind the scenes work is never ending, and without praise. Congratulations on getting us the club championship. It is as much yours as anyone.

Special thanks to Jamie Heath and Steve Gazmelski who took over the role of skipper for me on a couple of occasions. Your experience really showed and the boys appreciated having you out there.

To all the guys who played this year. You made this the most enjoyable season of my life. You have a lot of talent, and if you work hard, you will succeed in this game. Have a good break, and lets have you back next year for an even bigger one.

John Griffiths

POIDEVIN GRAY REPORT 2002/03 SEASON

Even though Manly's Poidevin Gray side for 2002/03 has walked away from the season empty handed, I think we have set a standard for other teams to follow. I believe that this years side is one of the strongest sides Manly has produced and although we haven't got anything to show for it I believe we played our cricket in a very positive and competitive fashion and I hope this approach is passed on to future teams representing our club.

I think it's time that young cricketers who come through Manly start to realise that this competition isn't a social event on a Sunday, it isn't something you play in because you have to, it is a demanding competition that has contained some of the best cricketers Australia has ever produced.

Unfortunately we were outplayed in the semi final by a better side(Northern Districts) on the day and in fact the best two sides met in the semi final, but I think that we can fairly say that we did want to win this competition and we were ready to give it our best shot. I was really proud of the way the guys decided to really give their all in this competition. It takes a lot more guts to put your hand up and say I really want to win this than it does to say oh well I enjoyed my Saturday night and there is always next year. I hope that the guys are going to take the tougher option in the future and try to bring this trophy home for the first time in nearly 20 years.

We won our games due to some great individual performances but mainly to a greatly balanced side that had an awesome team spirit and enjoyed every second we spent together.

On an individual level we had some great performances. Michael Lindsay showed a mixture of maturity and talent to become one of our best bowlers this year. I brought him on to bowl at some tough times and he delivered the goods on every occasion, I think he is going to be a great Manly cricketer one day and has a competitive edge which is capable of lifting this side to a premiership in years to come. Ben King showed that he is capable of scoring runs at any level. Once he can adopt the consistency he is looking for he has the potential to reach any heights he desires. It is just a matter of time before he takes off. Shane Cleary and Andrew Lindsey showed they are as good as any fast bowlers of their age in the state and outclassed a lot of batsmen this season. We are extremely lucky to have two wonderful fast bowling prospects in these two and I'm looking forward to watching them terrorise batsmen in years to come. Mark Faraday played some innings this year which would have outclassed any batsmen in the state. He is an incredible talent and is capable of pulling off stuff that most of us can't even dream of. I think Mark is learning more and more every time he goes out to bat which is what makes a great cricketer. I think if Mark keeps learning at the speed he is I have no doubt he will reach the great heights he wishes to achieve and I'm looking forward to watching many balls sail out of the ground in years to come!

I think the prospects of Manly PG's is very promising with still a very young side. Michael Cosentino and Justin Cox played some very important innings when we needed them to. I think this is very important. As a batsmen anyone can come in and score runs when it's easy but the guys who can score runs when the going is tough are the players you want in your side and these guys showed

they are capable of doing this. Michael Ashton played well for us all year and with more opportunity I am sure he is going to be a vital player in future sides success.

After 11 years of Junior cricket together I would like to thank Ryan Bonnor and Craig Little for all the good times and help they have given me over the years. We started playing together as 10 year olds and this being our last season in age cricket together we have some great memories and I'm sure we will be great mates on and off the field for years to come. Craig and Ryan both played exceptional cricket for us this year and have matured greatly as players. Hopefully we will win a premiership together one day [preferably 1st grade] I think we deserve it after 11 years of trying. I think these two guys are the future of Manly 1st grade and are great guys to have part of our club.

Many thanks to those guys behind the scenes, Geoff Rogers, Arman Cosentino and Donny Dollars. They put a lot of time into the club and we appreciate all they do.

I would like to give a special thanks to Mike Pawley. I know how aware everyone is of this man's generous nature, but the amount of time and effort Mike has dedicated to the club is phenomenal and an inspiration to anyone. Mike has an amazing ability to bring out the best in people and helping people reach their full potential in life and cricket. Thanks for this year Mike, I appreciate everything you have done.

As my last year captaining PG's I hope we have achieved a standard at which cricket should be played and this will be kept for many years to come. I would like to wish those players who will be representing us in this competition in years to come the best of luck in finally winning this competition. I have no doubt that we are going to do it in the near future. All the best!

Round 7 Manly 124 (Baker 27) lost to Fairfield-Liverpool 4-127 (Purcell 2-21)

Squad Members:

Luke Edgell (captain), Aidan Baker, Jackson Bird, Nick Coombes, Tom Ryan, Jack Hincksman, Craig Pecar, Bruce Purcell, Peter Lindsay, David Johnson, Sean Carroll, Steven MacDonald, Gareth Carroll, Ben Ryan.

Round 1: We opened our season at Manly Oval playing Bankstown-Canterbury. Luke won the toss and elected to bat first. After 56 overs we were all out for 130 runs. Tom Ryan scored 29 and Steve MacDonald 26. Bankstown-Canterbury went past our score in the 26th over. Aidan Baker was the best of the bowlers taking 2/28, while Jackson Bird was the most economical taking 1/10 off 6 overs.

Round 2: In round 2 we played Western Suburbs at Pratten Park. Manly won the toss and asked Western Suburbs to bat. We bowled them out in the 48th over. Jackson took 4/17 while Jack Hincksman, Bruce Purcell and Sean Carroll took two wickets each. The 106 run opening partnership between Aidan and Bruce was great to batting watch. It looked like they would stay all day. Bruce was eventually out for 51 and Aidan remained unbeaten on 60. We passed Western Suburbs score in the 34th over.

Round 3: Parramatta was our third game at Old Kings. Parramatta won the toss and elected to bat. After 60 overs, they had scored 218 runs for the loss of 6 wickets. Jackson, Nick, Luke, Jack and Bruce all took one wicket. Once again Aidan started well and eventually was out for 56. Luke was the only other player to do well. He was caught on 34. Manly was eventually all out in the 49th over for 144 runs.

Round 4: A trip to Joe McAleer for our next game against Blacktown was a bit more successful. Luke again won the toss and asked Blacktown to bat. The ground was rain effected and the game did not commence until after 11.30am. The umpires decided on a 56 over a side game. After their allotted overs, Blacktown had scored 182 runs. Luke took 4/48 and Jackson 2/24. We passed Blacktown's score in the 53rd over (7/184). Luke scored 67, David 32 and Steve 29.

Round 5: Manly Oval was our next game against Northern Districts. Luke won the toss and asked Northern Districts to bat. They were all out in the 50th over, scoring 144 runs. Craig took 4 wickets, Jackson 3 and Sean 2. Manly passed Northern Districts score in the 56th over. Luke scored 41*, Matt 29 and Jack Ritchie 24.

Round 6: Our third home game was against Sydney University. Luke won the toss and asked Sydney University to bat. They were all out in the 60th over for 233 runs. Jackson and Sean took 2 wickets each. Unfortunately after 55 overs of batting we were all out for 185. Jackson and David both scored 36 runs, Bruce scored 28 and Craig was 23*.

Round 7: The final round game was against Fairfield-Liverpool at Fairfield Oval. Luke again won the toss and elected to bat. Aidan managed 27 runs, Bruce 24, Luke 23 and Matt 21. We were all out in the 55th over for 124 runs. Fairfield- Liverpool passed our score in the 34th over for the loss of 4 wickets. Bruce was the best of the bowlers taking 2/21.

On behalf of the boys, I would like to thanks Ben King for coaching the boys during the season. Ben trained the boys hard and they learnt a great deal about the game from his instruction. Thanks

also to Mike Pawley. Mike always had the right words to say at the right time. He has a genuine interest in the development of junior cricket and this was clearly seen in his support of the Green Shield team. Thank you also goes to Don Sellin for scoring the games. His support is always appreciated.

Finally, I would like to thank the parents. Without their support we would have no Green Shield team. Thank you for the time you have given to develop your son's cricket potential. Thank you also to Jenny Bird and the band of parents who organised afternoon tea at each of our home games. Good luck to those players who now move on to shires or grade cricket. For those who can play next season...good luck with Green Shield 2003/2004.

MWDCC Masters report for 2002/03

It is with great pleasure and pride that I report on the season of the inaugural Manly Warringah Master's cricket team. The concept of Manly having a side in the Masters comp was instigated through a conversation between Mick Pawley, Ross Wblin and myself in early 2002 and it gained great momentum from there. The only problem we had was to see if we had enough "Old Bastards" to go around each fortnight, but after a few phone calls I soon realized that most of the blokes thought the concept of the Masters cricket was a great avenue for them to relive the glory days of yesteryear - albeit at a much slower pace.

Most of our players in the squad this season played for Manly in the 70's and 80's, having progressed from the local juniors, through 'the ranks' from Saturday Morning cricket, to Junior Rep sides and on to grade cricket. Having greatly enjoyed our time at Manly - building lifelong friendships along the way, our future options to play cricket became somewhat limited. More importantly, our links (and those of many others) to the Manly Club quickly diminished. Whether it was due to family or business reasons, or purely the onset of 'old age', many players give the game away. Hence the Masters concept was born. 40 overs a side cricket every second Sunday suddenly sounded very appealing !

Well enough of the history lesson. We won the premiership with nine wins from 9 starts and we were 47 points ahead of our nearest rival (the most hated side in the competition, Penrith). When you have at your disposal two guys that have played first class cricket and at least 10 others that have graced the field in either first or second grade with Manly, you would expect to win most of your games as we did. Some by large margins. Our score of 3/264 off 40 overs vs Parramatta was a Masters record and there were also some very close games with a second last ball win v Warringah. All in all it was a very enjoyable experience for those that played and the boys are already looking forward to next season as the rollup and commitment at pre-season training (we have already started) has been fantastic. For those of you who are interested, training is on Thursday nights @ the Parkway Hotel from 5.30 onwards and there is an optional session on Wednesdays (\$3.00 pints).

The Players

Sam Mesite

Sammy hadn't picked up a bat for around 10 years and after a welcome to Masters initiated by legendary Lane Cove loony (Dick Pym), played with all the aplomb he had when Mike Whitney rated him (and still does) the hardest batsman in the world to get out. Tied with Kenny Pitcher as the teams most injured player and he still has a massive presence around the dressing room.

Greg Boyer

Butch became a regular to the side as of round 4 and batted like he hadn't been away from the game. His new nickname of 'Symbols' I thought was a bit harsh but fair, especially if you saw his fielding effort against Parramatta. Won the team Giorgio Armani award for the shirt he wore to the 125-year dinner. Also took off the Luxaflex charity award as someone had stolen the curtains in his bedroom.

Steve Colby

'Red' had a great Masters season and got maximum runs for us in all but one game. We discovered that Red could bowl so he is now classed in the allrounder category. He also performed the unspeakable in the Masters comp by running out an opposition batsman and totally embarrassing his teammates and had the Lindfield side questioning his age (for the record, Red is 40 this year !).

Graeme Dudley

Duds was another to end up in the allrounder category but only after the last game of the season where he claimed 4 Warringah scalps and was on a hat trick at one stage only to be foiled by bowling a great nut that would have knocked over a real batsman. Graeme has the unique ability of being able to look about 20 years older by just wearing a hat. Another to poll very high in the Armani awards. Duds is also an expert on the application of Finalgon cream. Famous for his call of "do they make those in men's sizes?"

Phil Marks

Skid was more than several classes above anyone else in the comp and justly won the Masters Skid was for the most runs averaging around the 98 mark. In the bowling department, Skid did it really tough, as most opposition batsmen hadn't quite seen pastry of this quality for years. He had the 'Shakespeare Pies' award all sown after going for 14 an over v Parramatta, but this was curtailed when Owen Murray and Garth Jones arrived. Had one of the more interesting injuries this season, a torn rib cartilage, while batting. An injury normally associated with over training

Ross Wiblin

Roscoe's season started with a bit of a hiccup as he missed the first game, as doctors at Westmead couldn't find his heart. It was only a temporary setback as he blitzed opposition teams with bat and ball. Was our choice for the Wyld tablets award after his nonstop effort against Central Coast. Roscoe trained strongly throughout the year and even put in extra sessions as he hired a personal trainer. Has a tendency to go missing in the Pyramids, searching for Cleopatra or Mermaids with Skid. Winner of the coveted Aristocrat player of the year

Chris Hynes

Hynesy started the season and batted with all the panache of Michael Bevan. This then turned to all the flair of a Chris Tavaré as he proceeded to put the opposition to sleep and then pick up 1's and 2's (great tactics Hynesy, it worked on us too). Chris also did a great job in captaining the side at various times throughout the season. Tied with Skid for the award for the most enthusiastic trainer.

Ken Pitcher

When KP was available the clocks were turned back years as he dispatched the opposition bowling attacks to all parts of the ground. Class batsman with a textbook technique. Owner of the world's worst shoulder that hopefully with a bit of therapy during the off season will be back to his bullet like best. We suggest that he starts to turn up for training immediately and to drink very heavily like several other team members do to avoid injury ! Voted world's nicest bloke by the opposition teams at the Masters dinner

Tony Pitcher

TP, when available was the poor bloke that had to open the bowling uphill and into the wind only because we had a very selfish left arm quick at the other end (See GLAQ). He did it bloody well to finish the season with 6 wkts @ 9.50. Lower order slugger who took his opportunities well and occasionally overshadowed his brother in the scoring dept. Runner up in the nicest bloke in the world comp to his bro KP. Tied with Mick Cohen for the Jenny Craig award. TP loves a beer and has no injuries

Stuart Wragg

Stuey or GLAQ (great left arm quick) bowled this season with very little luck. Generally because Butch was either keeping or fielding in slips. Unselfishly bowled with the wind and downhill all season to give the trundlers a chance to swing the ball (see TP). During the year his batting prospered throughout his limited opportunities. His final wicket partnership with Glenn Meredith in the last match to get us over the line was an absolute gem. Stuey took his 1000th wicket in park cricket during the season which is an outstanding effort and I'm sure that a few blokes in this side helped contributed to that total.

Glenn Meredith

Glenn's motto in cricket is "I am available" and he was at the drop of a hat. Had a great season where he averaged 144 with the bat as the opposition could only get him out once. Great team man, you don't find anyone better than Glenn. Is particularly gifted in the area of the mystery shout. If Glenn could get to training more often I am sure his batting average will improve.

Andrew Fraser

Fraser was of great assistance in helping us establish the Masters also helped throughout the season whether it was with organizing players, catering, or a conduit between the committees. On the field, Fraser's appearances were limited to four due to work commitments. But he had plenty of success in the bowling dept where he took 9 wkts @ 7.90. He also managed to perfect the 60-

second over in one match at Manly Oval. However, he struggled to get to any games west of Allambie or north of Manly !

Richard Weekes

Weekes's Masters debut with Manly will go down in history. A second ball duck, then wicket-keeping for the first time in 12 years, he dropped 2 catches. So he was dispatched to the field where he ran around incircles trying to complete a catch, fell to the ground and breaks a finger so badly that it required \$7,000 worth of microsurgery at Manly Hospital (fortunately Weekes is a partner at KPMG and was able to pay for the operation out of the spare change from the ashtray of his car). Another whose talent in the bowling dept was discovered this season.

Owen Murray

Noddy was available on limited occasions, as his commitments to Pennant Hills on Saturdays would not let his body recover in time. When he did play he bowled some great spells and always got a vital breakthrough for us. Has the most annoying putting stroke I've ever seen and had a category all to himself in the Armani awards with his brown theme. Another great trainer.

Garth Jones

Nicknamed the Chef for his abilities in the kitchen with deserts. Would have played more games than just the one, but he seemed to continuously lose form on Saturday nights and sometimes as late as Sunday mornings where we had to drop him on several occasions 10 mins before kick off.

Other players who graced the field throughout the season and these comprised of Greg Pierce, Roger Hudson, Ross Trewartha, Mark Kroschel, Roy Formica, Andrew McQuiggan, Bill Chapman, Steve Whitfield, Gary Birchall, Mick McMahon, Nick Johnson and Mick Bourne. Thank you to you all.

The team and club would like to thank all the partners for letting your other halves off to play cricket every second Sunday and I am sure that they all enjoyed the family atmosphere and after match BBQ's at Manly Oval.

Thanks to Steve and Debbie for the preparation of the superb wickets at Manly Oval.

A special thanks also to the girls that helped provide the afternoon teas: Lynn Wiblin, Alex Marks Claire Pitcher, Ros Mesite and Christine Hynes.

Finally, a big thank you to Bob Brenner. I don't think anything I say here will be enough to express our gratitude to Bob. He was a major supporter of the idea of getting a Masters side into the competition and has shown tremendous interest in the side as we have a couple of players that are around the same age as Bob, so he can relate to them. Thanks for the coverage in the Monday News too Bob.

To Mick Pawley. Thanks for being the driving force behind getting the Manly Masters off the ground during a very traumatic time in your life. As everybody knows, Mick does not do anything by half and club championship title was an apt reward for all Mick's efforts. Congratulations to the entire Club on that wonderful achievement.

Finally, thanks to everyone for welcoming all the Masters players into the Club – most of us attended the 125 Year dinner and the Club's presentation and we are all really proud to be involved with the Club again. I am sure many more past players will come out of

Regards,
Mick Cohen

MANLY CUP/MANLY SHIELD (HIGH SCHOOLS COMPETITIONS) REPORT 2002/03 SEASON

This season 11 schools participated in both the Under 15's (Manly Shield) and the Opens (Manly Cup).

Preliminary rounds were all played by mid-February and Arman Cosentino was able to arrange for the finals to be played at Grahams Reserve in the last week of February. Unfortunately Killarney Heights had a player involved in the CHS carnival during this week so they were unable to play until the following week.

The final of the Manly Shield was played on Thursday 27 February at Grahams Reserve between Narrabeen Sports HS (having beaten St Pauls and Manly HS) and Killarney Heights HS (after wins over Balgowlah Boys HS and Davidson HS).

In the Manly Cup final Killarney Heights (having beaten Balgowlah, Narrabeen, and St Augustines) played The Forest High (with wins over Davidson, Manly and Barrenjoey) at Lionel Watts Oval on Friday 6 March. Killarney Heights were winners in the Under 15's while The Forest won the Open competition.

(Unfortunately I have not received details of scores and performances in these games).

Congratulations to all finalists, especially to Killarney Heights for making both finals.

Special thanks to Arman Cosentino for arranging the Shield final at Grahams, coordinating umpires and assisting in the coordination of the competitions. Thanks also to Peter Tasker for umpiring both games, and to Graham Beesley for assisting with the Cup final.

Local High Schools appreciate the support of the MWDCC in running these competitions, which continue to offer excellent opportunities for our young cricketers.

Don McNaughtan,
Competition Convenor.

Footnote:

The local cricketing community has suffered a great loss with the tragic death of Bob Philpott. Bob has coached both the Under 15 and Open teams at The Forest High School for as long as I can remember, and was instrumental in setting up the "Redbacks" club and before that the Balgowlah Rugby and Cricket Club. Many speakers at his memorial service made reference to Bob's love of the game and his great contribution to cricket in this community, not to mention his unusual bowling action. Fittingly his beloved Forest High team won the Manly Cup for the first time this season and it is to be hoped that we can further recognize his contribution to cricket sometime in the future.

ELDERS PRIMARY CUP REPORT 2002/03 SEASON

A disappointing number of only 9 schools, the smallest since the competition began in 1981, entered the 2002 competition, despite more than 30 being invited to participate. This may be a reflection of the increasing number of extra-curricular options available to schools during Semester 2.

The small number of entries saw most schools draw a bye in Round 1. Only Brookvale and Wheeler Heights played in Round 1 with Wheeler Heights P. S.; 119 (23 overs) defeating Brookvale P.S. 7 / 95 (25 overs).

Round 2 results were as follows;

Bigola Plateau P. S. 95 defeated Middle Harbour P.S. 63.

Willoughby P.S 4 / 107 defeated defending champions St. Augustines 105 in a tight match.

Mona Vale 1 / 71 defeated Wheeler Heights all out 70.

Newport 230 (25 overs) defeated St Kierans 59.

These results set up the semi-final matches. Both semis turned out to be comfortable wins for the finalists.

Mona Vale 2 / 75 defeated Bigola Plateau all out 70.

Willoughby 7 / 100 defeated Newport all out 22.

The final between Mona Vale P.S. and Willoughby P.S. was played at Kitcher Park, Mona Vale in early December. Willoughby won the toss and elected to bat. All players batted reasonably well, with Tom Drake top scoring with 40 not out in their total of 7 / 117 from 25 overs. Mona Vale lost early wickets and were always under pressure. Tight Willoughby bowling and good fielding saw Mona Vale dismissed for 73, giving Willoughby, coached by Peter Dickson, victory 44 runs. Best Willoughby bowling was 3 / 10 from Arthur Dundedale and Alex Goulding with 2 / 15. Mona Vale coach Tim Johnson, congratulated the Willoughby boys on their fine win.

Members of the District Cricket Club were on hand the present the winning shield and the players' medallions.

Graham Phillips.

Principal, Beauty Point Public School.
