**ian bird** photography

A huge thank you to Ian Bird Photography for the use of their photos in this Annual Report. Ian Bird is an amazing supporter of Manly Cricket, and undoubtedly the best photographer in Sydney. We encourage all Club members, sponsors, players, parents and supporters to use his services. Whether it is a corporate shoot, wedding, or personal family portraits, Ian Bird is your man – check out his website at [www.ianbirdphotography.com](http://www.ianbirdphotography.com) for more of his exceptional work.

## Office Bearers

## Community Cricket

The 2025/26 season was another standout year off the field for the Manly Warringah District Cricket Club, with a series of community and fundraising initiatives that showcased the spirit, generosity, and impact of our players, coaches, and supporters. Some of the key highlights from the Manly for Manly Community Program, that saw us raise over \$24,000 for our charity partners this year were:

### Beach2Beach Fun Run

Another terrific success was this season’s Beach2Beach Fun Run, as a whopping 92 Waratahs participated. We had 6 runners compete in the new half marathon course, while an abundance of others featured across the traditional 14km and 6km loops between Dee Why and Newport. As a result, a phenomenal \$6,315 was raised for our long-standing Charity Partner, the Burdekin Association, providing essential support for youth homelessness on the Northern Beaches.

### Movember Campaign

In November, the Tahs once again shifted focus to our Movember campaign. As always, several of the boys got to work on their best moustaches, which was another roaring success, with \$8,731 raised for Movember to continue their tremendous work in the community.

### Junior Community Coaching Blitz

As has become a custom of the Waratah’s calendar in recent years, the opportunity for our boys and girls to give back to the local community by coaching at junior clubs is a pivotal part of what we do in the community. There was plenty of buy in from the playing group and the assistance was again well received by all junior clubs involved.

### National Breast Cancer Foundation Fundraising

Along with the traditional Pink Stumps Day, which has become an integral part of the Women’s Cricketing calendar, Club captains Chelsea McLerie and Emily Hatfield got the Club involved in the NBCF 58km October Challenge, running or walking 58kms to raise awareness for the 58 Australians diagnosed with breast cancer every single day. Across both initiatives, Manly raised an important \$4,083 towards the NBCF.

### Manly Sea Eagles Charity Match

One of the highlights of the season was our T20 Charity Match with the Manly Sea Eagles on Australia Day. The day saw several of our top grade talent on show, while the Sea Eagles had some of their all-time greats in action, including the likes of Steve Menzies, Cliffy Lyons and newly appointed Head Coach Keiran Foran. All for a terrific cause, with near on \$5,000 raised across the event for the Burdekin Association, in front of a packed house at Manly Oval.

### Celebrating Volunteer Excellence

We are proud to announce Nathan Pryke as the recipient of the *George Lowe Medal* for the 2025/26 season. Prykey is the ultimate Clubman, volunteering his time across the board by coaching our Women’s 3rd Grade side, contributing to all our of fundraising initiatives, and doing whatever he can to give back to the community.

## Vale Don Sellin

The Manly Warringah Waratahs sadly lost one of our Club's stalwarts during the 2025/26 season in Life Member Don "Dollars" Sellin, after a long health battle.

Dollars was an institution at our Club, and many past players shared their memories and stories of Dollars in a very touching farewell at the Manly Bowling Club.

Manly Cricket was a huge part of Dollars' life, and he was also an immense part of our history over the past 40+ years.

Whether it be net captain, scoring for his beloved 3rd Grade team, and everything else in between, there will never be another Dollars. Rest in peace mate.

Vale Don Sellin – 1944 to 2026.

## President's Report

The 2025/26 season highlight was without a doubt our Men capturing both the 1st and 2nd Grade Premierships, the first time in our history we have achieved this feat.

I've tried to sum up these victories, and our season in general, by compiling a bit of poetry, as something a little different for this year's report – which once again has been compiled by Will Gustafson and Dom Wheeler. Thanks for your tireless efforts boys!

Firstly though, I just want to acknowledge the Mounties Group's support of our Club. This season marked 30 years of partnership, the longest of any sporting body on the Northern Beaches, so a huge thanks to the entire Mounties Board for your support. You are an integral part of our sporting community, and we hope our partnership continues for another 30 years!

Secondly, a massive congratulations to Phil Marks on becoming our 54<sup>th</sup> Life Member. An honour that is thoroughly deserved and it was wonderful to see so many of Phil's family and friends in attendance at the presentation dinner to watch him receive the honour.

Thirdly, a huge thank you to everyone who has utilised the new Manly Warringah Cricket Academy at Cromer. The facility has been very popular and just goes to show the demand for an indoor training venue, and we feel it was a big contributor to our success this season.

To Jack Edwards and Joel Davies, our whole cricket community is really proud of you both for your respective Australian selections, the first two of our Pathway players to gain national selection. Well done boys and may there be plenty more to follow in your path!

Lastly before the poems, I just want to acknowledge the contributions of our Board

members and our coaching staff, all of whom have been outstanding once again this season. A special mention to Roy Vumbaca, who is stepping down as Men's Head Coach, but will continue to stay involved next season. It was only fitting that he won Coach of the Year again at the NSW Premier Cricket awards night. Well done Roy!

So here we go...**"2025/26 – HISTORY CREATED"**

We were founded 148 years ago, back in 1878. Our forefathers would be impressed, with what we've achieved to date.

We are unique in a lot of ways, as we are geographically insular.

We're the best Club in the world, on the Northern Beaches peninsula!

Why this success for 1's and 2's has taken so long, is a bit of a mystery.

But it doesn't matter now, as you are all a part of history.

It's taken many years of planning, to put these 2 titles in the bank.

A real collective effort, and there's so many wonderful people to thank.

From our loyal list of sponsors, you helped us achieve our dream.

We're grateful for your continued support – you're all part of our team!

To the parents, scorers, supporters, volunteers, partners and wives.

You're the unsung heroes, who play a vital role in all of our cricketing lives!

To everyone in the juniors and our Pathway, what a season it has been.

To the Warringah boys, unprecedented success for our brothers in Green.

To our Board, thanks for all your work as the Club's management team.

Without your tireless efforts, this success we would not have seen.

To our amazing coaching staff, our players are so grateful to you all.

Led by Gainsy, Roy and Dom – you can each stand tall!

To all our captains, you were superb all season long.

We cannot fault any of you, as you hardly put a foot wrong.

Thank you to the entire playing group, across both the women and men.

For always giving your best, time and time again.

In this report we acknowledge our players, and will read plenty of banter.

Especially M1s & M2s, winning both their Grand Finals in a bit of a canter!

#### **“HIGHWAY ALBERT”**

To our 2nd Grade boys, batting first vs NDs after winning the toss.

They were out to avenge last year’s heartbreaking Grand Final loss.

Our skipper Zachy T opened up, with the youngster Kai Croft.

The boys were all hell bent on holding that trophy aloft.

But we then lost both openers, followed by Akshay and Myles Kapoor.

It was not the start we wanted, as we slumped to 42 for 4.

The NDs boys were all fired up and on a bit of a roll. But then enter our secret weapon, whose name is Neddy Hole!

His good mate Sully joined him, to overcome the tricky early stages.

Their 174 run partnership, was one for the ages.

Neddy was dismissed, after back-to-back finals tons.

Izzy then joined Sully, and continued to pile on the runs.

Reubs missed out, but we won’t forget his epic ton the week prior.

Then Evan Dunnachie joined in, to push the total even higher.

Izzy was last man out, leaving us a massive 359 to defend.

Despite the huge total, Willy Harding and Lozza were still nervous men!

Jules Osbourne and Josh Lawson struck early, with 2 poles each.

NDs slumped to 4/48 and the Albert Cup was within reach.

With a golden opportunity to exorcise the demons of the year prior.

The boys were simply unstoppable, as their confidence grew even higher.

Jules took 4, as did Lawso, and Ev cleaned up the tail with 2 of his own.

NDs all out for 173, and the Albert Cup was back home.

It’s only the fifth time we’ve won the Albert, as the boys sang the song loud.

To Zachy and the boys – a huge congrats – you’ve made us all very proud!

#### **“THE BELVIDERE IS BACK!”**

1st Grade Premiership titles are very hard to crack.

But after an 11 year drought, the Belvidere is back!

This was a real team effort, of that we can be sure.

What about the Quarter Final efforts of Ned Hole and Myles Kapoor!

The GF v Easts was a chance to atone for 2 previous Grand Final losses.

Where in both of those matches, our skipper had lost the tosses.

But skipper Foz called correctly at Cricket Central, sending Easts in to bat.

And then began the challenge to win the Belvidere Cup back.

Opening the attack was Charlie Stobo, our popular star recruit.

The boys were confident that this pitch, he would suit.

They were right, as he got the early wicket of Daniel Hughes.

Then another soon after, to have Easts at 2/42.

But the Dolphins dug in, and Nick Maddinson was on a roll.

But Skipper Foz wasn’t fazed, as he continued to bowl.

He got a ripper through Maddo, to take what was a massive wicket.

At 3/122, this was tough Grand Final cricket.

Another big partnership and things looked to be slipping away.

But we got the much-needed breakthrough, courtesy of Tommy Kaye.

At 4/196 we were still under the pump, with Matt Moran the villain.

But as he had done all season, another crucial wicket to Roop Dhillon.

Stobes followed up with a double wicket maiden, as Easts lost 3 for none.

The Dolphins were then bowled out not long after, for 241.

A tricky Grand Final total, the boys knew only half the job was done.

We rocked up to day two, hoping to see plenty of runs.

The early loss of Brewy and Roop had it evenly poised at 2/28.

It was now in the hands of Ollie Davies and AB, to determine our fate.

A brilliant 177 run partnership, saw Ollie score his 15<sup>th</sup> Manly ton.

There is no doubt, that this was his most important one.

At 3/210, AB was still there and he just continued to bat and bat.

A masterful 116 from 270 balls – you just don't see much better than that.

Joel Davies also reached the 200 ball club, with a patient 76.

Whilst Jay Lenton was unbeaten on 39, as they pulled up sticks.

At 5/380 it was a dominant performance, as we had their measure.

To Boult and Lewy – a First Grade Premiership cap to treasure!

Our batting was just so good, which Easts couldn't decipher.

Stobes was the Benard Medallist, for taking a Michelle Pfeiffer.

To Mickey Edwards, you've been a huge factor in this ride.

Like Jay & AB, a second Belvidere Cup title you can boast with pride.

Our NSW Skipper Jack Edwards, thanks for all your support along the way.

The boys listen to you intently, whenever you have something to say.

Thanks also to Michelle and Henry, who are both a part of this.

As was Hadds and our photographer Birdy, for his amazing pics.

To captain Fozzy, a phenomenal result your team has managed to achieve.

You and the boys deserve the accolades, that you will all receive.

Last but not least, to our beloved mate Juicey, who to all of us is so dear.

With this victory, we know you would be as proud as anyone here.

Mate, the boys have done their job and kept their promise up.

Of bringing us home, another Belvidere Cup!

See you all next season.

Andrew Fraser  
Honorary President 2025/26

## Secretary's Report

To the wider cricket community involved with Manly Warringah District Cricket Club, the Board has the pleasure in submitting the 148<sup>th</sup> Annual Report, including the financial statements, covering the 2025/26 cricket season.

As Andrew mentioned, this was an excellent, record setting year. Congratulations to all.

The coaching staff led by David Gainsford, Roy Vumbaca and Dom Wheeler have been outstanding. Both head coaches are thankful for the highly skilled and motivated staff they lead.

As always our volunteers were enormous. Success only comes when there is a great culture and solid foundation. The volunteers at MWDC provide this in spades.

We thank our Patrons Michael Regan, James Griffin and Mike Baird for their support during the season. Green By Nature are contracted by Council to prepare and maintain our grounds, and their expertise and dedication is vital to our success.

Season 2025/26 saw our investments in the future come to reality. We have new facilities at Mike Pawley Oval. Seaforth Oval was in play for the junior representative teams and the Saturday afternoon competition. The indoor centre opened and has come through the first critical season in good financial shape. Having this facility will be directly linked to our success in all the junior and senior competitions. Simply, our players have the chance to be better.

MWDC had 10 players in 2025/26 who represented NSW or a Big Bash franchise in the BBL or WBBL. Jack Edwards debuted for Australia against Pakistan in January this year, and Joel Davies has also just debuted for Australia against Bangladesh in June.

One hundred and forty two senior players donned the Waratahs Cap in 2025/26. 81 men and 61

women. Twelve Men's players and twelve Women's players qualified for their official

MWDC playing number – listed below. Our First Grade debutants are to be congratulated on achieving the pinnacle of grade cricket.

It has been a pleasure to serve on our Board for another season. This is a highly skilled and motivated group. Each Board member runs their allocated area with a high degree of professionalism and enthusiasm. Again, a big thanks to this group.

### Men's Player Numbers

*Lachlan Coy 1589, Lewis Evans 1590, Alfie Gatehouse 1591, William Graham 1592, Darcy Horstead 1593, Finlay Jenkins 1594, Harry Kershler 1595, Harvey Matheson 1596, William Nasser 1597, Angus Pike 1598, Nicholas Toohey 1599, Charles Stobo 1600.*

### Women's Player Numbers

*Mollie Adams 149, Aaleyah Bookless 150, Darcey Carter 151, Sarah Davidson 152, Matilda Ellis 153, Teaghan Ford 154, Edie Gillett 155, Yuhansa Jayakody 156, Sophie Martin 157, Isabella Pallister 158, Harriet Thornton 159, Joleena Wright 160.*

### First Grade Debutants

*Kai Croft, Lewis Evans, Akshay Joseph, Myles Kapoor, Julian Osbourne, Nicholas Toohey, Charles Stobo.*

*Eve Burke, Natalie Guyot, Ellie James, Annabel Kyme, Willa Pearson, Erica Sharma, Keira Terrey, Mollie Adams, Darcey Carter.*

Steve Beatty

Honorary Secretary 2025/26

## Treasurer's Report

I am pleased to present the Treasurer's Report for the financial year ended 30<sup>th</sup> April 2026.

The Club has again delivered a strong financial result, recording a surplus of **\$63,284** for the year. While this is lower than the previous year's surplus of \$86,270, it reflects continued investment in cricket programs, facilities, coaching & equipment, while maintaining a healthy financial position.

Total revenue increased from \$351,792 to \$420,842, an increase of approximately 20%. Key contributors to this growth included:

- Sponsorship income of **\$190,250**, up \$13k.
- Grant funding of **\$119,586**, up \$28k.
- Playing fees increasing to **\$33,199** from \$20,509, as we had a new clothing provider and no clothing credits this season.
- Fundraising revenue of **\$32,665**, compared with \$26,136 in the previous season due to the highly successful Ashes lunch this year.
- New income streams generated through the Academy/Indoor Centre, including Academy Distribution income of **\$10,999** and Academy Licence Fees of **\$13,000**.

The Club continues to benefit from strong support from sponsors, grant providers, our players and members, volunteers and the broader cricket community.

Total expenditure increased from \$265,522 up to **\$357,558**, reflecting both growth in Club activities and strategic investment in the future of cricket in the district. Major expenditure items included:

- Coaching expenses of **\$56,563**.
- Ground and facility hiring costs of **\$56,855**.
- Clothing purchases of **\$72,336**.
- Playing and training supplies of **\$27,830**.
- Marketing & promotion costs of **\$32,666**.
- Grants and donations of **\$22,916**.

The Club also invested substantially in leasehold improvements

and equipment, which was primarily our investment in the fit-out of the Academy/Indoor Centre resulting in higher depreciation expenses during the year.

The Club remains in a very strong financial position. At 30<sup>th</sup> April 2026:

- Total assets stood at **\$742,179**.
- Cash and term deposits totaled approximately **\$503,000**.
- Total liabilities were **\$108,019**.
- Net assets increased to **\$634,160**, compared with \$570,875 at the end of the previous financial year.

The Club's strong balance sheet and cash reserves provide a solid foundation for continued prudent investment in player development, coaching, facilities and community engagement.

I would like to thank the team at Enspira Financial for providing accounting and taxation support for the season as well as our Honorary Auditor, Doug Wood from Foster Raffan for his services and advice.

Thanks also to my fellow Board members for their ongoing support and contribution throughout the year. Their efforts continue to strengthen the Club both on and off the field.

I commend these financial statements to the members and recommend their adoption.

Scott McLachlan  
Honorary Treasurer 2025/26

## INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF MANLY WARRINGAH DISTRICT CRICKET CLUB INC

### Opinion

I have audited the financial report of Manly Warringah District Cricket Club Inc ( Manly Cricket ) as at 30 April 2026 which comprises the detailed balance sheet as at 30 April 2026 and the detailed profit and loss statement for the year ended 30 April 2026 (together "the financial report").

In my opinion the financial report :-

- (a) presents fairly in all material respects, the financial position of Manly Cricket as at 30 April 2026 and of its financial performance for the year then ended; and
- (b) complies with Australian Accounting Standards.

### Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are independent of the entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial statement in Australia, and we have fulfilled our other ethical responsibilities in accordance with that Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Those Charged with Governance for the Financial Report

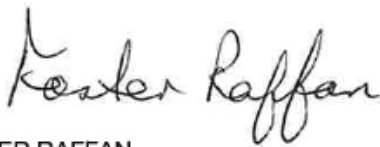

The responsible persons of Manly Cricket are responsible for the preparation and fair presentation of the financial report in accordance with those requirements of the Financial Reporting Framework in New South Wales relevant to preparing such a financial report and for such internal control as they determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Club's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statement

My objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of my responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at : <http://www.auasb.gov.au/Home.aspx>. This description forms part of my report.

## Men's Head Coaches Report

### Opportunity.

22 July 2025 – first training session of the season. 'Opportunity' was the very first word spoken to the playing group.

29 March 2026 – last day of the season. Day 3 of the 1st and 2nd Grade Grand Finals. 22 Waratah players seized the opportunities in front of them.

Opportunity was the resounding theme underpinning this season. It started in the offseason when we decided to decline the request from a number of players to join and play at the Club. First class players and highly experienced 1st Grade players were overlooked, with the Club investing instead in the potential already within its ranks.

This season will be remembered for the historic double of 1st and 2nd Grade Premierships. However, the real celebration needs to be the story of opportunity underlying the success of these two teams. Two new team captains in Joel Foster and Zach Trewartha, and two new performance mentors in Mickey Edwards and David Gardiner, given the chance to lead and guide these teams.

With many players very young in their 1st or 2nd Grade playing experience and journey, it could have easily been a year of finding their feet for these two teams. Instead, these leaders took the opportunity to instil belief and confidence in their playing group, giving them every chance to make the most of their opportunities by driving high standards in preparation and play. To ultimately win Premierships in both 1st and 2nd Grade, as well as being semi finalists in the 1st Grade T20 and Limited Overs competitions, reflects so positively on how well these two teams were led, developed, and driven. Special mention to Mickey Edwards for his incredible planning, preparation, and genuine care of the 1st Grade squad to give them every chance for success.

Across the other teams there was a lot to celebrate. 3rd Grade finished a respectable third, having been tenacious throughout the latter half of the season, unfortunately narrowly missing out in their semi final. 4th and 5th Grade both finished fifth, which meant for the third time in the last four years, all five grades were playing finals cricket. This is an achievement we are all proud of and is the product of such a dedicated,

hardworking and committed playing group. The most encouraging aspect of these team placings is that the individuals in those

teams were not content with those placings and have already committed to work hard to better those performances next season. Similarly, finishing 3<sup>rd</sup> in the Club Championship could be considered a good achievement. However, it was pleasing to see within the playing and coaching group a genuine sense that we expected better and will strive for that next season.

The overall success and achievements this season are no doubt the result of players working towards the highest training and playing standards. This does not happen without sound leadership. Our playing group are fortunate enough to be led by a group of quality team and club captains who allowed them to develop as good people and good cricketers, to ultimately make the most of the opportunities being a part of this Club provides.

Joel Foster, Zach Trewartha, Sam Webber, Adam Parkinson, and Simon Waddington are great leaders who put their players first and have great care for the people they lead. Phenomenal for Zach Trewartha and Sam Webber in their first year of captaincy to be awarded the competition 2nd and 3rd Grade Captains of the Year, respectively. They were complemented by our Club Captains, Ollie Melville and Jacob O'Sullivan, who again provided the framework of solid work ethic, accountability, and a lot of fun for our players.

The achievements of our playing group and their ability to grasp the opportunities afforded them was largely the result of the tireless work and expertise of the coaching, training and support staff. Aidan Baker, Ahillen Beadle, Simon Couch, Mickey Edwards, Ryan Farrell, David Gainsford, David Gardiner, Will Gustafson, Will Harding, Andrew Jamieson, Brendan Lyon, Doug McGrath, Chris Melville, Cameron Merchant, Sam Mesite, Mike O'Neill, Paul O'Sullivan, Bobby Rollins, Donny Singe and Ross Trewartha have each in their own way been influential in supporting and developing our playing group to higher levels. Our players are blessed to have access to such a diverse

array of cricketing expertise and guidance. Most of all, these people put the care of our players first and genuinely enjoy the success they experience. This is why the players value them so much. It has again been a pleasure working with such a loyal, dedicated and fun group of people. A special and enormous thank you to David Gainsford who does so much to ensure the Club, the staff and the players are able to perform at their optimum.

Thank you to all members of the Board for the continued support they again have provided the

playing and coaching group. Without their thankless work in the background, this Club does not achieve the success we have had on the field.

I look forward to next season where a new set of opportunities will be presented to every player, every leader, every staff member, and every team. Let us enjoy the challenge of working together to embrace those opportunities.

Roy Vumbaca  
Men's Head Coach 2025/26

T20	2 <sup>nd</sup> (pool)	Manly-Warringah	4	0	2	0	2	0	30	704	31	580	6

What a year. Genuinely, what a year.

This group set out with a simple idea: play with enjoyment, play with freedom, and when the moment called for it, play with ruthlessness. We had a wonderful mixture of representative players, experienced first graders, and less experienced players stepping into that environment for the first time. What tied them all together was a genuine love for Manly and a team-first mentality which was evident from Round 1 right through to the Grand Final. Every person who played was focused on what the team needed, and that is not something you can take for granted. Every single player who represented Manly 1st Grade this year was pivotal in us winning the Belvidere. Each person played their role and played it well.

There is no such thing as an unimportant contribution in a Premiership-winning side, and this group understood that better than most. Whether it was a match-winning innings, a crucial wicket at the right moment, a sharp catch in the field, or simply setting the standard at training week after week, every person left their mark on this season, and every contribution mattered.

**Mickey Edwards** deserves a special mention. He brought a wealth of experience to this group and was a sounding board for anyone who needed one, from the most seasoned player in the squad to someone playing their first 1st Grade game. His ability to connect with every individual while keeping the broader group moving in the same direction was something special to witness, and his influence on how this season unfolded cannot be overstated. The whole squad is better for having him involved.

The individual highlights across the year were a genuine pleasure to be a part of. Innings that will be talked about for a long time to come. Bowling spells that were a real handful for any batting line-up. Fielding that lifted the group on plenty of important occasions. Each of those moments deserve to be celebrated. But what

stands out above everything else is simpler than any scorecard – this team played the game the right way. They competed hard, they backed each other, and they had a lot of fun doing it. That is the Manly way, and long may it continue.

As exciting as this year was, we are not done. Winning a Premiership is a brilliant feeling and one this group should be enormously proud of, but it is a marker on a longer road, not the destination. The exciting reality is that for all this group achieved this year, there is still so much more in them. Players who stepped into 1st Grade this year will be stronger and more confident for the experience. Experienced campaigners will keep finding new ways to improve their game. And as a collective, the trust and understanding that makes a team genuinely hard to beat will only continue to grow.

Their want for continuous improvement is genuine, and that is what makes next season so exciting.

To every player, every support staff, and everyone who was a part of this year – thank you. It was truly a season we will all remember for a very long time.

**Matt Brewster.** A true breakout year for Brewy. His ability to put bowlers under pressure from the very first ball is something that only a few in the country are capable of. This year Matt's clear game plan and dedication to being the guy to get big scores to put us in great positions was second to none. Despite a great season with the bat, that's not where his greatest assets to this team lie. His leadership, passion and being the epitome of a great teammate was so instrumental in our success this year, and everyone loves being in a team that Brewy is playing in.

**Ahillen Beadle.** AB showed this year why he is one of the greatest to ever play for our Club. The discipline and tenacity he shows when at the crease is a great lesson for all aspiring to master the craft of batting. AB was a great sounding board all year and it was a pleasure to have someone with his experience to help in my first

year of captaincy. AB is so highly regarded amongst the playing group and I'm excited to share many more seasons with him.

**Roop Dhillon.** This was probably the greatest debut 1st Grade year I have ever seen in my time at Manly. Every grade Roop has gone up, he has risen to the occasion and 1st Grade was no different. There were many occasions this year, on flat wickets or when partnerships began to build, where I wondered where we would take our next wicket. Often, Roop was the answer. What was so impressive wasn't his wicket-taking ability but his control and economy while doing so. Higher honours are on the cards for Roop if he continues to play the way he did this season.

**Andrew Boulton.** A constant contributor with bat and ball all season. Boults' ability to inject himself into games was his greatest asset this year. Whether it was his golden arm, coming on and taking a wicket whenever we needed one, or his composure and constant attacking nature with the bat, Boults was a large reason for our success this year and is going from strength to strength in all facets of the game. You won't find a single team member that doesn't enjoy being around Boults and as a captain he is exactly the guy I want in my team, on and off the field.

**Lewis Evans.** A great addition to our squad, Lewis came up from Canberra with no expectation and a desire to play for a great club. Little did we know that we were in for a fierce competitor and a great bowler. Much like Roop, Lewis has ways to inject himself into the game when it's at a standstill. Whether it's chasing a ball to the boundary late in the day or running in and bowling his 10th over straight, his attitude was infectious and rubbed off on the whole group.

**Thomas Kaye.** TK has been a constant in 1st Grade for as long as I've been at the Club and this year was no different. His relentless line and length and cricket knowledge is what makes him so great. Having someone with such a great cricket brain rubs off on the broader group and is so instrumental in our success. It's great to see Tom's passion for the Club as one of its longest serving players, and he is a joy to play with each week.

**Akshay Joseph.** Akshay had a great year for the Club and his talent was on display for all to see. Bringing up his maiden 1st Grade hundred was particularly impressive, and watching his skillset develop throughout the season was great to see.

**Ned Hole.** Manly Cricket's most loved player, and for good reason. Whenever you need a job done, or something best for the team, Ned is who you call upon. What particularly stood out this year was Ned's ruthlessness to keep scoring runs in pivotal moments, and that was particularly evident in his and Myles' match-winning – Premiership-winning – innings in the Quarter Final against St George to get us over the line. Everyone looks forward to their weekends with Ned and enjoys it when he does well, because he is the epitome of what Manly Cricket stands for.

**Jay Lenton.** In the games Jay came back to the squad this year his impact was noticed straight away. His read on the game and ability to know what is needed, whether it's with the gloves or with the bat, is second to none. Jay is one of the most loved members of this squad and it was fitting that he was out there when we won the Belvidere this year, as he has been so important to us getting into this position to win.

We were lucky enough this year to have our state players come back and play with us throughout the year and impart their wisdom and buy into what this group was trying to achieve.

**Ollie Davies** had many match-winning innings and dug us out of many scenarios to win the unwinnable games through his attacking nature.

**Charlie Stobo,** in his first year at the Club, was a true leader off the field and a stalwart with his performances on the field – the epitome of a true professional.

**Ryan Hadley** brought his usual aggression, pace and experience in his few outings for the Club.

**Joel Davies** went from strength to strength this year, showing maturity and skill well beyond his years.

And having NSW captain **Jack Edwards** around the group for one game was brilliant – he bought into what we were doing and imparted his wisdom generously.

As mentioned previously, we truly won the competition this year because of every player within our squad playing a pivotal role. Some players only played a few games but were nonetheless instrumental in where we finished.

Kai Croft made his debut and his enthusiasm and love for the Club rubbed off on us all. Zach Trewartha

showed why he is such a leader amongst the Club in his few games and was so important for our T20 campaign. Josh Lawson and Julian Osbourne bowled with passion and control and showed great growth and potential, not looking out of place at 1st Grade level. Nick Toohey showed great promise in the few games he played in the top grade – unfortunately injury had him playing less games than he would have liked, but I have no doubt he will be back bigger and better next year. It was also great to have the experience of Adam Crosthwaite and Ryan Farrell for a few games this year, both legends of Manly Cricket.

We are so fortunate at this Club to have so many great volunteers that enable and help us to do what we do. A massive thanks to Mickey Edwards, Henry Lucius and Michelle Evans for the constant support week in week out for our group. I would also like to thank the committee and the broader volunteers at the Club, all of whom work tirelessly year-round to make the Club as great as it is.

Joel Foster  
1st Grade Captain 2025/26

**Note: 2-day, 1-day and T20 stats for all years are included in above 1st grade numbers. The SCA determined that T20 stats should be included as official 1st grade statistics for all years, and have been updated retrospectively. In previous Annual Reports, only some T20 years were included in 1st grade stats.**

## 2nd Grade Report

Ladder	Team	P	WO	W1	D	L1	LO	Wkts Lost	Runs For	Wkts Taken	Runs Agst	Points
2 <sup>nd</sup>	Manly-Warringah	16	1	10	2	3	0	99	3251	150	3328	73

The 2025/26 season was an outstanding one for our Men’s 2nd Grade side, culminating in a well-deserved Premiership and marking a memorable campaign for everyone involved.

From the opening rounds, we established ourselves as one of the strongest sides in the competition through consistent performances, disciplined cricket and a strong team-first mentality. Finishing 2<sup>nd</sup> on the ladder at the end of the regular season was a reflection of the commitment and effort shown across the entire group throughout the summer and gave us strong momentum heading into finals.

One of the major strengths of the season was the contribution we received across the entire squad. With the bat, we repeatedly found ways to build competitive totals and respond under pressure when chasing. Important partnerships throughout the order played a key role in our success, with players stepping up in crucial moments across the season. Just as importantly, our bowling unit consistently applied pressure, took wickets at key stages and controlled games through discipline, patience and execution.

Our fielding also remained a defining feature of the side. Energy in the field, high standards and willingness to work for one another created pressure and helped turn games in our favour. Even in moments where the momentum threatened to get away from us, there was always someone ready to rein us in, refocus the group, and bring us back to the standards we set for ourselves. That resilience became a defining characteristic of the side and reflected the trust that developed throughout the season.

The finals series brought out the very best in the group. Carrying strong form into the post-season, we remained composed in pressure moments and trusted the work we had done throughout the year. Each finals performance reflected the resilience and belief that had developed within the side over the course of the season. To finish that journey with a Premiership was a fitting reward for the effort and commitment shown by everyone involved.

Beyond the results, this season was defined by the culture within the group. We built an environment based on trust, accountability and genuine enjoyment of playing for one another. Every player contributed to that, whether through performances on match day, standards at training or the support shown around the Club throughout the year. It was a group that consistently put team success first and represented the Club with pride.

Winning a Premiership is never easy, and this achievement is a credit to all players, coaches, support staff and volunteers who contributed throughout the season. The dedication shown week after week laid the foundation for what became a special year for the group.

Specifically, to **Roy Vumbaca**, thank you for everything you have done not only for me but for the entire Club over your time as Head coach. All your hard work and dedication hasn’t gone unnoticed. Congratulations on winning NSW Premier Cricket Coach of the year, one of the most well-earned awards.

To **Willy Harding**, a massive thank you to second grades biggest supporter/manager, Sweet Chilli. You are the heart and soul of this team. Your smile and joy is one of the big reasons why we keep coming back each year.

And last but certainly not least, to **David “Lozza” Gardiner**, your energy, spirit and just overall love you bring to us is unbelievable. You don’t do any of this for the accolades or recognition, genuinely from a place of love and support! You live and breathe Manly cricket more than anyone else I know. From the first coffee chat we had at the start of the season you’ve been my right hand man. So thankful for everything you do mate.

**Kai Croft**. Croft had a wonderful year. Making his 2nd Grade debut round one as an opener, which he hadn’t done much of in the past. Scoring over 500 runs, a 2nd Grade hundred and 1st Grade debut is an outstanding achievement. Probably wanted to contribute more with the ball, partly due to us having a number of all-rounders all year, but definitely talented enough to

become a genuine all-rounder. More to come in the future for Crofty.

**Akshay Joseph.** Akshay made the move up from Canberra full time after already representing the Club in Green Shield and PGs. Though we only had Akshay for a handful of games, he really stepped up. Scoring a match winning 100\* against Sydney, and falling just short of another hundred against Sutherland. His fielding levels also showed what a key contributor he was to the team this year.

**Ned Hole.** What to say about Neddy. He probably had his best season for Manly. Scoring over 750 runs for the season, 3 hundreds in 2nd Grade including a SF 174\* and a GF 100, and being rewarded with Senior Player of the Year. Ned not only contributed immensely with the bat, but was also a senior head for the young group. Having someone like Ned to turn to for ideas or plans is amazing!

**Jacob O’Sullivan.** Sully missed the first few rounds with us due to injury, but once back fit played the rest of the season with 2’s. He was a technician in the middle order for us and he contributed through the year. A mixture of his stroke-playing and grinding were the key stand outs. 85 off 232 in the GF on a spicy wicket was the highlight for me. Sully also lifts the change room with his experience and prowess in the field.

**Isaiah Vumbaca.** Vummy has been a mainstay of 2nd Grade for as long as I can remember, his leadership is a great helping hand in the squad, stepping in a couple of times as captain when I wasn’t there. Couldn’t think of anyone else better to do that job. Between bat and ball this season Izzy proved why he is so good. A crucial 82 off 192 in the GF, throw in 16 wickets for the season with either his offies or medium pacers shows how important he is to the success of 2nd Grade.

**Myles Kapoor.** Young Myles actually leapfrogged 2nd Grade to start the season in 1st Grade for the T20s. Myles is definitely one for the future, showing his talent with both bat and ball throughout the season. I was lucky enough to present Myles with his red ball 1st Grade cap where I witnessed him shine in the top grade. His ability to take on the game at such a young age is outstanding. This is already Myles’ fifth premiership in 4 years at the Club.

**Reuben Kapoor.** Reubs playing his first full season of 2nd Grade was great to see. He started off the season with an unbeaten 96\* against North Sydney. He

probably would say the same, but he missed out with the bat more than he would have liked this year, until the QF against Sydney Uni. He bored the Sydney Uni outfit with his grit and determination, scoring 105\* off a mammoth 266 balls. Reuben’s keeping was awesome this season too. He was one of only 2 players who played every single game in 2nd Grade this year.

**Evan Dunnachie.** Ev had a great year in 2nd Grade. After having a taste of it last season, he played every single match in 2’s. His ability with both bat and ball contributes perfectly within the squad. Ev is a player you can count on more times than not, he can take games away from the opposition within an hour. He played a crucial knock against Randwick Petersham, scoring a run-a-ball 78\* when we were 7/87. You can also throw the ball to Evan in most situations, whether it was the new ball or at the death, Ev delivered.

**Josh Lawson.** Lawso, my big tall goofy quick! He’s one of those players you want in your team week in week out. His energy is through the roof all the time, and his will to learn and better his cricket is a key attribute. Lawso had a slightly up and down pre-Christmas stint, but post-Christmas turned into our fast bowling machine. He earned himself a call up to 1st Grade and really showed that he belonged in the top grade. He showed his true form in the last 4 weeks of the season, taking 16 wickets at 14 to help guide us to a Premiership.

**Julian Osbourne.** Jules was a real stand out this season. A young kid with plenty of potential that shone through this season. His ability to swing the ball both ways at pace is a treat to watch. He matured throughout the season and was pivotal during our finals campaign. Making his 1st Grade debuts in all formats this season was a true testament of his skills and determination. Julian is definitely one for the future at Manly.

**Jordan Daly.** Jordy played a huge role this season not only on the field but off it. Having captained last season, he was definitely one of the guys I turned to the most. His ability to play most roles with the bat and play for the side is something that we shouldn’t take for granted. He played some crucial innings throughout the season to get us to where we needed to be. Having a senior player with 5000+ runs for the Club in your side, you know you’re going to get the best.

**Tom Kaye.** Having someone like TK in your 2nd Grade side is something to honour. He’s a player with swagger and skill. Over 4500 runs and 250 wickets, he’s

definitely a player too good for 2nd Grade. TK shone his brightest in 2's against Parramatta, taking 11 wickets for the game, a true clinic which helped us to a dominant outright victory. Not only with the ball, but TK definitely helped out our young bowling attack with his brains and skill.

**Josh Cooper.** Coops had an interesting season, filling the role of middle order bat and off spinner. He is one bloke that will throw himself into any scenario whether it's with the bat or ball. He showcased this early in the season with a very important 3fa against UNSW in a T20. Off the field Coops is a real character and one that definitely keeps the vibes in the shed going.

**Adam Searle.** Searley came to the Club last season and contributed heavily in the 4th Grade Premiership winning side, this leading to his debut and 9 games in 2nd Grade. He is another player that will do whatever he can to better himself. One of the better trainers week in week out, constantly asking how he can be

better in all facets of the game. Stats don't always paint the picture but a very important player to our squad.

**Nick Toohey.** After having a very disruptive last season due to injuries, Nick had a fire and determination to be back out on the paddock. Starting the year with games in-between 1's and 2's he was bowling the house down. An unfortunate accident at the Christmas break ended his season, but the value he brought at the start of the year put us on the way to a big season.

The 2025/26 Men's 2nd Grade season will be remembered as one built on consistency, resilience and teamwork. To finish as Premiers after such a strong campaign is an achievement everyone involved can be proud of, and one that reflects the strength of the group both on and off the field.

Zach Trewartha  
2nd Grade Captain 2025/26

## 3rd Grade Report

Ladder	Team	P	WO	W1	D	L1	LO	Wkts Lost	Runs For	Wkts Taken	Runs Agst	Points
3 <sup>rd</sup>	Manly-Warringah	16	0	11	1	4	0	117	3003	131	2595	65

The 2025/26 season will be remembered as one of growth, resilience, and a group that played for the collective when it mattered most. While we ultimately fell one step short of the final, losing to the eventual premiers Northern District, this was a season that showcased the strength, depth, and true character of 3rd Grade — Team First Cricket.

We finished 3<sup>rd</sup> on the ladder with 11 wins from 16 matches, a strong return that reflected the consistency we were able to build, particularly in the second half of the season. After the Christmas break, the group went on an impressive run, not dropping a single game before finals, a testament to the belief within the squad and the standards we set for ourselves.

In many ways, the season was defined by these two halves. Early on, we showed glimpses of our potential but fell short in a handful of games against lower-ranked opposition. Those matches, where we weren't quite able to execute in key moments, ultimately proved costly in the context of the competition, denying us a top-two finish and the advantages that come with it. Instead, we entered the finals series in 3<sup>rd</sup> position, fully aware of the challenge ahead.

What followed was a display of tough, determined cricket. We fought our way into the Semi Final and came up against a polished Northern District side who, on the day, were simply better. Although it was disappointing to bow out one game short of the Grand Final, the group's effort and commitment never wavered — ultimately highlighting the level of performance needed to win a premiership — something I'm sure will sit with the boys for next season.

One of the most pleasing aspects of the season was the contribution across the entire squad. Every player had a role to play, and at various points throughout the year, individuals stepped up to deliver match-defining performances. Remarkably, we reached the finals without a single century being scored, which speaks volumes about the collective nature of our success. It was a true team effort, built on shared responsibility rather than individual dominance.

There was no shortage of standout moments across the season. Jack Melchiore produced one of the more thrilling finishes, striking back-to-back boundaries under pressure to secure a T20 win against Eastern Suburbs. In what was nearly one of the great all-time bowling performances, we took 6/14 against Sydney Uni, finishing just one wicket short of a remarkable victory. Liam Dinan showed true calm and composure, guiding us through a rain-threatened run chase against Sydney, while Thomas Walker tore through Hawkesbury in a spell of bowling that really showed his talent and potential.

And then there was Parramatta — a performance that, in my opinion, stands as one of the best 3rd Grade wins I've been a part of in a very long time. Toiling for 90 overs in the dirt for the opposition to declare at 9/282, every player contributed and the group executed under pressure, chasing down the score in 66 overs on Day 2, in the very last over of the day. It was a complete team performance.

From a broader perspective, finishing 3<sup>rd</sup> in such a competitive competition reflects how far this group has come. The ladder was tightly contested, and while we matched it with the best at our peak, the lesson is clear. Sustained execution across the entire season is what separates good sides from premiership-winning ones.

It has been a privilege once again to captain this group. The development, not just as cricketers, but as a team, is something I'm incredibly proud of. The environment within the side, the commitment to each other, and the hunger to improve were all evident, particularly in that second half of the season, and especially as we reached finals with some very tough selection decisions.

To the playing group, thank you. Your effort, professionalism, and willingness to buy into the team-first approach made this season what it was. Selections were never easy, but the attitude this entire group displayed, playing or not, encapsulated the success we produced on the field, and more prominently, the camaraderie shown off it.

To the coaches, selectors, and volunteers, your continued support and work behind the scenes never goes unnoticed and is deeply appreciated.

To my right-hand man, **Will Gustafson** – our team manager, thank you for all your time and dedication given to this squad. The weekly phone calls, sorting of team kit, tireless training sessions, Grahams prep and post-game pack-downs, writing of team sheets, but most of all the sheer amount of care you give to not only 3rd Grade but this whole Club... thank you mate.

**Brodie McDowell.** Brodie was outstanding behind the stumps, finishing with 23 dismissals and displayed terrific glove work week in, week out. While runs were hard to come by at times, his persistence was rewarded with a mature match-winning innings against Sutherland and a very gritty effort in the Semi Final that helped set the platform against Northern Districts. A terrific team player and one who will be looking to convert his potential into big runs next season.

**Jack Melchior.** Our most consistent batter throughout the season, Jack led the way with 562 runs at an average of 35.13. His three standout innings of 79, 80, and 81 highlighted his ability to build mature innings in two-day cricket, while his power and intent in the shorter formats make him a key pillar of our batting lineup. His success was duly rewarded with the 3rd Grade batting award for 2025/26, and a 2nd Grade debut, a level he looks well suited to for next season.

**Axel Karlsson-Lacy.** Axel brought great energy and charisma to the group, never short of something to say and always adding to the team environment. A young and skillful cricketer, who showed plenty of promise throughout the season, however found it challenging to find consistency with the bat. The experience gained in 3's will be invaluable, and his impressive hundreds in both 4's and PGs highlighted the potential he has to develop into a dominant top-order player.

**Liam Dinan.** Embodies everything about a "team-first" cricketer, consistently putting the needs of the side above his own. A reliable presence with the ball, averaging 19.55, while also making valuable contributions with the bat, Dino played a key role in our success across the season. A pleasure to captain, his commitment and willingness to give everything for the group set a standard for others to follow.

**George Cumming.** A tougher season than he would have liked, but still showed glimpses of his genuine

quality with a 4fa vs Mosman. George stepped up with the bat on a few occasions, resulting in a 50 vs Syd Uni, showing what he can bring with both bat and ball. With a clear focus heading into next season, I have no doubt he'll be determined to return to his best and re-establish himself as a key contributor.

**Thomas Walker.** At just 16, Tom showed impressive promise as a developing fast bowler with the build and presence to become a genuine force. He showcased his talent across the season with two 4-wicket hauls and a 5-wicket haul, underlining his real ability to impact games. Always brought great energy to the group, and consistently raised standards off the field with "his" exceptional caramel slice and brownies (thanks Mrs Walker). A delightful young prospect for the Club and I look forward to what next season has in store for him.

**Samuel Hole.** Continued to be a steady and reliable presence at the top of the order, scoring 292 runs at an average of 32.44. Beyond his on-field contributions, Sammy brings great purpose and leadership to the group, and his experience is something I've been incredibly grateful to lean on every season. His bowling was also a highlight this year, with two 4 wicket hauls.

**Josh Wigney.** An invaluable leader within the group, particularly for our fast bowling unit, where his experience and guidance played a major role. A fierce competitor, Wigs was outstanding with the ball, claiming the 3rd Grade Bowling award with 21 wickets at 15.24, consistently delivering under pressure and setting the standard for those around him.

**Josh Cooper.** Following on from last season's success, Coops spent the start of the season up in 2nd Grade. For 3's, he remained a dependable presence, with two half-centuries, anchoring most of our innings. Coops always brought a strong analytical mindset to each match, offering valuable insight both for his own game and the team. A great team player and someone I can see becoming a future leader for the Club.

**Adam Searle.** Our overseas Englishman made a strong impact both on and off the field, quickly becoming a key figure within the group. A natural leader, his influence was recognised with the captaincy in my absence early in the season, while his all-round contributions included a finger spinning five-wicket haul, and a half-century with the bat. Searley's positive energy and ability to bring people together made him a fantastic presence around the squad, and his skill on the field was a real asset for the team.

**Nathan Pryke.** Showed glimpses of genuine quality across the season, finishing with 11 wickets at 24.8. While consistency proved elusive at times, his standout performances – including a brilliant six-wicket haul in 4th Grade – highlight the impact he’s capable of, and he looks well placed to make a strong impression next season. A champion bloke who fits seamlessly into the group and adds to the strong team culture, a fitting recipient of the George Lowe Medal for 2025/26.

**Josh Coyte.** An injury-interrupted season saw Josh miss a significant portion with a shoulder issue, but he still showed his class when on the park. He produced two composed fifties in 3’s and an outstanding 129 off 100 balls in 5th Grade, underlining his ability with the bat. A player capable of taking games away single-handedly, and an outstanding person to have around.

**Keelan Mendel.** Finished the season in outstanding form, delivering back-to-back scores in the 60s during the finals. While in and out of 3’s, he made a strong statement with an impressive century in 4th Grade, and it felt like this was the season Keelan truly stepped up with confidence – taking the game on and applying real pressure to the opposition with the bat.

**Will Skinner.** Skins picked up 9 wickets at 25.5 across the season, with the highlight being a strong 4-wicket

haul against Penrith that showcased his ability at his best. While at times found it difficult to reproduce that level, his work ethic and determination remained clear and he’ll be looking to build on this for next season, as I know he’s capable of.

**Lachlan Kerr.** The unsung hero of the season, Kerry’s hard work and determination were rightly rewarded with opportunities in 2nd Grade. Week in, week out he gave everything for the side, embodying the team-first mentality that defined our group. His standout performance came in the final round against St George, toiling through 22+ overs, virtually on the bounce, for a superb 4-wicket haul. Kerry sets the standard, and it was fitting to see him recognised with the Gary Flowers Most Improved Award for 2025/26, well done mate!

While the season didn’t end with a trophy, the foundation is firmly in place. This group has shown it can compete with the very best. The challenge now is to take the lessons from this year, particularly from those early-season matches, and turn them into the consistency required to go one step further. There’s no doubt in my mind that this side can do so.

Sam Webber  
3rd Grade Captain 2025/26

## 4th Grade Report

Ladder	Team	P	WO	W1	D	L1	LO	Wkts Lost	Runs For	Wkts Taken	Runs Agst	Points
4 <sup>th</sup>	Manly-Warringah	16	1	8	3	4	0	103	2538	121	2493	62

All good things must come to an end. And as they say, “don’t cry because it’s over, smile because it happened”. Season 2025/26 saw the end to 4th Grade’s incredible run of four premierships on the bounce, which is no mean feat, and can be put down to a genuine squad mentality, with an unrelenting will to fight & ultimately to find a way to win. While this 4th Grade group weren’t quite able to replicate the unbelievable success of recent years across this season, there were still plenty of times where this resilient, never-say-die attitude that epitomises our Club shone through. Another finals berth, just not quite good enough in the key moments this season to take the ultimate chocolates.

Holistically, the regular season can best be described as topsy-turvy, with a few phenomenal individual & team performances, some gutsy comeback victories, but ultimately halted by some inconsistency in the big moments. We split the results in two T20s to start the season, before finding some momentum with strong team performances to prevail over North Sydney, Sydney Uni & Penrith. A disappointing loss from a winnable position against Sydney was followed by a wash out at NDs, but the group found form again in a dominant victory against Sutherland. The highlight of the season came the following week as Seward & Jenkins put on a ridiculous match-winning partnership in a tense last over win over Mosman.

However, a frustrating few weeks followed, as wash outs against Hawkesbury & Blacktown were separated by missed opportunities in a loss to Gordon. The group once again rallied after Christmas to win three on the bounce, headlined by a big run chase at Parramatta and a strong win over Bankstown, before a scarcely believable reverse outright victory at Randwick Petersham was another season highlight.

Unfortunately, needing a win in the final round vs St George for a top 3 finish, we were comprehensively beaten, which booked an away quarter final against the same opposition the following week. There were moments of hope & fight in the Quarter Final, but ultimately the Saints were too good, spelling an end to

the 4th Grade season. On that note, congratulations to St George for their 4th Grade premiership after a tense Grand Final.

This season again wouldn't have been possible in any sense without the tireless support and guidance of numerous dedicated, knowledgeable, and genuinely good people. First and foremost, **Steve Brown**, the great man stepped into the role of 4th Grade Manager this season and played an absolutely immense role for the group. Brownny is a wonderful human, incredibly committed to helping out, and brought great energy & passion to the group this season. Was a great sounding board & offered an important view of the game from off the field. We thank you massively Brownny, and look forward to going around again!

**Roy Vumbaca**. No words can possibly do justice to the work this man has done, not only as Head Coach the last few seasons, but for the Club over a number of years. Roy’s work ethic is second to none, but more than anything, he understands what is required to build positive relationships and to get the best out of each individual, whether that be players, coaches, support staff, or anyone involved. The success of the Club over recent years can directly be attributed to his tireless coaching efforts, meetings, guidance, and his genuine care for everyone. Coach of the Year yet again, and justly deserved.

**Dave Gainsford**. Just like Roy, it’s difficult to explain the tireless work Gains puts in each and every day to ensure all boxes are ticked. Countless phone calls, catch ups, meetings, and he does it all out of a genuine care for every member of the playing group, coaching staff & extended club community. Gains stepped back into more of a coaching role this season, and his organisation & commitment alongside Roy was a direct catalyst for a positive shift in the competitiveness and intensity of training, which ultimately translated into greater consistency in our on-field performances. One of the greatest humans going around, thank you David.

Thank you also must go to the extended coaching and training staff for their efforts coordinating & facilitating

a high level of training each week, and to the Board for their dedication behind the scenes to keep the Club rolling along smoothly. Big thank you to my fellow captains too for the regular communication and transparency with selections, which were certainly a challenge on regular occasions. To Jamo and the extended selection committee, thank you for your efforts facilitating this and keeping things organised under the pump with regular unavailability.

It was a season of opportunity with a number of players debuting in 4th Grade, while others stamped their authority to move up the grades as opportunities presented themselves week after week. From the rise of youngsters Jack Donnan and Toby Seward, to the incredible training habits & professionalism of Lachie Kerr, and the leadership & experience of Cam Merchant guiding our next generation, there was plenty to admire.

A total of 32 players suited up in 4th Grade this season, with some great contributions across the board, all forming a valued part of the group. The following players featured in the Quarter Final, or played 7+ fixtures across the season.

**Jack Donnan.** What a year for JD. A seriously hard worker with a great head on his shoulders, Jack made the opening spot his own this season with some terrific consistency at the top of the order. A maiden Manly hundred the highlight, to go with numerous match winning knocks. Only the beginning of a big future for a terrific kid.

**Jayden Kennedy.** The vice-captain, and stood in admirably with great experience under his belt, Jaydo understands the game extensively and is a great mentor for the youngsters. One of the most brutal ball strikers going around, his ability to explode at the top of the order got us off to some great starts with the bat. A terrific asset in the cordon too.

**Will Nasser.** An up & down year for someone who has brought immense value to the Club and this 4th Grade group. Regularly banging the door down in 5's with consistent match-changing performances, and has the ability to take the game away from the opposition in the blink of an eye with the bat. A great team man and I can see big things coming.

**Cameron Merchant.** One of the long-serving legends of our Club, having Nappa in your side is always of huge benefit to the youngsters, as they learn from someone

who has an abundance of knowledge and experience. Showed his class in the QF with 92 when everything was against us, and boosted the team whenever he was available.

**Lukas Overhoff.** Another supremely talented youngster with an abundance of natural ability with the bat. Demanded selection with consistent 5th Grade performances, and demonstrated his potential with a couple of match-defining cameos, his elegance and timing becoming his trademark. A gun in the field – certainly one to watch for the future.

**Toby Seward.** Somewhat of a breakout year for a teammate that everyone loves playing alongside. Offers great versatility with both bat & ball, and is elite in the field. A simply phenomenal, match-winning 78\* was an innings for the ages in a tense run chase over Mosman, while he took several key wickets with his economical left arm orthos.

**Reiley Dunlop.** Took the gloves for the majority of the season and did so admirably, offering a safe pair of hands behind the stumps with some classy dismissals. Filled an important role in the middle to lower order, and while he didn't quite have the returns he'd like, his cameo of 32\* against Gordon highlighted his versatility with the bat.

**Harry Kershler.** First full season at the club for Kersh, and he quickly became a central part of the 4th Grade group. A quality left arm leg spinner, a rare commodity these days, has a great skillset, regularly having opposition batters in a spin with his variation and control. A handy lower order bat too, it won't be long before he's featuring in higher grades.

**Ryan Bishop-Perrett.** We were blessed to have the services of RBP for the majority of the season, someone who possesses a tremendous skillset with the ball, and is a great mentor for our young quicks. Took regular key wickets and offered terrific guidance for an inexperienced bowling attack, and a great sounding board as a leader too.

**Will Skinner.** When Skins gets on a roll, he's hard to stop, the big man offering extra pace and bounce from his height that causes dilemmas for opposition top orders. While his numbers didn't always reflect his efforts, he continues charging in, a great spell in the QF almost turning the game, as he toiled hard without much reward. One of the greats.

**Keelan Mendel.** Another club favourite who regularly steps up in the big moments and is one of the best fielders going around. 87 vs Norths anchored the innings, while a superb 100\* formed the backbone of our big run chase at Parramatta. Can bat anywhere in the top order, and deservedly spent the latter part of the season up the grades.

**Finn Jenkins.** The big fella from Wagga was a superb addition to our fast bowling stocks this season. Bowls his heart out every week and always throws himself around in the field. His 6fa against Sydney was a scintillating spell as he tore through their top order, while his 33\* in the tense win over Mosman highlighted his skill with the bat down the order.

**Lachlan Kerr.** The ultimate clubman. So good to see Kerry back in action this season, and we quickly saw him back to his best. Unstoppable against Sutherland with 5/16, while his composure with the bat saw us home in a tense finish at Penrith. Deservedly spent the majority of the season up the grades, and is both a terrific leader & role model.

**Ollie Melville.** We only saw OI for the first half of the season, and while he didn't have the returns we know he's capable of, he remained a prominent member of the group with his leadership and team-first approach. One of the great clubmen and hopefully we see him back to his best next season.

**Will Akhurst.** Returning to the club this season, it was great to have Wakka whenever available, as his ultra positive approach to batting has the ability to take the game away from the opposition in the blink of an eye. Also took the gloves in a few fixtures, brought a great energy to the group, and hopefully we get to see more of him next season.

So that's that for another season. Not quite what we hoped as premiership glory slipped away, but that makes the hunger even stronger to get back to where we know we belong next season. Thanks again to everyone involved for another mammoth season, it's been a pleasure to captain this 4th Grade side and be part of such a phenomenal Club!

## 5th Grade Report

Ladder	Team	P	WO	W1	D	L1	LO	Wkts Lost	Runs For	Wkts Taken	Runs Agst	Points
4 <sup>th</sup>	Manly-Warringah	16	0	11	2	3	0	112	3135	144	2442	67

The 5th Grade season of 2025/26 started with two T20s and two dominant wins in the short format. From there, we went on to win 10 of the first 11 rounds and be sitting near the top of the table. Our only blemish up until then was a round 5 collapse in a rain affected match against Penrith where we got off to a flyer chasing 142 in 42 overs and were bowled out in the 29<sup>th</sup> over for 113.

All the other matches in the first 11 rounds were big wins. Our bowling has always been a highlight in recent years, and this year was no different. We bowled oppositions out for less than 170 on 10 occasions out of 16 innings and we only ever had to chase a 200+ score once, which was against Bankstown when we put down 6 catches but still somehow ended up with the win. This year our batting was able to match it more often than not and we scored over 320 in three matches when 250+ is usually defensible in 5's.

The Christmas break after Round 11 seemed to be a big turning point for us. Our performances started to become more inconsistent. We had the Christmas break and then the two weeks of Round 12 were a washout. We then played the ever-strong Parramatta at home and batted on a diabolical pitch at MPO. There were massive cracks all over the wicket and we did well to crawl to 187 at the end of the day. Week two saw vastly different conditions as a bit of mid-week rain turned the wicket back into a belter. By this stage, it had been 6 weeks since we bowled and fielded in the middle and despite the conditions, we were still able to create 10 chances but only took 6 wickets with a few tough catches going down.

The next week saw a more catches go down and a massive 37 wides as Bankstown put on 226. Some brilliant batting from Will Nasser put us in a good position until it was left to Zac Buchanen and Mick Counsell to get us out of jail with 3 balls and one wicket to spare.

Round 15 saw me lose the toss on a bowler friendly wicket. We batted well to get 186 but the wicket flattened out after that. It was still a great effort to get

them 9 down when they passed our total. And then our last round was a dominant draw against a strong St George team who decided not to chase the win and risk losing the club championship.

Our rematch against Parramatta in the Qualifying Final saw a brilliant display of seam bowling from the Parramatta opener, and with some assistance from the umpire, we were bowled out for a paltry 89. We toiled hard to get back in the game but Parramatta were too good on the day.

We witnessed some great individual performances in 5's this season. The highlight being a double century to Alfie Gatehouse (202\*) at Ryde Oval against Sydney. A classy century to Josh Coyte coming back from injury and match winning innings from Will Nasser, Bill Martin, Harvey Matheson not to mention some great tail wags from our bowlers. Throughout the season there were 10 half centuries scored in 5's by 8 different players, showing the depth in our batting lineup.

With the ball, Zach took two 5fas and a 5fa each to Jordy Brewster and Will Nasser. Our bowling depth and quality however, usually means wickets are shared before bowlers get a chance to come back with a second spell.

I thoroughly enjoyed this season, and it was great to see the improvement in all players throughout the year as well as former 5's players making the most of opportunities up the grades. These improvements are obviously due to the big efforts of the players themselves but also thanks to Roy and our fabulous team of coaches and volunteers.

Massive thanks to the legend **Doug McGrath**. He is more than just a 5th Grade manager, he is the doorman to our cricket club. As new players come up into 5's, Doug welcomes them into the Manly family. His contribution and efforts in assisting 5th Grade and mentoring these young men has been invaluable. Doug is a massive asset to me at training and on game day keeping the boys relaxed, hydrated and focused.

I was also lucky to have other leaders in the playing group like Will Nasser and Jordan Brewster. Special thanks to Reiley Dunlop and Will Nasser who captained the team for a couple of rounds in my absence.

It is great to have Andrew Jamieson and David Gainsford assisting with selections when we are short on numbers. Our pathway program is the envy of many clubs so thanks to Steve Connors, Kev Davies, David Gainsford and Chris Melville to help maintain the smooth transition of players and ensure all new players are ready for the step up to Manly's fifth grade.

The following players enjoyed 5 or more games in 5th Grade this season:

**Darcy Horstead.** Darcy had a great first year of Premier cricket. He had the highest number of dismissals for the 5th Grade comp, which is a great achievement on his debut season. He opened the batting for much of the season and certainly looked the goods. A couple of good thirty not outs chasing low totals could have gone on to big scores, but then had a bit of a slump with the bat in the back half of the season. Continued hard work will see those big scores eventuate.

**Will Graham.** Will was the spearhead of our attack all year. With 25 wickets for the season, it was a good first season in grade cricket. He was too quick for many opposition batters and is one of the quickest in his age group. He always gives 100% and is always looking to take wickets and attack the stumps. Quite handy with the bat as well when he helped dig us out of trouble a couple of times.

**Zac Buchanan.** Zac had a great season. He was our leading wicket taker this year. When he is on song, he is relentless in his consistency and surprises batters with occasional extra pace and bounce. He was ever reliable with the ball. He talks up his batting a lot, and he delivered on that this year getting us home in a couple of tight games. Being dismissed only twice this year, there will be a few batters around that are envious of his 25 run batting average.

**Alfie Gatehouse.** Alfie showed us in round 6 that he is a run machine when he set a new Manly 5th Grade record of 202\*. Together with a few other classy innings, he deservedly won our batting award this season. Alfie hits a lot of balls during the week and so it is great to see those rewards come through on match day. I am looking forward to seeing more runs from him in higher grades next year.

**Harvey Matheson.** Harvey has a great temperament and solid technique with the bat and played some great innings for us when we really need it. He is still young, and he will develop more power to score quicker in the shorter formats but nevertheless has the talent to hit gaps and turn over strike without risk. Harvey made the change to leg spin in the pre-season, and it was great to see him develop that part of his game and work hard on his flight. He was a great asset to our attack and many batters couldn't pick his wrong'un.

**Jordan Brewster.** Jordy was ever reliable to get us the breakthrough this season whenever a partnership started to build. I love Jordy's desire to get into the game and make an impact whether it be with the bat or ball. A great leader in our young team as well. Jordy's form with the bat was perhaps not to his expectations and keeping the ball on the ground a bit more might help. Jordy worked hard on his bowling this year, and it was great to see the improvements in the back half of the season and his wrist getting behind the ball to challenge the outside edge more.

**Beau Kelley.** Beau is another one of our impact players. Quite sneaky quick for 5's. He was a bit inconsistent early in the season finding it difficult to juggle work, study and training commitments as well as a couple of niggles, but he bowled an amazing spell against Randy-Petes in Round 15 to almost bring us home against all odds. He added some depth to our lower order with the bat as well.

**Will Nasser.** Scoring 380 runs in 5's would normally be enough to win the 5th Grade batting award by a country mile. Will showed his class in a number of innings this year. In particular, his 89 off 60 balls against Sydney Uni after we were sent in on a wet wicket, was something very special to witness. Will has a cracking pull shot but it took a while for him to remove the compulsiveness as the variable height of Sydney's 5th Grade wickets were his undoing on numerous occasions. Will also worked hard on his bowling and showed everyone the value of bowling stump to stump.

**Will Matheson.** After a few seasons cut short with injuries, Will has become good at knowing his body to manage loads and it looked like he would get through this one as well. He was bowling really well. Great control and pace and had a beautiful outswinger working but a freak accident mucking around outside of cricket meant more games of cricket missed. Maybe next year...

**Michael Counsell.** It was great to have Michael’s experience in our bowling line up. He has a definite ability to get good batters out and it was so good to have another experienced voice in the heads of our young fast bowlers. He battled through a few games with a dodgy shoulder, but it was coming good at the business end of the season.

**Finn Jenkins.** Started the season on fire with 12 wickets in the first 3 matches, deserving a call up to 4’s where he took a 6fa. A just reward for consistently hitting hard lengths. Not sure what changed as the consistency of length was not there in the second half of the season, but I am sure a good off-season and solid pre-season will see Finn return to that same early form and take it further after a solid first year of grade cricket.

**Bill Martin.** Bill missed the first half of the season with HSC commitments so had a bit of a disrupted season. It was great to see him back. He is another class bat and his innings against St George proved that. With a solid pre-season under his belt, I know he will be pushing for higher grades.

**Angus Pike.** Angus made a good impression in his first few games at Manly. In particular his 67 against Sydney Uni on a moist, bowler-friendly wicket, showed us he has the temperament to put on big scores, and he certainly has the strength and timing to hit boundaries. I look forward to seeing Angus scoring more runs for Manly next year.

**Lachlan Coy.** Lachy also only played a handful of games but is a great timer of the ball and looked right at home in 5’s scoring a couple of thirties in his limited opportunities. I look forward to seeing more grade cricket opportunities for Lachy in the future.

There were also players who played less than 5 games in 5th Grade this year, and they all made a valuable contribution. Some of them made their debut and I expect to see more of them in Manly colours next season. These players are: Lukas Overhoff, Josh Coyte, Reiley Dunlop, Dom Wheeler, Will Akhurst, Toby Seward, Jack Donnan, George Cumming, Darcey Carter, Darren Read, Harry Kershler, Beau Moran, Robbie Tipton and Murray Moran.

The energy and spirit of the team throughout the year made it a pleasure to captain, and I am very grateful for the effort, support and enthusiasm of the players, coaches, sponsors and supporters. Special thanks to Frase, Steve, Gains and the whole Board. The Club’s success is largely thanks to your huge efforts behind the scenes.

Congratulations to all the other captains on a successful year with special mention to the Premiership captains Foz and Zach and their teams, and to everyone involved for a great 2025/26 season.

Simon Waddington  
5th Grade Captain 2025/26

SYDNEY'S PREMIER BUILDERS

## Building & renovating custom dream homes.

Australian-owned home building and construction, proudly serving Sydney and surrounds.

**Howzat Building Services** is an Australian-owned home building and construction company passionate about turning ambitious visions into reality. With more than 15 years serving Sydney and its surrounding suburbs, we've delivered residential, commercial and industrial projects with a steadfast focus on quality, deadlines and attention to detail. From experienced carpenters and builders to dedicated project managers, our team handles every job with care — because at Howzat, we build more than structures, we build trust.

### — WHAT WE DO

**New Home Building**

**Home Extensions**

**Kitchen Renovations**

**Entertainment Areas**

**Renovations**

**Decks & Pergolas**

**Bathroom Renovations**

**Fascia & Barge Repairs**

### — WHY CHOOSE US

#### **Experienced & skilled craftsmen**

Seasoned professionals who bring genuine skill, care and pride to every single project we take on.

#### **Transparent, competitive pricing**

Detailed, honest quotes with no hidden costs and fair pricing that never compromises on quality.

#### **Superior quality materials**

We only use high-grade materials from trusted suppliers, so your build is made to last for the long term.

#### **Safe & sustainable builds**

Eco-friendly materials and energy-efficient design, delivered safely and fully to local building codes.

## Poidevin-Gray Report

Ladder	Team	P	WO	W1	D	L1	LO	Wkts Lost	Runs For	Wkts Taken	Runs Agst	Points
5 <sup>th</sup> conf.	Manly-Warringah	6	0	4	0	2	0	45	883	49	891	21

Coming into this year, we knew we had a target on our backs. After last season's success, every team we faced was ready to challenge us, and we felt that in every single game. There were no easy matches, no moments where we could switch off, and while that's something we can be proud of, it also exposed where we fell short.

We had a season where we played some really good cricket at times. We competed hard, we showed glimpses of what we're capable of, and we stuck together as a group. But ultimately, our season was defined by the big moments, and too often, we didn't take them. Whether it was closing out tight games, capitalising on key situations, or handling pressure when it mattered most, those moments made the difference between playing finals and watching them.

What I'm most proud of, though, is the character of this group. Week in, week out, the effort was there. The commitment was there. And the way we supported each other, through wins, losses, and everything in between, says a lot about the culture of this team and the Club in general.

To the coaches and staff, thank you for your time, energy, and belief in us. Specifically, to **Aidan Baker** for his support over the last few years as PGs Coach, continuing to get the best out of the group and always willing to give up his time for us. A special thank you also to **Roy Vumbaca, Paul O'Sullivan & Will Gustafson** for their tremendous efforts coaching and managing the team, and for the commitment, guidance and support they have provided throughout our journey. To the parents and supporters, your backing never goes unnoticed. And to the boys, it was a privilege to lead this group.

This season didn't end the way we wanted, but it's far from the end of our story. We know what's required, we know where we need to improve, and I have no doubt we'll come back stronger next year.

**Kai Croft.** Croft earned his spot at the top of the order on the back of a blistering start to the grade season. As

an opening batter, Kai took the game on early without fear, finding ways to keep the scoreboard moving. His attacking intent and ability to set the tone for the innings is a great asset to any team, and while he didn't quite have the returns he would've liked in PGs, a series of big scores aren't far away for a terrific talent. Also offers another option with the ball, possessing extra pace and bounce which can be a real asset.

**Axel Karlsson-Lacy.** Axel took his opportunity when it presented itself this season, and provided the team with strong starts at the top of the order. Despite only playing a handful of games, he finished as our leading run scorer and scored the first PGs century in 8 years, highlighting just how impactful he was throughout the year. Axel combined composure with attacking intent, consistently putting pressure on opposition bowlers and setting the tone for the innings.

**Akshay Joseph.** Akshay was the steady head of our top order, enjoying a solid season highlighted by his consistency and his positive & aggressive approach. Never afraid to take the game on, he provided plenty of energy in the powerplay and played a number of handy innings when the team needed momentum. His intent put pressure on opposition bowlers from the outset, and his willingness to play attacking cricket made him an important part of our batting lineup.

**Myles Kapoor.** It was a breakout season for Myles at the Club, as he cemented his spot in 2nd Grade and even earned some well-deserved First Grade caps. In PGs, he formed an important cog in our middle order, and while we didn't quite see the best of him with the bat, we all know what he's capable of. Showed great composure in a wobbly low-scoring chase at Gordon, and has the ability to score big runs at will. With the ball, his tight and economical spells in the middle overs built regular pressure on opposition batters, while he also moves as swiftly as anyone in the field.

**Reuben Kapoor.** Our ever-reliable gloveman, Reubs had a strong final season of PGs, doing a solid job in the middle order and chipping in with some important runs

at crucial times. He looked comfortable at the crease, a clever innings in a low-scoring Rd1 T20 the headline of his year with the bat. Behind the stumps he was just as good – super reliable all season, sharp with the gloves, and always ready to take any chance that came his way.

**Josh Cooper.** His final year of PGs, Coops played his role as he always does, willing to do whatever was in the best interest of the team. Whether it was with bat or ball, you could rely on Coops to put the team first, either searching for quick runs at the end of an innings, or chipping in with a few important overs with the ball. He was also strong in the field, doing an excellent job patrolling the boundary and saving runs. A proper team player.

**Julian Osbourne.** Emerging as one of the most exciting young fast bowlers in PGs this season, Jules consistently troubled opposition batters with his pace, accuracy, and relentless energy. His ability to strike at crucial moments made him a key asset throughout the campaign, headlined by his back-to-back 3fas in the T20s. With performances beyond his years, Julian has established himself as a rising talent with a bright future ahead.

**Josh Lawson.** The ultimate team man, Lawso was the backbone of the PGs bowling attack throughout the season. As a senior fast bowler, he consistently took responsibility with the new ball, opening the bowling and setting the tone from the outset. His pace, control, and experience made him a reliable wicket-taking threat and a key leader within the team. Whether applying early pressure or delivering in crucial moments, Lawso always stood up when it mattered and will be a huge part of the team next season.

**Roop Dhillon.** Once again the standout spinner in the PGs competition, Roop proved a constant threat every time he had the ball in hand. You could rely on his full

10 overs virtually every game, as he combined control with wicket-taking ability to put opposition batters under consistent pressure. His season was highlighted by back-to-back four-wicket hauls, a testament to his consistency and impact. When we needed a breakthrough, Roop was the man for the moment.

**Brodie McDowell.** Brodes is the sort of bloke you wanted walking in the middle order – no mucking around, just straight into attack mode. While he didn't have the output he would've liked runs wise, he backed himself every time and would always look to keep the scoreboard ticking with aggressive middle-order hitting, creating a bit of chaos. Electric in the field too and would throw himself around on the boundary, playing an important role.

**Nathan Pryke.** Made his mark as the dependable first change bowler in PGs this season, consistently accurate with his line and length. Prykey built pressure regularly, his two spells in the T20s particularly central to the positive outcomes of those fixtures. One of the great team men who you could throw the ball to in any situation and he'd be ready to attack the job head on, Prykey is also an elite fielder on the boundary and offers very handy lower order batting too.

**Tom Walker.** While he might have only played one game this season, Tommy certainly made it count. The young quick absolutely ripped through a strong Mosman top order, bowling with plenty of pace and energy to knock over some seriously handy batters. It was the sort of performance that had everyone talking and left the opposition with no answers. If this season was just a sneak peek of what's to come, Tommy's got a huge future ahead of him and plenty more wickets around the corner.

## Green Shield Report

Ladder	Team	P	WO	W1	D	L1	LO	Wkts Lost	Runs For	Wkts Taken	Runs Agst	Points
10 <sup>th</sup>	Manly-Warringah	7	0	3	0	4	0	60	1154	60	1117	20

This season was one of both challenges and growth, providing valuable opportunities for learning and development throughout the competition. While results did not always go our way, the experiences gained along the journey helped shape us as a team and contributed significantly to our development both on and off the field.

A moment that perhaps best reflected our season was the narrow loss in Round 7. Defending an under-par total, we fought hard and took the match down to the final over. While disappointing at the time, games such as these often provide the most valuable lessons. They reinforce the importance of resilience, teamwork and maintaining belief under pressure, qualities that were evident throughout the season.

Throughout the year, the team encountered a range of challenges, but these ultimately strengthened the group and fostered considerable growth. Despite only coming together through a limited number of trial matches and competition fixtures, the squad quickly established strong connections and developed a genuine sense of camaraderie. These relationships continued to strengthen, contributing to a positive team culture built on mutual support, respect and a shared commitment to improvement.

Whether celebrating successes, reflecting on difficult losses or sharing the occasional fine session after a match, the team consistently maintained a positive spirit that made the season both enjoyable and memorable. These moments played an important role in fostering the culture that defined our group throughout the campaign.

On behalf of all the players, I would like to sincerely thank the incredible coaching staff of Kev alongside Beachy, and manager Rich for their commitment and support throughout the season. Their guidance, encouragement and countless hours of work behind the scenes played a significant role in both the development of the team and the success of the program. Their experience, leadership and dedication

to the players were invaluable and greatly appreciated by everyone involved.

A sincere thank you must also be extended to all of the parents for their unwavering support throughout the season. Whether it was providing transport to matches, scoring, supporting from the boundary each week or contributing behind the scenes, their efforts played an important role in the success of the program. The outstanding lunches provided at every home game without fail became a highlight of the season and reflected the generosity and commitment of our parent group. On behalf of the entire playing group, we could not have been more fortunate to have such a dedicated and supportive network of parents. Their contribution did not go unnoticed and helped create the positive environment that made this season so enjoyable for everyone involved.

**Angus Pike.** Angus took on a variety of roles with the bat throughout the season and adapted well to whatever the team required. Whether accelerating the scoring or helping build an innings, he always put the team first. His efforts were also backed up by some brilliant fielding performances.

**Archie Wragge.** Archie had an outstanding season with the bat, finishing as the team's leading run scorer. The highlight of his season was a magnificent 101 not out against Hawkesbury, showcasing both his skill and composure at the crease. No matter the situation, Archie was always prepared to take on the challenge and lead from the front.

**Beau Moran.** Beau always brought great energy and enthusiasm to the team throughout the season. One of the highlights of his year was a fantastic catch off his older brother's bowling, a moment the team will remember for a long time. His positive attitude and support for his teammates made him a highly valued member of the playing group.

**Blake Collings.** One of our country players, Blake brought great determination and a willingness to

compete every time he took the field. Whether contributing with the ball through important partnership-breaking spells or producing outstanding fielding efforts, he always gave his all. Blake fitted seamlessly into the group and was a valued teammate.

**Harvey Matheson.** Harvey's calm and composed bowling was a standout throughout the season. Finishing as the team's leading wicket-taker, he consistently stepped up when the side needed a breakthrough and delivered under pressure. Harvey also made valuable contributions with the bat throughout the season, helping the team in important situations when runs were needed. His reliability and ability to perform in key moments made him an invaluable member of the team.

**Josh Godwin.** Josh was comfortably our most economical bowler, consistently keeping the opposition tied down and building pressure. His control and discipline with the ball were outstanding throughout the season. He also produced some exceptional fielding moments, including a spectacular catch in our final game against Mosman.

**Leo Thornton.** Another of our country players, Leo travelled down from Newcastle each game with a spirit and commitment that was second to none. He threw himself around the field without hesitation and always gave maximum effort. His season was highlighted by a brilliant bowling spell in the final game that took the contest right down to the last over.

**Lewis Cruickshank.** Lewis enjoyed an excellent season with the ball, regularly taking the new ball and keeping opposition batters under pressure. His tight lines and consistent accuracy made him one of the team's most dependable bowlers. Week after week, he delivered exactly what the side needed.

**Mitch McCombe.** Mitch was an aggressive top-order batter who always looked to put pressure on the opposition. Just as importantly, he was constantly encouraging his teammates and bringing energy to the group. Mitch always played with the team's best interests at heart and was a great teammate throughout the season.

**Murray Moran.** Often bowling first change, Murray consistently settled into his spell and helped contain the opposition batting. His calm presence at the bowling crease was complemented by the outstanding energy he brought to the group. Murray's positive attitude made him a valued member of the side all season.

**Rocco Rulli.** Rocco embraced every role he was given with the ball, regularly delivering tight and disciplined spells when the team needed them most. He was someone the side could always rely on to take on a challenge. A highlight for Rocco was his bowling performance against Gordon, including a hooping delivery that trapped the batter after he left the ball onto his pads.

**Rohit Jayaram.** Rohit took on the responsibility of opening the batting this season and played several important innings that gave the team strong starts. He embraced the challenge of facing the new ball and always competed hard. His enthusiasm and positivity around the playing group never went unnoticed.

**Will Graham.** As our strike pace bowler, Will was never afraid of a challenge and regularly took on the opposition's best batters. He combined this with explosive power hitting, most notably against UNSW where he completely turned the game around. His ability to impact matches in multiple ways was a huge strength for the team.

**Nate Cole.** Nate's bubbly personality and positive energy helped lift the group both on and off the field. His memorable partnership with Archie against Hawkesbury showcased his batting ability, while his willingness to bowl whenever called upon highlighted his team-first attitude. Nate was always ready to contribute wherever needed.

While the season presented its share of challenges, it also provided numerous opportunities for growth and development. The experiences shared, lessons learned and friendships formed have made this a season that the group can look back on with pride and appreciation. The foundations established will undoubtedly serve the players well in the seasons ahead.

## Women's Head Coaches Report

Another season done and dusted! A season full of trials & tribulations, numerous ups & downs, plenty of agony & ecstasy, and everything in between. But a whole load of fun nonetheless.

Season 2025/26 saw a number of changes to the Women's program, both on and off the field. Firstly, I would like to say a big thank you to you all for welcoming me into the role of Head Coach, and buying into the vision that we had, to take our cricket to the next level. It was a great honour, albeit a daunting one, to be handed the reins of such a successful program, but I hope everyone enjoyed the journey and learned a little bit about themselves along the way!

Things started off with a bang with a new-look pre-season, centered around the Club's brand new Indoor Centre. A big shout out here has to go to Frase, and the entire Board, for their vision and work over the past decade or so, to make their dream a reality and provide us with an amazing facility like the Manly Cricket Academy. We certainly do not take it for granted just how much effort went into this – it was an absolute game-changer for the Club – and given the persistent precipitation that prevailed during pre-season, it absolutely paid dividends straight away!

After a successful first month of fitness, led by our new fitness coach Shannon Cunneen, we hit the nets with a simple focus on development and having fun; learning some new skills and mixing across the grades as much as possible. This all culminated with our Amazing Race at the tail end of pre-season, where the girls got to let their hair down and run riot around Manly, to the amusement of locals and tourists alike.

Then the rubber really hit the road, with some trial matches against Blacktown and Parramatta, before the season itself kicked off in earnest in early October. It's fair to say that it was a season of near misses and what could have been's, with constant team changes over the course of the season, thanks to injuries and unavailabilities, making it difficult to create any real momentum.

Having said that, there were also a number of bright spots throughout the season, with plenty of players given the opportunity to gain some experience up the grades, which will stand them all in good stead in the years to come.

While the results weren't always in our favour, the girls should all be commended for their attitude, effort and willingness to learn every single week, which is all a coach can ask for.

The growth and fighting spirit they showed all season meant that there were plenty of positives to take away, and be excited about for the coming seasons. With Brewer Shield just missing out on a 3<sup>rd</sup> consecutive GF appearance thanks to Duckworth-Lewis, and our 3<sup>rd</sup> grade team falling just short in the big dance, it's clear that the future of Manly cricket is extremely bright!

A big thank you must go to all of our amazing coaches and volunteers, who make this Club run. It is incredible the number of blue shirts we have down at training each and every week, giving up their time to try to help the girls improve, 1% at a time. Mechelle, Matty, Will, Bill, Prykey, Bobby, Paul, Gabby, Shannon – thank you all for your fantastic help and commitment to our Women's program.

Also a big thank you to our Physios, Phil and Kim from Elevation One, who come down to our trainings every week to help the girls out with any niggles, patch them up, and try to keep them on the park! It is all greatly appreciated.

Lastly, a heartfelt thanks to the engine room of the Women's program – Ross Denny – the most organised man, who always has time for cricket. Thanks for all your help this year Rossco, it certainly made my life a lot easier. I have no idea how you do it all.

Finally, it would be remiss of me not to mention the success of the Men's side of the Club this year, as it is also very close to my heart. Roy Vumbaca runs an amazing program, and always pushes the boys to be the best version of themselves – the type of coach that I aspire to be one day. Big congratulations to Joel Foster and Zach Trewartha, for capturing both the 1<sup>st</sup> and 2<sup>nd</sup> grade trophies, an amazing achievement. Hopefully they can repeat the dose next season!

That signs off what was a fantastic season – not always smooth, but full of growth, effort, and plenty of memories. Thank you once again to everyone for your continued support, and the countless hours you all devote to this Club. We are already looking forward to next season, and planning for what will be an even bigger and better 2026/27!

Dom Wheeler  
Women’s Head Coach 2025/26

## 1st Grade Women's Report

Comp	Ladder	Team	P	W	D	L	B	Overs Faced	Runs For	Overs Bowled	Runs Agst	Points
OD	8 <sup>th</sup>	Manly-Warringah	11	3	1	7	0	472.5	1652	456.3	1951	21
T20	9 <sup>th</sup>	Manly-Warringah	9	3	0	6	0	179.3	946	159.2	944	9

The 2025/26 season saw a change in format of the Women's First Grade competition. Mirroring that of the Men's, the T20 and 50 over competitions were separated with different ladders. Due to this change, our fixtures included playing two T20's across one day and allowing for more one day matches to be played before the Christmas break. The team saw a change in coaching staff, with Mechelle Hare promoted into the role of 1st Grade Coach, taking over from Dom Wheeler, who took on the reins as Head Coach of the Women's program.

Our T20 campaign was a mixed bag, winning 3 out of the 9 games played. Highlights included a quick and classy half century from Ani Learoyd in our win over Sydney, and a final over win against Penrith. However, our most nerve-wracking experience was a tight game against St George, where the game was decided in a Super over. Kaya Punter and Mollie Adams steered the ship, posting 14 runs from our 6 balls, including 2 boundaries. Tight and accurate bowling from the old faithful, Kristie Crawford, saw St George posting 1/7, with a superb run out from Darcey Whiteley.

Being able to execute our best cricket against the top sides, such as Sydney & St George, is an exciting prospect for our team's future in the T20 format. However, a lack of consistency and experience seemed to prove the difference most weeks. Throughout our T20 campaign we had UK inclusions in Mollie Adams and Darcey Carter. Due to national duties, our overseas counterparts had to cut their trips short.

Our 50 over campaign resulted in 3 wins and a washout from 11 rounds. It wasn't until the back half of the season where our team really began to click, winning 2 of our last 3 games against Sydney Uni and Sydney. The 50 over format definitely allowed our team more time to gain experience and find our roles within the team.

At the top of the order Lauren Kua stood up when available, scoring an impressive 105 against a strong Parramatta team in 40-degree heat. Alana Horsfall

scored her highest score for Manly with 74 and looked strong and confident at any number in the order. Eliza Henry contributed two stylish half centuries and was damaging to the competition's top bowlers. All of these players are a great example of stepping up in a young team and using their experience playing at state representative level to create consistency within the season.

Lara Hughes played a pivotal role in our bowling attack, making the transition from 2nd Grade to 1st Grade without missing a beat. She grabbed a 4-wicket haul against Uni and continued to tangle top order batters week in, week out. Our squad was relatively young this season, with opportunities given to 9 players to make their debut in the Baggy Blue.

Our representative cartel included Anika Learoyd, Sam Bates, Shivani Mehta, Georgia Adams & Lauren Kua, who all not only contributed to the scorebook, but shared extensive wisdom and knowledge within our young group. What is most exciting is the experience we earned as a playing group, putting us in good stead for success in the future.

On behalf of the team, I would like to thank Mechelle for the time and effort she gave us all throughout the season. I also extend my thanks to all the coaching staff, including Dom Wheeler, Matty White, Bill McLerie, Will Gustafson, Nathan Pryke, Bobby Rollins, Paul Lacy, Phil and Kim from Elevation One Physiotherapy and all other coaches & club personnel. Our Sundays wouldn't run smoothly without the countless parents and volunteers helping out; Matt Burke, Carolyn Whiteley, Glenn & Amanda Henry, Dave Horsfall, Dave Punter & Camille Handley. Thank you also to the Board, for their continued support and enthusiasm towards developing and celebrating our Women's program.

The following players played in more than 5 games in First Grade over the course of the season:

**Eve Burke.** Earning her debut in the Baggy Blue this season, Burke proved to be a steady middle-order contributor who provided us with stability when needed in key game scenarios. Burke works her way into an innings, building pressure against the opposing bowlers and accesses the leg side with ease. Being such a young prospect, her willingness to learn and to grow is refreshing and I cannot wait to see what she achieves in the future.

**Kristie Crawford.** Crawford was a consistent and composed asset once again this season. At any point in the game you can throw Crawford the ball and know what you're going to get – metronomic line and lengths. This was the case in her super over performance against St George, restricting them to 7 runs and staying calm to execute a key run out under pressure. Crawford's calming and witty words are a keystone in the sheds, bringing self-belief in any situation.

**Nat Guyot.** Nat's radiant and positive presence is a pleasure to have in any team. After stints in the UK, Nat returned to Manly confident and ready to take on any bowler in the comp. You could always count on hearing Nat from anywhere on the pitch: deep square leg, long on or even from the stands when calling through her partner for a cheeky single. Being one of the first female players for Manly in our current generation, Nat's presence as a role model is evident to our current junior cohort.

**Arabella Handley.** Despite being unable to bowl this season, Ari honed her batting skills and displayed classy technique when the opportunity arose. Ari is a talent in the field and always ensures she's involved in the game. I'm very excited to see what Ari achieves in the future as her willingness to learn and craft her game is very evident in how she goes about her training.

**Eliza Henry.** Eliza had a composed all-round season with 322 runs and 9 wickets. Eliza was stable at any position in the batting order and often dug her heels into the dirt when the momentum was favouring the opposition. After a couple years in First Grade, her experience is beginning to show, often providing insights into game scenarios and standing up amongst the group to take the game on. Seeing Eliza beginning to flourish is exciting and is a reflection of her many years of hard work, determination and grit.

**Alana Horsfall.** Alana held a lot of responsibility this season with both the bat and the gloves. Alana had a dependable top-order presence with 306 runs and

played an important role in building our innings. Behind the stumps, Alana displays her passion for the team and is a workhorse, keeping the batters on their toes. Alana is a committed member of our group, whose hard work and competitive nature does not go unnoticed.

**Lara Hughes.** Lara made the transition from 2nd Grade to 1st Grade seamlessly, making her impact in the team indisputable. With 19 wickets, Lara was a leader amongst our bowling attack and was always amongst the action. She often took the wickets of experienced and accomplished top order batters in the competition. Lara is super competitive and a wonderful teammate to have. I'm very excited to have Lara as a key member of our playing group and can't wait to see what she achieves in the future.

**Ellie James.** Ellie stepped up when asked to join the 1's team this year, bringing a positive and supportive presence amongst the group. After some time away from the game, Ellie has settled back in amongst the Club and she continues to hone her batting skills. Ellie is an explosive and motivated cricketer and I'm very excited to have her back in the Waratah blue for the foreseeable future.

**Lauren Kua.** Loz is a classy all-rounder, and it's a pleasure to have her in the team. Watching Loz build her innings by accessing all areas around the ground is great to watch. Whether it's batting, bowling, or fielding, Lauren always makes an impact on the game. Her creative 105 against Parramatta in 40-degree heat was a highlight of our season, and showed the younger, aspiring batters within our team what they are capable of. Loz's hard work, determination and willingness to learn epitomises what it means to be a Manly cricketer.

**Anika Learoyd.** Ani's presence lifted the team's energy and intensity when out on the field. Her well-deserved call up to higher representative cricket resulted in limited appearances for Manly, however she still made a great impact, including a match-winning 63 off 55 against Sydney early in the season. Ani's knowledge and game sense is immense, and even when unavailable to play, Ani continued to share her insights amongst the group, helping to shape the next Manly generation.

**Kaya Punter.** Kaya has grown a lot in her first season with us in First Grade. Kaya often found herself thrown the ball or holding the stick in pressure scenarios and her willingness to take on the game was evident in our Super over victory against St George. Kaya often bowled in the back end of the game and was able to tie

down batters, restricting teams from accelerating toward the end of an innings. With the experience gained this year, I'm excited to see what Kaya achieves next season.

**Erica Sharma.** Erica's line and length is challenging to face, skittling experienced top order batters when given the opportunity. Erica's 3/19 off 5 against Penrith's top order was a turning point in the game and she should take a lot of confidence from her ability to hit the top of off stump. Erica has a good head on her shoulders and is constantly asking questions. Another big year ahead for Erica next season.

**Darcey Whiteley.** Darc contributed strongly with the ball, maintaining discipline with her lines and lengths, restricting teams when out of the power play phase. Darc is constantly looking to improve her game, by adding variations to her bowling skillset and honing her skills with the bat. Darc is a committed, dedicated cricketer and as she continues to gain valuable experience, she has the ability to become a multi-faceted all-rounder in the future.

Chelsea McLerie  
1st Grade Captain 2025/26

## 2nd Grade Women's Report

Ladder	Team	P	W	D	L	Overs Faced	Runs For	Overs Bowled	Runs Agst	Points
8 <sup>th</sup>	Manly-Warringah	18	7	1	9	607.5	2172	546.5	2176	44

The 2025/26 season has been a real building year for the Club, with plenty of younger players stepping up and continuing to grow in confidence with their cricket. It was great to be one of the senior players in the side and help guide the girls through some of the nerves and challenges that come with taking the next step in their cricketing journey.

Each player brought their own strengths to the team, and all had moments throughout the season where they were able to shine and contribute in different ways. As the season progressed, the team continued to gain momentum, with improvements in confidence, teamwork and consistency becoming more noticeable each week. Most importantly, this season has helped lay strong foundations for the future of the Club. The future is looking very bright, and it is exciting to see the potential this group has moving forward.

The Women's 2nd Grade team was very fortunate to have Will Gustafson, or Willy G, step in as coach early on in the season. From the beginning, Willy created such a positive and supportive team environment, allowing each of us to grow both as individuals and as cricketers. He put countless hours into phone calls, training sessions, game days and extra practice, always making sure we felt prepared and supported before each match. His love for the game and passion for coaching is contagious, and his effort certainly does not go unrecognised. We are incredibly grateful for everything he has given the team this season.

Dom's first season as Head coach was outstanding. He created a fun, welcoming and safe environment where all the girls felt supported and encouraged to improve. Dom was always approachable and brought a calm and positive attitude to both training and game days, which helped build confidence across the group. Although results may not have gone our way, the progress made by the girls throughout the season was huge, and that is a credit to the time, effort and care that Dom put into the Club. His leadership played a major role in making this such an important building year for the Club.

We are also extremely grateful to the many other coaches and volunteers who were present at training

and games throughout the season. Ross kept everything running smoothly with his organisation, communication and constant support, and I don't think any of us would know what was happening each week without him. Mechelle, as 1st Grade coach, played an important role in creating pathways for younger girls to experience higher levels of cricket and challenge themselves. Paul was an incredible support, both as a bowling coach and as a role model, working closely with players on bowling, mindset and anything else they needed guidance with. Prykey, our 3rd Grade coach, did a fantastic job leading his team to the Grand Final while also giving so much time to players across all grades, helping with batting, bowling and fielding in a way that was always fun and encouraging. Bill McLerie also did an amazing job with the Brewer Shield team, helping create a close, competitive and supportive environment where the girls were able to thrive.

Bobby Rollins, our batting coach, also deserves a special mention. Bobby has been around the Club for many years and has worked with so many girls during that time. He has such a gentle and supportive nature, and somehow always manages to help players feel more confident and improve their batting. His kindness, patience and knowledge of the game make him such a valued part of the Club, and we are very grateful for the time and care he gives to everyone.

A huge thank you must also go to all parents, families and supporters for their ongoing assistance and encouragement throughout the season. Your help with scoring, transporting, setting up, packing away and supporting the girls each week is greatly appreciated and plays a massive role in making the season possible.

**Stephanie Hughes.** Steph was an incredibly important part of the team this season, taking on the role of wicketkeeper each week with consistency and reliability. As one of our top order batters, she led from the front and was a key contributor throughout the season. Stephanie finished the year with an outstanding 277 runs at an average of 21, earning her the batting award. Her commitment, leadership and performances across the season made her a valuable member of the side.

**Liz Cambridge.** Lizzie captained the side this year when available, as she also regularly featured in 1st Grade. As a top order batter, she was an anchor of the team's batting lineup, providing stability and composure at the crease in important moments. Lizzie was also a reliable spin bowler whose accuracy and economy allowed her to consistently bowl her full allocation of overs.

**Charlotte Allen.** Charlotte was outstanding this season as one of our younger players and opening bowlers. She earned herself the bowling award after taking an impressive 15 wickets at an average of 22, which is a fantastic achievement for a young player. Charlotte was always so positive, easy to coach and captain, and gave 100% at both training and on game day. Her happy nature, effort and commitment made her such a valued member of the team and such a joy to play alongside.

**Keira Terrey.** Keira was a key member of the team this season, contributing as a batter while also floating between our side and the Brewer Shield team when needed. She showed great maturity in the way she approached her cricket and was always willing to do what was best for the Club. Keira was also excellent in the field, bringing energy, focus and reliability every single game.

**Annabel Kyme.** Annabel had a fantastic season and was so deserving of being awarded the Most Improved Female at presentation night, which couldn't be a better reflection of her success this season. As a batter who also bowled a few overs when needed, her confidence grew so much throughout the year and it was so enjoyable watching her develop as a cricketer. She always trained so hard, supported everyone around her, and was genuinely happy for her teammates' success. Annabel is the most divine person to have in a team, and her positivity and kindness made her such a valued member of the group.

**Brooke Frew.** Brooke was a flexible and adaptable member of the team this season, always willing to take on whatever role was needed each week. She adjusted well to different situations and consistently contributed wherever the team needed her most. Brooke always gives 100% effort in training and games, and her selfless batting approach and team first attitude is greatly recognised and appreciated.

**Erica Sharma.** Erica was a strong opening bowler for the team this season and also spent a fair bit of time playing 1st Grade, which shows the quality she brought to the side. Her big in-swingers were a real strength and made

her a dangerous bowler with the new ball. A season highlight was her five-wicket haul against Gordon, which was a fantastic achievement and well deserved.

**Eve Burke.** Eve was a fantastic top order batter and a huge asset whenever she was available for our team. She played a lot of 1st Grade throughout the season, so it was always great to have her back in the side when she was available. Eve is also an amazing fielder, bringing energy, skill and reliability no matter where she was placed in the field, always lifting the team morale and always entertaining and making everyone have a good laugh throughout the day.

**Saoirse Ford.** Saoirse brought great versatility to the team this season. As a middle order batter and quick bowler, she added something different to the side and was especially dangerous with her big in-swingers. She picked up some crucial wickets when the team needed them most and handled different roles throughout the season with a great attitude and was always a little chatterbox on the sidelines.

**Nat Guyot.** Nat spent most of the season playing in 1st Grade, but whenever she joined our team she made a big impact. As a top order batter, she batted with maturity and confidence, leading by example every time she played. Nat is someone the girls really look up to, not only because of her cricket ability, but because of her positive attitude, leadership and the happy energy she brings to the team. We are very lucky to have someone like Nat as part of the Club.

**Jasmin Wilson.** Jas was a reliable member of the team this season, playing most games and taking on a role in the middle order. She was always involved in the game, especially in the field where her voice and energy helped keep everyone switched on. Jasmin brought great energy to the group each week, and she played a few positive innings at important times.

**Harriet Thornton.** Harriet made a really positive impact in her first season with the Club. She brought maturity, experience and a consistently happy attitude to the team, which made her great to have around the group. With the ball, she was a reliable quick bowler and set a strong example through the way she carried herself on and off the field. Demonstrates great leadership qualities and will be a key figure moving forward.

**Annabelle Croll.** Annabelle was such a valuable player to have in the team whenever she was available around her Australian soccer commitments. As a backup

keeper, top order batter and amazing fielder, she brought so much skill and versatility to the side. Her ball skills and athleticism were clear every time she was on the field, and we were very lucky to have her contribute when she could.

**Isabella Pallister.** Izzy had a great season as a younger player and left-arm orthodox spinner. She showed excellent variation and was super consistent & economical with the ball, making her a reliable option throughout the season. It was fantastic to see her confidence grow, thrive in her cricket and progress up the grades.

**Emily Hatfield.** Em is the ultimate team player, always willing to give her best whenever she got the opportunity. She contributed when needed with both bat and ball, and approached every role with a positive attitude. Her leadership and presence around the group were incredibly valuable, and she helped create a supportive and encouraging environment for everyone throughout the season.

## 3rd Grade Women's Report

Ladder	Team	P	W	D	L	B	Overs Faced	Runs For	Overs Bowled	Runs Agst	Points
2 <sup>nd</sup>	Manly-Warringah	15	11	1	3	0	307.4	1397	385.5	1275	68

I had the absolute honour of captaining the Women's 3rd Grade side this year for the first time. Although it began with some nerves, they soon faded. From the beginning, the girls in this team showed up and connected on both a cricketing and social level. The energy we brought to every game was like no other and I am nothing but proud of the season we had.

Just to start, what an incredible season we did have. A team with many new players, and some more experienced, connected with the goal to enjoy ourselves and do the best that we could. With only three losses throughout the main season, we made ourselves the team to beat.

After finishing (I'd like to say a tactical 2nd place), we were granted a home Semi Final against UTS North Sydney. We finished the first innings with a fairly small total of 71 runs to defend, but every player was ready to fight. Through the 2nd innings we restricted North Sydney to just 55 runs; Searles, Molyneux and Ellis dominating with the ball. We had won against the odds and were headed into a home Grand Final.

Being at Balgowlah Oval on Grand Final day was energetic. Family and friends lined the fences all to support this team. The Manly community had all come to watch the 3rd Grade Women. Unfortunately however, we did not get the end result we wanted. After getting bowled out for only 91 runs, we knew it was going to be hard to defend. However we were determined, we had done it before and could do it again. After a difficult tussle, Sydney surpassed our score 5 wickets down to claim the victory.

Congratulations to the Sydney Women's 3rd Grade team. You were amazing competition all year, motivating our players to be the best they can be, and are proof that 3rd Grade is becoming a new level of competitive cricket.

A massive thank you to both Brendan James and Dom Hatfield for scoring for us all year. Thank you as well to Craig Ellis, our self-designated water boy, for walking laps of the field on those hot days giving players extra water. You all helped this team in so many ways,

especially with the pre-match throw downs! Thank you for being the backbone of our supporting group. Further, thank you to all the parents that attended each game and supported 3rd Grade all season, your encouragement and support mean more than you believe.

To Rossco, thank you for all your time, commitment and support you have given to this team. Your work behind the scenes does not go unnoticed. You have been such a crucial part of Manly Women's Cricket since the very start. Thank you for believing in all the girls that step into this Club.

A very big thank also you to Dom Wheeler. Stepping into the Head coach position is hard but you made it seem easy. You have continuously shown support and encouragement throughout the season, allowing the girls to feel comfortable in being themselves. Thank you for entrusting me with this amazing team this season.

Lastly, thank you to Prykey, you brought such joy to the team and were so supportive of each and every one of the girls. Although we poked fun, we understood it was hard to attend games and we knew 3rd grade always occupied your mind from the field of your own game. We are so grateful for your work with us this season at training, with endless throw downs, and all of us are also very proud of you this year.

I want to thank every single one of the players, coaches and spectators for coming down and supporting 3rd Grade. The Grand Final crowd was insane, all of the girls on the field felt the love radiating from the sidelines. It was the embodiment of what Manly as a Club is all about, supporting each other through the highs & lows.

Here are the players that have participated in 5 or more games throughout the season creating our overall squad:

**Matilda Ellis.** This was Matilda's debut season for Manly in Grade Cricket, and she truly was an asset from the start. Opening the bowling most games, Tilly shined with the new ball taking 12 wickets at an average of 17.42. She is always looking to improve and

consistently working to better her abilities at training. I am so proud of what Tilly achieved this year and excited for what is to come.

**Renee Hough.** Renee was incredibly dominant with the bat this year, scoring 279 runs at an average of 55.8. Renee formed a significant part of our batting line up, holding security in our top order. Although she stood in the field eager to get a bowl every game, her batting is what truly highlights her game.

**Holly Searles.** The standard that Holly brought to every game was second to none, she was energetic and always put her best foot forward. Starting the first over of every game isn't an easy feat, but Holly makes it look effortless. Holly took 19 wickets at an average of 9.05 this season! Her ability really shone through in 3rd Grade this year, and I cannot wait to see what is in store for Holly next season.

**Sophie Beukers.** My wicketkeeping extraordinaire! With an outstanding 12 catches and 5 stumpings this season, with one game consisting of an incredible 7 dismissals. Sophie's batting also improved wonders this season, scoring 83 runs and posting her highest ever score in a match. Sophie is a weapon behind the stumps and an asset with the bat, we are so grateful to have such a powerful player in our side.

**Emily Hatfield.** Em's batting this year was incredible, her confidence alone separated her from previous seasons, scoring 116 runs and assisting the team during those hard run chases. It is easy to say that Emily is our most dedicated fielder, she will run boundary to boundary voluntarily if it helps the team out. Em took 4 catches and an endless amount of run outs. What a great season and I am excited to get Em to bowl more throughout the games next year.

**Bella Bursill.** Bella was one of the first picked in every game this season. Her ripping leggies have improved out of sight since she first joined the Club, and she became a very dependable member of our bowling attack this year. She took 10 wickets at 13.2 this season, but beat the batters all ends up on multiple occasions without any luck. Her batting is also on the rise, which is a testament to all the hard work she puts in at training.

**Joleena Wright.** Joleena was such a ray of sunshine on this team. Without a doubt Joleena was always positive and would say yes to anything that was needed of her. A critical asset in our bowling line up, her off-spinners

took 16 wickets at an average of 9.69. Always eager to improve her skills, Joleena can be seen at training bowling endlessly in the nets and gets help where needed – her upcoming seasons look very bright.

**Sophia Randall.** Sophia, known more affectionately as 'Bels', achieved 4 wickets this season at an average of 30. What the stats do not mention is Bels' abilities to completely turn the game. Bels will slow down the opposition's attack immensely and create opportunities for wickets. Bels has been a significant part of 3rd Grade for a few years now and she continues to improve each and every year. It was incredibly difficult to have to leave Bels out of our finals side, but to her credit, she still came along and supported from the sidelines, showing her true Club spirit.

**Grace Pike.** Grace had an incredible season this year, scoring 115 runs at an average of 14.38. She was a powerhouse of the middle order and knew how to score runs fast. I have never met a more dedicated mid-on sledger in my years of playing cricket. Grace has more than likely contributed to multiple wickets this season due to frustrating the batters and making them lose concentration. She is a true asset with both the bat and in the field.

**Olivia Champion.** The definition for team player is effectively Liv Champion. Every game she showed up to support each girl and always brought her best attitude. Liv was our silent assassin in the bowling line up, taking 9 wickets in total. She would come on at around second change and bowl a beautiful inswinger that would take all the stumps. Liv has the ability to change any game in our favor.

**Edie Gillett.** Edie embodies a fierce and competitive spirit. Her ability to control a game with her bowling attack is undeniable, Edie accumulated 16 wickets at an average of 9.38. Not only does she dominate with the ball, Edie has shown promise as a lower order bat with 39 runs for the season. Edie continues to grow and develop as a player and seeing what Edie can achieve next season is very exciting.

**Sophie Martin.** As a new addition to the team, Sophie settled in well and grew her confidence as the season progressed. Sophie is truly a multidimensional player, her batting, bowling and more specifically fielding all played key roles in our team. Having Sophie in the field was a blessing as a captain, she finished with 3 catches and 2 runouts. With continued development and

experience, I am excited to see Sophie become a more prominent player at the Club.

**Sallie Molyneux.** A respected leader and outstanding cricketer, Sallie took a step down from captain this year, however was a role model for how I approached this season. Her guidance and support made decisions easier, so thank you. While Sallie had taken some matches off this year, her influence and value to the team is undeniable. Finishing the season with 11 wickets and an average of 9.18, Sallie is an unstoppable force who continues to challenge the opposition.

**Jasmin Wilson.** Jas has an untamed vibrance to her game, her energy in the field is undeniable and she continues to encourage those around her. After finishing a season abroad in England, Jas was ready to show her new found love for batting. Scoring 151 runs across only 6 games led Jasmin to her continued selection in the 2nd Grade side. Her presence was

greatly missed, however, we are very proud of Jas' achievements this year.

Lastly, to my team, although it was not the result we wanted, what an incredible season we had. Do not diminish the successes we had this year and the achievement of making a Grand Final once again. I could not have spent my Saturday afternoons with a better team and group of friends, you guys are what made this season worth it and I am endlessly proud of what every player achieved this year. Captaining a team is a job made a whole lot easier when you have amazing players in your side. Next season is going to be a big one, you all continue to improve every game and I cannot wait to see what this upcoming year holds. Thank you. Love you girls.

Sienna James  
3rd Grade Captain 2025/26

## Brewer Shield Report

Ladder	Team	P	W	D	L	B	Overs Faced	Runs For	Overs Bowled	Runs Agst	Points
3 <sup>rd</sup>	Manly-Warringah	15	10	1	4	0	450	1803	479.2	1341	56.5

A highly satisfying season for the Manly Brewer Shield team. While we bowed out in the semi-final under unfortunate circumstances, there was still plenty to admire across the season.

Brewers welcomed back Daisy Addison, who did an outstanding job as captain. Through Daisy's thoughtful leadership, the team played an exciting brand of cricket while maintaining a strong and positive culture.

MWDCC continues to pride itself on being a professional and well-organised Club across both Men's and Women's programs, often to the envy of others. This success is built on tireless planning and commitment. It comes as no surprise to those who know him that Men's Head Coach Roy Vumbaca invests a huge amount of effort into preparation. With both the 1st and 2nd Grade Men's sides winning their respective competitions, it is a tremendous reward for Roy and all involved, congratulations.

To Bobby Rollins, thank you for being my right hand man with Brewers this season, and for your mentorship of our next generation of Manly cricketers. Your wisdom and experience is superb, and we appreciate all you have done to help Brewers this season. Another huge thank you to Dom Wheeler for his tireless efforts stepping into the Head Coach role this season. Your organisation, commitment and immense knowledge of the game was, and will continue to be, pivotal in the Club's development moving forward.

Congratulations to Blacktown on claiming their first Brewer Shield title. Despite fielding only one team in the Sydney competition, they have built strong foundations through impressive junior participation. They led the competition for most of the season, overcame a late stumble, and delivered when it mattered most.

A massive thank you to our Team Manager, Sandra Ford, for her commitment and tireless support of both the coaching staff and players. To all parents, your assistance in ensuring smooth game-day operations

was greatly appreciated. Thanks also to the broader Manly Cricket community for their ongoing support, advice, and coaching throughout the season.

Brewers began the season strongly, winning their first five matches. In Round 1, Keira Terrey set the tone for the season, blasting 61 to lead us to a solid opening win. In Round 2, a thrilling comeback victory against competition favourites St George. Sonia Punter's crucial run-out shifted the momentum in our favour. Round 3, a dominant performance against Sydney University, with strong contributions from Tilly Brown, Keira Terrey and Willa Pearson. Opening bowlers Teaghan Ford and Lily Crabbe applied early pressure to seal the victory. Round 5 was a Grand Final rematch against the Southern Swans which saw Manly dominate, bowling the opposition out for 52. Daisy Addison and Teaghan Ford led the attack, with excellent support from Yui, Keira and Issy.

Rounds 6–7 resulted in tough losses to Gordon and Parramatta, highlighting areas for improvement. Round 8 was a return to form against Campbelltown, posting 170 in a T20 match. Willa Pearson starred with an unbeaten 88. Round 9, a standout team performance against eventual premiers Blacktown, with the top order laying the platform and the bowlers maintaining pressure. Round 10 saw a narrow, second-last ball loss to Sydney, which brought us back down to earth. Round 11, a gritty win over Penrith at Manly Oval, driven by opening bowlers Teaghan Ford and Tilly Brown, which saw the side enter the Christmas break in 2<sup>nd</sup> position.

With only four matches remaining post-Christmas, momentum was crucial. Round 12, a loss to Greater Hunter. Round 13, a rain-affected draw against Northern District, which ultimately ended our Minor premiership hopes. Rounds 14–15, strong wins over Campbelltown and Bankstown, confirming the team's finals credentials.

Finishing in 3<sup>rd</sup> place set up an Elimination Final against Sydney University. At Manly Oval, on a wearing surface, Ebony Davies and Grace Pike led a middle-order fightback, supported by Edie Gillett, to post a modest total of 92. The bowling unit then responded superbly, dismissing Sydney University for just 72, with Teaghan Ford and Tilly Brown setting the tone.

Into the Semi Final against Penrith at Howell Oval, where challenging weather conditions played a major role. Penrith posted 134, with Manly's bowlers maintaining disciplined lines and tight fielding. In reply, Manly built steadily and briefly edged ahead on DLS. However, a cluster of wickets halted our momentum. Rain ultimately ended the contest, leaving Manly just short on the DLS calculation. Despite the result, the team showed resilience and never gave in, which was the most pleasing aspect.

**Daisy Addison.** Daisy's leadership this season was exceptional and pivotal to the team's success. Her ability to build strong relationships across the group, regardless of age or experience, created a unified and positive team environment. She led with calm authority, consistently making sound tactical decisions. Daisy's batting combined composure with controlled aggression, highlighted by one of the shots of the season, an authoritative six over extra cover against top-quality bowling. Most importantly, she embodied a team-first mindset, often putting the needs of the side ahead of personal milestones.

**Grace Pike.** Grace continued to demonstrate her significant batting potential this season. At her best, she strikes the ball as cleanly as any player in the squad and showed an improved ability to construct innings under pressure. Her contributions in key middle-order situations were important in stabilising the team. Beyond her batting, Grace's energy and enthusiasm lifted the group, and her positive presence around the team was a major asset.

**Teaghan Ford.** Teaghan's development this season was outstanding, driven by her strong work ethic and competitive mindset. Her bowling improved notably in both pace and consistency, allowing her to maintain disciplined lines and lengths across spells. Finishing

with 17 wickets at an average of 12.6 reflects her ability to regularly break partnerships and apply pressure. Her performances were instrumental in controlling opposition scoring, particularly in the powerplay and middle overs.

**Tilly Brown.** Tilly's all-round improvement was one of the highlights of the season. Her batting progressed significantly, earning her the responsibility of opening the innings where she showed increased composure and shot selection. With the ball, Tilly remained a consistent strike option, using her pace effectively to trouble batters and take key wickets (18 wickets @ 11). Her commitment across all facets of the game, batting, bowling & fielding, sets a strong example for the team.

**Sonia Punter.** Sonia's athleticism and game awareness make her a standout player. Her ability to read match situations and anticipate opposition tactics is well beyond her years. Throughout the season, her skillset improved considerably, particularly in the field where she applied pressure through sharp movement and decisive execution. Her impact in key moments, including run-outs and ground fielding, often shifted momentum in Manly's favour. Sonia's team-first attitude is one of her greatest strengths.

**Yuhansa "Yui" Jayakody.** Yui made an immediate and significant impact in her first season with the Club. As a leg-spinning all-rounder, she provided balance and versatility to the team. Her batting was characterised by elegance and control, accumulating 254 runs with a highest score of 72. With the ball, she was a genuine wicket-taking threat, claiming 20 wickets at an average of just 11. Her tactical awareness and ability to outthink batters added another dimension to her performances.

**Keira Terrey.** Keira's season was built on determination and a strong appetite for runs. While understated in demeanour, she consistently delivered impactful performances at the top of the order, scoring 243 runs. Her ability to take on quality bowling with controlled aggression set the tone for the innings on multiple occasions. Additionally, her off-spin bowling provided valuable variation, often disrupting opposition momentum. Her First Grade debut was a well-earned reward for her efforts.

**Willa Pearson.** Willa was a standout performer throughout the competition. Her wicketkeeping was of the highest standard, providing reliability and consistency behind the stumps. With the bat, she demonstrated her class with multiple match-defining innings, including an unbeaten 88. Willa leads by example, always putting the team's needs first and contributing across all phases of play. Her leadership qualities and cricketing intelligence are key assets.

**Ebony Davies.** Ebony's thoughtful approach to the game and technical ability continue to develop. She demonstrated the capability to compete with the strongest bowlers in the competition, striking the ball powerfully and with intent. Her 213 runs included several important innings that contributed to the team's success. As she continues to refine her consistency, Ebony has the potential to become a dominant top-order batter.

**Eddie Gillett.** Eddie's versatility as an all-rounder provides valuable balance to the team. She can influence matches with both bat and ball, often contributing in key moments. Her competitive nature and willingness to take on challenges were evident throughout the season. Eddie's continued development will make her an even more impactful player in the future.

**Isabella Pallister.** Issy's transition into a left-arm orthodox bowler was one of the most impressive improvements within the squad this season. Her accuracy and control enabled her to consistently restrict scoring opportunities while building pressure. Her 10 wickets do not fully reflect the quality of her bowling contributions. Her progress was recognised with selection in 2nd Grade matches, highlighting her development and potential.

**Sarah Davidson.** Sarah shows maturity and composure beyond her years, stepping up from the U15's with confidence. Her wicketkeeping improved steadily throughout the season, providing consistency and reliability behind the stumps. In the field, Sarah demonstrated leadership qualities and strong communication, contributing to the team's overall energy and organisation.

**Abigail Bland.** Abi's commitment to improving her game was evident throughout the season. Her all-round development, particularly in fielding, added significant value to the team, where she consistently applied pressure and saved runs in critical moments. Batting in the middle to lower order, she contributed to important partnerships and helped consolidate innings when required.

**Annabelle Croll.** Despite limited appearances, Annabelle showcased her high level of game awareness and competitive instinct. Often reading situations ahead of play, she contributed through proactive decision-making and a strong on-field presence. Her natural sporting ability and confidence make her an exciting player when she is available.

**Sophie Martin.** Sophie's game is built around positive intent and aggression. When she backs herself, she has the ability to take control of matches with both bat and ball. This season saw glimpses of her potential, and a continued focus on consistency and confidence will allow her to make even greater contributions.

**Lily Crabbe.** Lily's commitment and discipline with the ball made her a key part of the bowling attack. Frequently trusted with the new ball, she used her outswing effectively to challenge opposition batters and create opportunities. She also made valuable contributions with the bat in the lower order, playing some important supporting roles. In the field, her effort and bravery, often putting her body on the line, set a high standard for everyone else.

**Holly Searles.** Holly made the most of her opportunities this season, consistently showing a strong willingness to learn and improve. Her attitude and effort at training and in matches made her a pleasure to coach. With continued development, she has the potential to play a larger role in the team.

All in all, 21 girls played for the Brewers this year. Every one of them giving everything for the team. Some previous players, some younger players, so thanks to each and every one of you.

Bill McLerie  
Brewer Shield Coach 2025/26

## Club Records 1878 - 2026

FIRST GRADE MEN	Name	Record	Year
Highest Individual Score	M Phelps	233*	1999-00
Highest Season Aggregate	A Crosthwaite	1,455	2014-15
Highest Season Average	J Burke	80.75	1947-48
Most Wickets in a Season	J Randall	78	1909-10
Best Bowling Average	J Burke	6.13	1952-53
Best Bowling Figures	J M Gregory	9 for 24	1923-24
Most Dismissals by a Wicketkeeper	J Lenton	60 (53ct/7st)	2022-23

SECOND GRADE MEN	Name	Record	Year
Highest Individual Score	C A Glassock	261	2001-02
Highest Season Aggregate	D Gee	843	1904-05
Highest Season Average	A Lowe	86.70	2012-13
Most Wickets in a Season	J Randall	88	1904-05
Best Bowling Average	R Walton	6.54	1972-73
Best Bowling Figures	R Bennett	9 for 30	1948-49
Most Dismissals by a Wicketkeeper	A Dignan	45 (36ct/9st)	1996-97

THIRD GRADE MEN	Name	Record	Year
Highest Individual Score	B Clemow	287*	1992-93
Highest Season Aggregate	G Lowe	973	1930-31
Highest Season Average	R Farnell	84.33	1920-21
Most Wickets in a Season	F Brand	79	1922-23
Best Bowling Average	F Lawler	5.81	1899-00
Best Bowling Figures	F Ames	10 for 33	1920-21
Most Dismissals by a Wicketkeeper	B Bilton	38 (34ct/4st)	1986-87
	R Holmes	38 (32ct/6st)	1979-80

FOURTH GRADE MEN	Name	Record	Year
Highest Individual Score	J Gurd	202	1953-54
Highest Season Aggregate	R Hamman	672	2013-14
Highest Season Average	D Patterson	62.80	1982-83
Most Wickets in a Season	W Bassett	97	1936-37
Best Bowling Average	G Tucker	5.53	1991-92
Best Bowling Figures	G Blades	10 for 27	1959-60
Most Dismissals by a Wicketkeeper	J Petersen	38 (37ct/1st)	2013-14

FIFTH GRADE MEN	Name	Record	Year
<b>Highest Individual Score</b>	<b>A Gatehouse</b>	<b>202</b>	<b>2025-26</b>
Highest Season Aggregate	J Stewart	694	1981-82
Highest Season Average	D Wheeler	110.25	2017-18
Most Wickets in a Season	J Maher	55	1981-82
Best Bowling Average	S Hole	7.20	2011-12
Best Bowling Figures	M Youell	9 for 37	1995-96
Most Dismissals by a Wicketkeeper	R Dunlop	39 (34ct/5st)	2024-25

<b>POIDEVIN-GRAY SHIELD</b>	<b>Name</b>	<b>Record</b>	<b>Year</b>
Highest Individual Score	T Parsonage	178	1930-31
Highest Season Aggregate	W Athey	465	1977-78
Highest Season Average	I Howell	198.00	1965-66
Most Wickets in a Season	P Philpott	38	1950-51
Best Bowling Average	G Juul	5.80	1995-96
Best Bowling Figures	P Proudfoot	10 for 88	1953-54
Most Dismissals by a Wicketkeeper	A Lowe	16 (13ct/3st)	2012-13

<b>AW GREEN SHIELD</b>	<b>Name</b>	<b>Record</b>	<b>Year</b>
Highest Individual Score	B Shoebridge	169	1988-89

29	Jamie Heath	1996-2004	1,981	446	5,602	300	18.67

Please Note: The above numbers include all 1st Grade One Day stats from 1992-93, as well as all T20 stats.

## Best Performances Last 10 Years

### FIRST GRADE MEN

	Name	Record	Year
Highest Individual Score	J Lenton	211*	2023-2024
<b>Highest Season Aggregate</b>	<b>O Davies</b>	<b>913</b>	<b>2025-2026</b>
Highest Season Average	O Davies	78.86	2023-2024
Most Wickets in a Season	B Foreman	52	2023-2024
Best Bowling Average	M Edwards	13.80	2022-2023
Best Bowling Figures	S O'Keefe	9 for 54	2016-2017
Most Dismissals by a Wicketkeeper	J Lenton	60 (53ct/7st)	2022-2023

### SECOND GRADE MEN

	Name	Record	Year
Highest Individual Score	B Mendel	231	2024-2025
Highest Season Aggregate	L Weston	799	2017-2018
<b>Highest Season Average</b>	<b>N Hole</b>	<b>83.00</b>	<b>2025-2026</b>
Most Wickets in a Season	A Jamieson	41	2022-2023
Best Bowling Average	A Jamieson	9.92	2017-2018
Best Bowling Figures	M Sunshine	7 for 26	2023-2024
Most Dismissals by a Wicketkeeper	M Brewster	36 (34ct/2st)	2020-2021

### THIRD GRADE MEN

	Name	Record	Year
Highest Individual Score	B Mendel	157	2022-2023
<b>Highest Season Aggregate</b>	<b>J Melchioro</b>	<b>562</b>	<b>2025-2026</b>
Highest Season Average	A Bariol	77.00	2016-2017
Most Wickets in a Season	N McLachlan	35	2018-2019
Best Bowling Average	A Boulton	9.14	2022-2023
Best Bowling Figures	A Hicks	6 for 13	2022-2023
Most Dismissals by a Wicketkeeper	M Brewster	36 (35ct/1st)	2018-2019

### FOURTH GRADE MEN

	Name	Record	Year
<b>Highest Individual Score</b>	<b>A Karlsson-Lacy</b>	<b>155</b>	<b>2025-2026</b>
Highest Season Aggregate	J Kennedy	501	2023-2024
Highest Season Average	B Mendel	57.00	2021-2022
Most Wickets in a Season	W Skinner	43	2023-2024
Best Bowling Average	G Cumming	10.19	2024-2025
Best Bowling Figures	J Davies	7 for 31	2019-2020
Most Dismissals by a Wicketkeeper	D Wheeler	27 (26ct/1st)	2022-2023

### FIFTH GRADE MEN

	Name	Record	Year
<b>Highest Individual Score</b>	<b>A Gatehouse</b>	<b>202</b>	<b>2025-2026</b>
Highest Season Aggregate	J Melchioro	471	2023-2024
Highest Season Average	D Wheeler	110.25	2017-2018
Most Wickets in a Season	J Osbourne	39	2023-2024
Best Bowling Average	J Osbourne	7.77	2023-2024
Best Bowling Figures	J Osbourne	7 for 42	2023-2024
Most Dismissals by a Wicketkeeper	R Dunlop	39 (34ct/5st)	2024-2025

<b>POIDEVIN-GRAY SHIELD</b>	<b>Name</b>	<b>Record</b>	<b>Year</b>
Highest Individual Score	O Davies	163	2017-2018
Highest Season Aggregate	S Gainsford	312	2016-2017
Highest Season Average	J Foster	67.50	2020-2021
Most Wickets in a Season	J Lawson	16	2024-2025
Best Bowling Average	J Carden	11.14	2017-2018
Best Bowling Figures	G Lea	6 for 40	2019-2020
Most Dismissals by a Wicketkeeper	R Kapoor	15 (14ct/1st)	2024-2025

<b>AW GREEN SHIELD</b>	<b>Name</b>	<b>Record</b>	<b>Year</b>
Highest Individual Score	D Horstead	104*	2024-2025
Highest Season Aggregate	J Davies	501	2018-2019
Highest Season Average	J Davies	76.80	2019-2020
Most Wickets in a Season	J Osbourne	22	2023-2024
Best Bowling Average	J Hobson	9.46	2017-2018
Best Bowling Figures	R Dhillon	6 for 16	2021-2022
Most Dismissals by a Wicketkeeper	B McDowell	20 (16ct/4st)	2021-2022

<b>FIRST GRADE WOMEN</b>	<b>Name</b>	<b>Record</b>	<b>Year</b>
Highest Individual Score	E McCaughan	140*	2024-2025
Highest Season Aggregate	E McCaughan	664	2024-2025
Highest Season Average	S Horley	92.29	2021-2022
Most Wickets in a Season	C McLerie	29	2024-2025
Best Bowling Average	E Hoskin	11.46	2023-2024
Best Bowling Figures	C McLerie	6 for 24	2021-2022
Most Dismissals by a Wicketkeeper	K Letcher	19 (14ct/5st)	2023-2024

<b>SECOND GRADE WOMEN</b>	<b>Name</b>	<b>Record</b>	<b>Year</b>
Highest Individual Score	E Cambridge	90	2023-2024
Highest Season Aggregate	M Turik	523	2020-2021
